ATTEND THE CHURCH OF YOUR CHOICE THIS SUNDAY AND EVERY SUNDAY

ANY TIME YOU DECIDE TO PRAY, GOD IS READY TO LISTEN

When you need to see your doctor, you must make an appointment; and when you call, you must make the trip to his nurse or receptionist. Even then, you might spend a lot of time in the waiting room before he is able to see you. Also, other people take him an occasional day off and may even go on an extended vacation. By contrast, when you need to talk to God, you know that He is on call day and night, and that no appointment is necessary. You can speak directly to Him and He is always available to you, even for a house call, because He is everywhere. Moreover, He is already aware of your problems, and He will prescribe the best remedy for you according to His infinite wisdom. You can have a confidential consultation with Him wherever you may be, at your House of Worship or elsewhere. It’s called prayer, and He will never be too busy to listen.
