The Past in Print...:

60 YEARS AGO
JUNE 17, 1917

A group of people who had gathered to celebrate the opening of the new San Francisco Bay Bridge on June 17, 1917, were the subject of a report in the Progress Advance newspaper. The ceremony included speeches, music, and a parade. The bridge marked a significant milestone in transportation history, connecting San Francisco to Oakland and providing a critical link between the two cities. The event was considered a major celebration, reflecting the significance of the bridge in the community and its impact on the region. The report highlighted the pride and enthusiasm of the residents, emphasizing the bridge's role in advancing infrastructure and facilitating trade and commerce.

50 YEARS AGO
JUNE 17, 1967

A column in the Progress Advance newspaper from June 17, 1967, presented a satirical look at the celebration of the 50th anniversary of the establishment of the United Nations. The author humorously criticized the ongoing nature of the UN, suggesting that it was not as effective as initially hoped. The column highlighted the growing frustration with the organization's inability to resolve conflicts and address global issues adequately. The author's perspective provided a critical commentary on the UN's shortcomings and the expectations placed on it.

State Class C Semi-finals next step for Cinderella team

Laker softball squad rolls to regional tournament title

By Rich Szwartez

The Class C state semifinals are set following a 5-2 victory for the state Class C softball title match, which occurred Thursday at Prince Charming's Field. The Lady Lakers defeated Prince Charming's 5-2 in a game that was decided by a dominating first inning.

The Lady Lakers, led by Coach Doug Buehler, have been on a roll this season and are looking to continue their winning streak into the regional tournament. The team has been led by senior pitchers Jenna May and Mia Watson, who have combined for an impressive 20-3 record.

The Lady Lakers started the game with a dominant first inning, scoring five runs off of Prince Charming's starting pitcher. The Lady Lakers continued their offensive attack in the second inning, adding another two runs to their lead. Prince Charming's pitcher struggled to find their rhythm, giving up six runs on seven hits.

In the third inning, the Lady Lakers added another run to their lead, making it 7-0. Prince Charming's pitcher finally found some momentum, allowing two runs in the fourth inning, but the Lady Lakers were able to capitalize on their mistakes.

The Lady Lakers added another run in the fifth inning, making it 8-2. Prince Charming's pitcher continued to struggle, giving up five runs in the sixth inning, effectively ending the game.

The Lady Lakers will now advance to the regional tournament, where they will face a tough challenge against the Class C powerhouse. Despite the setback, Prince Charming's pitcher showed a lot of promise and will look to build on their performance in the next game.

The Class C state semifinals will be played at Prince Charming's Field on Saturday. The Lady Lakers will look to continue their winning streak and advance to the state championship game.

OFFENSE: The Lady Lakers were led by senior pitchers Jenna May and Mia Watson, who combined for 20-3 record.

DEFENSE: The Lady Lakers defense was solid all season, limiting opponents to only three runs per game. They will look to continue their strong defense in the regional tournament.

Statistical Leaders:

1. Jenna May (20-3)
2. Mia Watson (20-3)
3. Prince Charming's Starting Pitcher (5-2)

Final Score:

Lady Lakers 8, Prince Charming's 2

The Lady Lakers will face a tough challenge in the regional tournament, but they are confident in their ability to continue their winning streak and advance to the state championship game.
