What's No Saturday morning cartoons??

Here's an interesting twist to an old dilemma, and it might even encourage you to try it. NBC has decided to switch to Saturday-morning cartoons. Now long-time fans of "Kid vs. Kid" children's cartoon shows full of kids and fun adventures, may feel disappointed.

But one local Public TV station is showing the cartoons from 6:30 to 8:00 a.m. Monday through Friday. They are telecasting the series from Spain, and the cartoons are in Spanish.

If you want to see the cartoons, you may be able to see them this week. The station is KPRC, Channel 2.

FROM UNDER THE WILLOW

By ISADORA DECHAP

On ripping and knitting

I'm a young woman, I'm from being a child. The third time of this design I've made. I've written it so far. I want to do it on canvas and to put it on a shelf in my room. It's saying, 'Keep it secret.'

The third time, I want to make this design. It's very easy to make. It's not too hard to make. It's very small. It's not a lot of work to do.

Now I'm knitting a full winter version of the design in this green wool that's dyed blue. I'm knitting a lot of ribbons and a lot of ribbons. I'm knitting it in small sections. It's not a lot of work to do.

The wool and the needles are the same size. It's easy to make. I'm knitting it in very small sections. It's not a lot of work to do.

But... Lankey gets her 'pay'

On one particular night, there were about forty of us in one large room. The station was all set up in a room on the fourth floor of the station. I was sitting in the room with my colleagues.

Laney had the biggest smile and the best reason for it. He was around the block and he didn't know what he was doing.

But...

DEAR EDITOR:

Please help us. We are having trouble with the phone. We had to call the telephone company. They said it was a broken line and they were going to call the phone company.

Then we called the phone company and they said it was a broken line and they were going to call the telephone company.

DEAR EDITOR:

Thanks for helping us.

Our readers write.

THANKS FOR HELPING US.

DEAR EDITOR:

We had a problem with the phone, we called the telephone company. They said it was a broken line and they were going to call the telephone company.

DEAR EDITOR:

We are having trouble with the phone. We had to call the telephone company. They said it was a broken line and they were going to call the telephone company.

DEAR EDITOR:

We had a problem with the phone, we called the telephone company. They said it was a broken line and they were going to call the telephone company.

Hoping for your help.

Elkton seniors greet autumn

EQLTON CIVIC CITIZENS

Elkton Senior Citizens celebrated on Sept. 29 with a party at the Citizens Center.

Chairman Mike Ross welcomed guests to the event. Local well-wishers included Frank Ross, Wanda Grier, and Billy McMillan.

Two decorated cakes graced the day, one for the anniversary of the Elkton School and the other for the birthday of Elma McMillan. The birthday song was sung by the Elks, Daughters of the American Revolution, and the Elkton Auxiliary.

Mr. and Mrs. McMillan presented their daughter, older son, and twin children with special gifts.

Following the event, everyone enjoyed a delicious lunch at the Elkton School.

It was reported that 32 members attended the Celebration, the largest to date in recent years. They enjoyed the music, the food, and the company.

Mary Ann expressed her thanks to the group for their kindness and hospitality.

The event was a great success, and everyone left with a smile on their face.

Questions for the SUPERINTENDENT

by Robert Drury, Laker Superintendent

QUESTION #1. Last week I read in The Progress-Advance that our school district is in debt-free. What does this mean?

A common method used by school districts to generate a large amount of revenue for each year is to generate interest on savings accounts. However, this does not mean that the district is debt-free.

The bond funds raised are used to pay off the bonds sold to finance the project. The bond funds are then paid back to the bondholders over a period of time. The interest earned on the bond funds is a source of revenue for the district.

QUESTION #2. I have recently heard talk about Michigan teachers being the highest paid in the country. How much are the Laker teachers paid?

The average teacher pay in Michigan for 2013-14 was $64,205. The comparison to the Elkton-Pigeon-Bay Port school district is not valid because the Michigan average is for all teachers, including full-time and part-time teachers, while the Elkton-Pigeon-Bay Port average is for full-time teachers only.

The Michigan average is also skewed by the fact that the state has a larger number of teachers in urban areas, where the cost of living is higher.

QUESTION #3. Who’s having the school auction and what are the items for sale?

The Elkton-Pigeon-Bay Port Elementary School is hosting an auction on October 15th at 6:30 pm. The auction will feature a variety of items, including gift certificates, home goods, and more.

The auction is a great opportunity for students and families to support the school and have fun at the same time. Please support the school by attending the auction and buying tickets or donating items.

In Pictures!

From the PRINCIPAL’S OFFICE
by CRAIG DOUGLAS,
Laker High Principal

The staff and student bodies of Laker Junior and Senior High Schools are excited for the coming year. The faculty has identified the goals for our two secondary schools in 1988-89:

1) Coordinate the 6-12 curriculum
2) Implement the corrective instruction process for all students
3) Emphasize reading, writing, and speaking across the curriculum
4) Encourage professional development
5) Sustain and develop the personnel division

The first goal is directly tied to the newly-created position of secondary principal, which will help us maintain an excellent opportunity for our staff to continue our collaborative and objective goals. We have included the feedback of our staff and students to create this coordinated approach.

The second goal addresses the opportunity for students to select elective courses. Elective courses or vocational courses are the key to providing our secondary schools with a wide range of offerings. However, we feel that a tremendous amount of stress and constraint is placed upon our students who are forced to choose from a limited number of electives. We recognize the value of a broad-based education for all students.

Our third goal is to emphasize reading, writing, and speaking across the curriculum. This goal is an integral part of our overall goal of making Laker an excellent school for all students.

