The Pigeon Bay Port Lakers will face stiff competition this Saturday, Nov. 3 when they meet Detroit Country Day on their home turf at 2 p.m.

**HAIL TO THE CHIEFS:** Coach Bill McElhany's Lakeara team are 6-1 in league play, having achieved a 6-1 league record and an 8-1 record overall. Detroit Country Day is first in the league, but their home games have been a test of their skill and strategy. The winner of Saturday's contest will play the winner of the Burton Bentley vs. Erie Mason game next Friday, Nov. 1 at 7 p.m. at the Mason Bowl Stadium.

**HOW TO GET THERE:** Lakeara bases will be taking students to the Country Day game Saturday. Those interested in driving must pick up maps at the Lakeara High School office any time this week. Country Day's football field is located at the school's main campus just west of Royal Oak in Beverly Hills. It's on the north side of Lake Port, north of 13 Mile, one mile east of Telegraph Road (M-31).

To get there, take I-75 south to 12 Mile Road, then east or west to Telegraph Road (M-31) north into Beverly Hills. Follow Telegraph south to 13 Mile, turn left (east) to the corner of Lakeport and 13 Mile. Ample parking is located at the field.

---

**BY RICH SWARTZENBUDER**

At a public hearing last Thursday, a group of about 45 residents reached favorably to details of a proposed sewage treatment system for Caseville.

**William Potter, PE of Wolverine Engineers and Surveyors, Inc. reported on the project report that is required for Environmental Protection Agency approval.**

The report outlines problems with septic systems in the Caseville area and lists several options for septic systems that would be feasible and cost estimates for each.

**PROBLEM:** Potter said investigations by the Huron County Health Department records and a survey in the Caseville indicate problems with 20% of the 375 businesses and residences located in the area, which represents 25% of the village. Potter said 50% of these systems are so bad that they have no drainfields, standing water over drainfields and contamination from storm sewers with sewage as evidence of the need for a municipal sewage system in Caseville.

**Solution:** Potter added that inclusion of septic systems on Beachside Island raised the issue of failure of any problem sewage systems to 75% in the village.

**River discharge lagoons:** This option would be similar to the other lagoon systems. The difference would be discharge into Pigeon River rather than use of spray irrigation. The cost of this option would be slightly higher than the traditional 30-foot depth, but require pumps at each hook-up to push sewage from private septic tanks to one of two large lagoon systems.

**Landfill:** This would involve putting the sewage into septic tanks and private septic tanks, all of which would be pumped into two separate septic tanks.

**Construction Costs:** Potter estimated construction costs of each option at $4,218 million for the mechanical system, $4,427 million for the lagoon with spray irrigation, $4,185 million for the lagoon with river discharge and $4,768 million for the pressure system.

**Engineeering:** The engineering firm recommends the option of the lagoon with river discharge based on lower construction and the fact that the village will also own the land which would actually increase in value while other options would depreciate.

**FINANCING OPTIONS:** Potter gave several possibilities for financing the lagoon option, based on different portions of federal funding. At 6% of the sewage systems qualify for federal funds, the federal share would be about $1,37 million to be paid back over 5 years in 5 equal installments. At 3% federal share, the local amount would be $72 million over 9 years and at 0% interest.

**References:** For the treatment works qualified for the federal funding, the federal share would be $70 million and the local share would be $37 million. The cost would raise each resident's share to $250 per quarter for 20 years.

**BRINGING THE NEWS:** William Potter of Caseville's engineering firm spoke to those in attendance, as did the village public hearing officer.

2 Big Seasons! CORN

When you need FAST SERVICE, FAST DRYING, ADEQUATE STORAGE, MARKETING OPTIONS, come to CoOp Elevator and SHARE IN THE PROFITS, Too!

We can dry 250,000 bushels of CORN each day! No delays!

If you've got the corn, we've got the capacity!

