These top Laker scholars lead the Class of 1988

By SALLY RUMMEL

A 1986 Memorial Day weekend is one that Middle抑制 will remember for years to come. The weekend, which included a Wabash College of Southern Illinois University(P.O.W.) reception, a Fish Fry held by the Wabash College Band, and a Wabash College Band Alumni Dinner, was capped off by the Memorial Day Parade.

The parade, which was held in downtown Beaumont, featured over 50 floats, including those from local businesses and organizations. The Wabash College Band, led by Mr. John A. Smith, played a variety of patriotic songs as the parade marched through the streets.

The parade concluded with a Memorial Day service at the Beaumont National Cemetery, where a wreath was placed at the foot of the monument dedicated to those who gave their lives in service to their country.

The weekend was a fitting tribute to those who have served and those who have fallen, and it was a reminder to all of the sacrifices that have been made for freedom. As Wabash College Band Alumni and students gathered together to celebrate and remember, the atmosphere was one of camaraderie and respect.

Former P.O.W. will never forget...

Paul W. Jacobson

Jacobson, who was a member of the United States Marine Corps, remembers the day vividly. "I was a prisoner of war for over two years," he said. "It was a bittersweet moment when the signing took place. While it was good to be free, it also meant that many of my fellow soldiers had lost their lives in the war."

Jacobson's experience as a prisoner of war has shaped his life in many ways. He has become an advocate for veterans and has worked to ensure that their sacrifices are not forgotten.

"I will never forget the sacrifice that so many of my fellow soldiers made," he said. "I am lucky to be alive, but I will never forget the sacrifices that were made."

Jacobson's story is just one of many that have been lost to time. But it serves as a reminder of the importance of honoring those who have served our country and remembering the sacrifices that have been made.

Caseville School

AS PART OF LONGSTANDING United Fund tradition, Caseville Evangelical United Free Church hosted its fourth annual School Auction this past week. Some of the items sold included a color television, a Walkman, a chair and a table, and a two-week stay at a beach house. The proceeds from the auction will be used to support the school's music program.

Mrs. Mayer Speech

H kidnapped me for the whole week. So the last week of school was a real Woe. We had to get up early every morning and get dressed up for church. But the worst part was the singing. We had to sing in front of the whole school every day.

MRS. MAYER SPEECH

Well, I'm happy to say that this year the music program is back to normal. We won't have to sing in front of the whole school anymore.

Best Wishes, AlmA

After 25 years of being a principal at Caseville Elementary School, I am retiring. I have enjoyed every moment of my time here. I have seen my students grow and learn. I have made many friends. I will miss my students and colleagues. I wish them all the best in the future.

Pickin' and a grinnin' by Duane Guenther

It started out as a Three Fiddler trip, but then we got sidetracked. We ended up going to Blue Ridge Mountains instead. We ended up spending the whole time pickin' and a grinnin'. We had a great time. I hope we get invited again next year.

Although there were hundreds of makings, the only one that really matters is the one you make yourself. This is true for music as well as for life. We all make our own music, and we all have our own stories to tell. We all have our own lives to live. We all have our own paths to follow. We all have our own stories to tell.

ATTEND THE CHURCH OF YOUR CHOICE THIS SUNDAY

A common sight in any newspaper is a picture of a beautiful young lady smiling and engaged couple. Yet in view of the mounting divorce statistics, we wonder how many of these marriages will last even a year let alone a lifetime. The romantic euphoria can quickly melt in the heat of argument about money, working hours, children and all the little everyday faults that were unnoticed during the courting. If the couple would assume the good manners and good nature that united them in the first place, work out some areas of compromise and ignore minor irritations, they might stand a chance. Above all, they should attend their House of Worship and be reminded of what love is. It might be quite likely that their present problems could be solved at the very altar where they exchanged their vows. It is certainly worth a try.

Memorial Day, let’s pause a moment from our daily lives...our comfort, our peace and our freedom...to remember the men and women who fought and died so that we may enjoy the privilege of being Americans. Proudly, we honor all the people of our armed forces...from all wars. Their courage was our greatest triumph, their sacrifice our greatest loss.