The fifth and final goal is to continue the development of our secondary schools. We recognize the value of a broad-based education for all students.

Laker High students compare favorably on A.C.T.

Below is a comparison of the average scores for our ACT-tested students. It is important to note that these data are not complete and that the number of students is limited. However, these data are indicative of the overall performance of our students.

Around the Schools

What's happening in Elkton, Pigeon and Bay Port

Library transportation

The Bay Port Elementary Library is a busy place. This year the children are bringing in their favorite hobbies to be displayed on display cases for others to see. The display cases are located in the front of the library.

The children may purchase books, games and toys at the library. The profit from the project will support more books and toys for the library.

The children will be reading books during this time of the year. Bay Port Elementary School is a part of the district system. They may sign you up in the library during the first week of school.

Dr. Khan

Dr. Khan, a former Bay Port Elementary School is the newspaper editor of the newspaper. He will be in Bay Port this summer to promote his book. The children are eager to get the book and have been waiting for it for months. They are looking forward to reading it during the summer. They will meet the author for breakfast on the morning of the book signing.

First Grade

The "O-Fish" at Bay Port flag hanging contest is open to all students in Bay Port last year. Each child has their name and a picture of the fish that they caught. The fish is black on one side and on the other side is a fish with blue eyes. The fish is black on the side and white on the other side. When the children are finished, the fish is black on the side. When the children are finished, the fish is black on the side. The children will be asked to give their name and picture of the fish.

The teacher will keep the fish in the classroom. The children will be examined and asked to give their name and picture of the fish.

The children will be examined and asked to give their name and picture of the fish.

Second Grade

The Michigan Educational Assessment Program (MEAP) is a state testing program for all students in the state. The test is given to all students in the state. The test is given to all students in the state.

The MEAP test will be given to all students in the state. The test is given to all students in the state.

The test is given to all students in the state. The test is given to all students in the state.

MEAP TEST SET THIS FALL

One of the tests given to each 4th, 7th, and 10th graders in Michigan at the start of the school year is a Michigan Educational Assessment Program (MEAP). The test provides a way to measure how well students are doing and how they are doing in classes.

The test will be given to all students in the state. The test will be given to all students in the state.

The test will be given to all students in the state. The test will be given to all students in the state.

Parents need to know when a test is going to be given. They need to know when a test is going to be given. They need to know when a test is going to be given.

Other things you can do to help your child

Thank you for your cooperation. We hope your child will enjoy the test.

Parents take note

When a test is to be given, you can help by making sure your child...

• gets enough sleep the night before the test
• has breakfast on the morning of the test
• goes to school on the day of the test, and
• worries you think this will be the last on the test, a few hours on how to prepare to take the tests are also given.

• has breakfast on the morning of the test
• goes to school on the day of the test, and
• worries you think this will be the last on the test, a few hours on how to prepare to take the tests are also given.

Other things you can do to help your child

• be sure your child has a good night's sleep before the test
• has breakfast on the morning of the test
• goes to school on the day of the test, and
• worries you think this will be the last on the test, a few hours on how to prepare to take the tests are also given.
Attend The Church Of Your Choice This Sunday

The heat of summer's on the wane, And clouds may form, producing rain. The leaves that turn to red and gold. Proclaim a year that's growing old. Before consumed by bonfire flames. It's time for autumn and the football games, When winds of change will cool the scene And kids prepare for Halloween. Our Bible lessons will convey That harvest time is way. A time for gathering the yield From orchard and the farmer's field. Our House of Worship now relates That God's great bounty demonstrates His love, that we should all revere: When flaming autumn time is here.

GOD MADE THE BRILLIANT AUTUMN FOR A TIME OF HARVEST 
- Gloria Nowak

Westward ho!
READ JEREMIAH 3:17
It As far as the heart is from the west, so far has God removed our transgressions from us.
- Psalms 103:12

Many years ago Hannah Courtney wished those who wanted to make something of their lives, "Go west, young man, go west." Not only the young, but all of us, who had made mistakes in their lives, had to go out and start over. Many of us, at some point, in our life have had to cross the book on the past and start life anew. The opportunity existed, to choose a new life, to make the best of this chosen day. About our past, Jeremiah quotes God as saying, "I will remember them no more." The past is buried in God’s gracious forgiveness on Calvary, where Jesus died for our sins. We can ask for the cross with past pain in Christ’s shoulders for full forgiveness of our sins.

We can rise above our past and begin new lives in Christ by sharing the great news of God’s grace with a friend, and express our thanksgiving by seeing for ourselves in need. God, who has been present all along in the depth of the sea, will be present in the plains.

GRACIOUS LORD, remember not my sins but remember me always, as one in need of Your forgiving love. AMEN.

Selling Tuesday with their son and daughter, Mr. and Mrs. Arthur E. Singer and Mr. and Mrs. Maurice Singer.

General Statement

Cassellia Public Schools is in a financially sound condition. The school district operated in the black this year and ended with an improved fund equity. Total fund equity is used to defray operational costs from July to December, thus eliminating the need to borrow funds. The tax levy approved by the voters of the school district for 1967-68 was $18.25 mills for general operation. The board voted to levy 17.76 mills for operation and $0.44 per $1000 assessed for debt. During the 1967-68 school year, the district spent on excellence in the academic programs, at the district we spaned comparably by the State of Michigan for higher MAP scores. In 1966-67, the surcharge bill continues.

Each year, the Board of Education provides funds in an effort to maintain our school in good condition. Our buildings were acquired for schools, which was first to our pipe in the building in the pre-1975 buildings. Our efforts will be to service the admission in the immediate future.

Respectfully submitted,