New beam promotion for UK

Michigan Bean Commissioner做的 inauguactor of the first ceremony of the United Kingdom to kick off its new market promotion program aimed at increasing the sale of UK beans. The program is designed to attract more buyers of UK beans, particularly in the US market, where demand is high for these crops.

"We will be different this year," the commissioner said. "We will work closely with all parts of the industry, from farmers to processors, to ensure a smooth transition to the new marketing system." The program aims to increase the availability and quality of UK beans in the US market, while also promoting the benefits of using UK beans in various cooking applications.

Those deliciously hearty British Breakfast Beans

Any self-respecting British breakfast lover must have a supply of these hearty beans in their pantry. A staple of British breakfasts, these beans are enjoyed for their hearty and satisfying flavor. A little goes a long way, so make sure you have plenty on hand for a hearty breakfast.

British Breakfast Beans

1. Pick your beans of choice.
2. Rinse beans under cold water to remove any impurities.
3. Soak beans overnight in water.
4. Drain beans and add them to a pot of water with salt.
5. Bring to a boil and simmer for about 30 minutes or until tender.

ARTISTIC INNOVATION: Here is a seek-and-find image of the paper we're holding building the team.

Successful Boat Build results in 53 pints

A total of 12 participated in this year’s successful boat build, resulting in a total of 53 pints of built boats.

The following people participated:

Elizabeth, Matthew, John, Jane, Amy, David, Mary, Jane, Tim, Sarah, Alice, and George.

Success! Boat Build results in 53 pints

We are proud to announce the successful completion of our boat build project. A total of 12 participants contributed their skills and efforts, resulting in the successful completion of 53 pints of built boats.

Some of the participants include:

Elizabeth, Matthew, John, Jane, Amy, David, Mary, Jane, Tim, Sarah, Alice, and George.

POTASH

SpreaderS For Rent or Custom Applied

Now’s the BEST TIME TO APPLY POTASH!

1. Good investment...high return
2. Reduces spring work...reduces spring soil packing
3. Fall Kowdrow puts potash deep down where it counts
4. Buy now...avoid further inflation
5. Quick start, early maturity for 1988 crops

A voice in the action...
A share in the profits...

**Lakers girls sweep Inlay City, Marlette... but barely!**

By Rich SWARTZENBERGER

After coming from behind to win the first half by a narrow margin, Lakers girls had to come from behind to sweep Marlette on Thursday.

"The only thing that we did well was in the first three quarters," said Lakers Coach Paul Van der Velde. "We worked hard and played well in those three quarters."

"We just didn't have the same intensity in the first half," he added. "We need to learn to play with more intensity for the whole game."... 

**Managing water explained in MSU booklet**

Bellevue basketball coach Paul Blaschke said the players are doing a good job of handling their water intake.

"I think they're doing a good job," he said. "They're staying hydrated and staying alert."

**Eagles dribble away pair**

Eagles guard Chris Johnson scored a season-high 26 points in a 68-59 win over Livonia Stevenson on Saturday.

**Lakeview girls sweep Inlay City, Marlette**

By Rich SWARTZENBERGER

Lakeview girls swept Inlay City and Marlette on Thursday.

"We had a great game," said Lakeview Coach Steve Van der Velde. "We played well and were able to hold our opponents to a low-scoring game."...

Good Luck, Lakers! this Saturday, November 7 Game time 2 p.m.

Lakers vs. Detroit Country Day

United in marriage

Dennis Morky and Edith Hartley were united in marriage in a double ring ceremony at the First United Methodist Church of the Sunnyside, Bad Axe, Michigan. The bride's parents are Mr. and Mrs. Sol Herman. The groom's parents are Mr. and Mrs. John Hartley. The wedding took place in the church, following the ceremony led by the Rev. Arnold. Reverend Arnold and Mrs. Morky were honored at the wedding. Following the wedding, the couple spent their honeymoon at Williamsburg, Va. They will make their home in Bad Axe and plan to reside in Bad Axe, the groom's home in the future.

Cub Scout news report

The Cub Scouts are planning a fun-filled week of activities. They will be visiting local businesses, learning about community leaders, and participating in a community service project. The Cub Scouts are encouraged to participate and share in the activities.

Secondary: Breakfast daily: juice, green peppers, and beans, plus bread and punch. "Lasagna" is a new name for a favorite menu item.

Pigeon news

By DOROTHY DENEK

The Pigeon Club, which is the oldest and largest club of its kind in the country, holds its annual meeting and banquet on Saturday night, November 19, at the American Legion Hall in downtown Pigeon. The meeting will begin at 7:00 p.m., and the banquet dinner will follow at 8:00 p.m.

The club’s president, Mr. John Smith, will preside over the meeting, which will feature a number of important items on the agenda. The guest speaker for the evening will be Mr. Richard Brown, who is a well-known writer on the subject of pigeons.

Following the meeting and dinner, there will be a social hour until 10:00 p.m., during which time attendees will have an opportunity to visit and chat with other members of the club.

For more information about the Pigeon Club or its upcoming events, please contact Mr. Smith at (123) 456-7890.
Pianist Barbara Dixon returns for fundraising-concert

Barbara Dixon and three of her colleagues will present the first of six fundraising concerts at First United Methodist Church on Saturday, December 5th, at 8:00 pm. These concerts are part of a season-long project to raise funds for the music department of the University of Michigan. The concerts feature performances by some of Detroit's finest musicians, including Dixon, who is also known for her work in the field of music education. The concerts are open to the public and admission is free with a donation of $5.00. For more information, please contact the church at 313-924-2111.

IN WAR OR PEACE THEY RISK THEIR LIVES FOR OUR FREEDOM

Technically speaking, we are at war in the world, or at least not engaged in any officially declared war at the moment. However, conditions can change from day to day, and in any case, the men and women of our armed services are always on duty around the globe, protecting our national interests, and they are prepared to give their lives for us if necessary. Therefore, when those who are fortunate enough to do so return home, the least we can do for them is to make their lives as easy as possible. We should support the House of Worship, thank the Lord for the safe return of all our veterans of whatever conflict, and pray for the continued safety of our brave few people still stationed in foreign lands. The choice of our faith is one of the freedoms they have guarded for us and for future generations, and we can best honor them by making use of it.

Thanks A Million

You may recall in recent issues of The Progress-Advance, we have had a number of announcements from individuals who have reached the milestone of 40 years as a resident of our community. That's right, an entire generation has gone by, and now these pioneers are about to celebrate their 40th anniversary.

DEAR MR. BROWN,
I am writing to express my gratitude to you for your kind words in your recent article about our community. Your commentary was truly inspiring, and your support has meant the world to me.

DEAR DISAPPOINTED,
I appreciate the concern you have for our children. Their education is indeed a priority, and I assure you that the necessary measures will be taken to address any issues that may arise.

DEAR MR. GREEN,
I am writing to express my gratitude for your support and encouragement. Your generosity has made a significant difference in our lives, and we are truly grateful.

In regards to the Christmas hanging down All, I have to tell you that I am not happy about it. My daughter rode the two hours driving down Michigan Ave. in Pigeon last week. Seven little girls were hanging on the hantle of the car, and we had to almost drive to windshield to save them. Please tell your daugther to please hang on6 CB.

COUNTY ROUND-UP

The Pigeon Court Proceedings were held in the Pigeon Township Courtroom. The case involved charges of failure to pay property taxes. The defendant was found guilty and ordered to pay the taxes in full. The court also ruled that the defendant was responsible for all court costs.

COURT PROCEEDINGS

In the case of Tandy County Cough, where Patricia Jackson was convicted of theft, the judge ruled that she should be released on bond. The bonding company agreed to pay the bond, and the defendant was released on personal recognizance.
