Caseville's loyalty!

With the memorable 1987 Pigeon Chamber of Commerce Christmas Car Giveaway successfully behind them, the Chamber has begun working on another "sus-pense-filled" promotion for this year's holiday. "Let's Wheel and Deal!" is the name of the five-week drawing designed to encourage local shopping and promote Pigeon as a "progressive" community, according to Chamber President Dave Jarvis.

The Grand Prize winner will take home a $5,000 shopping spree in the Village of Pigeon, redeemable at any Pigeon Chamber of Commerce member store. Drawings will begin with Open House Sunday on Nov. 20, at which time double tickets will be offered prior to the 4 p.m. drawing. Other drawing dates will be Saturdays, Nov. 26, Dec. 3, 10 and 17, all at 4 p.m.

As was done last year, tickets will be "purchased" after each week's drawing so that everyone has an equal chance of winning each week. Tickets will be distributed on the basis of one ticket per each $1.00 purchased, with a limit to be established by the Christmas Promotion committee.

HOW IT WILL WORK:
Ten winners' names will be drawn from a huge mixing drum, with two becoming winners by opening lucky. The other eight contestents will win $10 in Pigeon Money.

Of the two remaining contestents, the first one on stage will be given the option of taking the prize "package" (valued at at least $200) or waiting to try their hand at winning the Grand Prize $5,000 Shopping Spree at the final drawing on Sunday, Dec. 17.

If the first contestent takes the chance at the Shopping Spree, then the second contestent wins the Prize Package OR has the option of walking away with $200 in Pigeon Money. If the first contestent takes the Prize Package, then the second contestent gets the chance to win the $5,000 Shopping Spree. But before the first contestent opens Litcher Prize Package, he/she will be offered $200 for the box.

At the end of the fifth drawing, the five "Spree" contestants will return to the stage, each choosing a key. The first week's winner will have first choice of the key, followed by the other winners in order.

The lucky winner will hold the key that opens the "Shopping Spree" lock. All other winners will win a consolation prize, yet to be determined.

MUSING PRESENTS:
As in past years, persons participating in the promotion must be present to win. The Pigeon Chamber of Commerce suggests that persons who will not be in town for a Saturday drawing "hold" their tickets for a Saturday when they know they'll be able to be there.

"The whole point of holding a promotion of this size is to get people into Pigeon," explains Jarvis. "If persons do not have to be present to win, we defeat our whole purpose."

TOY GIVEAWAY: Thanks to a $1,000 donation from Thumb National Bank & Trust Co., Pigeon, the traditional "Christmas Toy Giveaway" will be held as usual, giving 10 children every week with toys.

Children can sign up for the drawing by depositing a ticket into Santa's mailbox prior to each Saturday's drawing.

CASEVILLE'S HOMECOMING QUEEN...and, here are hours for holiday!

PRIZES FOR KIDS: Mary Otto and Mike LePage of Thumb National Bank, left and center, show some of the possible children's prizes to be awarded this Christmas season to Pigeon Chamber of Commerce President Dave Jarvis, right.

STORE HOURS: In other business, the Pigeon Chamber of Commerce has decided to hold traditional evening hours beginning Monday, Dec. 19 through Friday, Dec. 23. Participating downtown merchants will keep their doors open until 9 p.m. to accommodate "late minute" holiday shoppers.

Wayne Dube of Owendale has opened a new convenience store in the Village of Owendale. Formerly a Union 76 service station, the business is now known as Pit Stop 76. Dube says the store carries a complete line of cold pop, beer, and wine, along with groceries, ice cream, deli meats, hot coffee, and hot dogs.

To help celebrate the opening of the store, Dube is sponsoring a Buck Contest for bowhunters this season. Based on the number of points a hunter's buck, the hunter is eligible for prizes. First prize is a set of snow time from Pit Stop 76. Second prize is 10 gallons of gas donated by Kopp Oil Company, third prize is eight gallons of gas, and fourth prize is seven gallons of gas. Dube says that "An Automated Hunter" will have the same contest during the season, and the overall winner of both bow and firearms seasons will receive a $250 bond donated by Bay Port State Bank.

Hours at the new Pit Stop 76 are 9:30 a.m. to 11:30 p.m. weekdays, and 7:30 to 11:30 p.m. on weekends.

The sounds of the Laker Marching Band, floats and the excitement of Homecoming will be in full motion next Friday, Oct. 14, at Bay Port hosts the annual Homecoming Parade at 8:30 p.m. following the traditional route along M-25 in Bay Port. Anyone who would like to enter floats, vehicles or other displays in the parade is encouraged to do so.

Interested persons may telephone Laker High School at 453-2348 by Wednesday, Oct. 12, according to Laker Principal Craig Douglas.

Bluewater YFC deserts support

There's been little of talk in recent months about TV personalities and building projects from broadcast ministers who always need money, money, money.

We've seen much of Tim and Tammy Faye Bakker and some of the others, who have gone beyond their church calling, and have been living their own pockets too full and toy frantically.

People are coming in with questions or concerns about such high-profile people and what others can do to avoid such a future. Each one of them has a different story to tell, but the message is the same: We need to make sure we don't end up here.

An old saying goes, "We're afraid we can't save money, but we can't afford to spend it either."

There's currently a movement to encourage people to save money and live within their means. It's a message that resonates with many, especially those who have been impacted by recent financial crises.

We need to make smart decisions about our finances and save money for the future. It's a message that resonates with many, especially those who have been impacted by recent financial crises.

The Bluewater YFC is a great example of how one can make a difference in the lives of others. With your support, they can continue to help others and make a positive impact on the community.

Thank you for your support and for being a part of this movement.

"AS I SEE IT..." By HARRY J. BRUNET

Marlette game was closer than score really shows... Now, FIRE UP to vulcanize Vassar!

By HARRY BRUNET

FOOTBALL REGCAP: It was another of those thrilling, heart-pounding games with the Marlette Bobcats facing the Vassar Vikings. The Marlettes were ahead, 14-0, at halftime, but the Vikings scored 42 points in the second half to claim a 42-14 victory.

The Marlette Bobcats played a defensive game, limiting the Vassar Vikings to total yards. The Marlettes' defense was led by senior linebacker Mike Koonicki, who had 15 tackles, including two for losses. The Bobcats' offense was led by junior quarterback Kyle Blevins, who threw for 240 yards and two touchdowns.

The game was played in front of a packed crowd at Marlette High School, with fans on both teams cheering and yelling for their respective teams. The game was called off after the Marlettes scored their second touchdown, but the crowd continued to cheer and yell until the game was over.

LJH teams start seasons

By DAVID WOJCIECH

The seventh and eighth grade girls basketball teams hit the court for their first games of the season. The seventh grade girls team won their opener, 34-29, while the eighth grade girls team lost theirs, 37-19.

The seventh grade girls team was led by senior captain Rachel Bilbrough, who scored 17 points. The eighth grade girls team was led by junior captain Maria Rodriguez, who scored 12 points.

Chrisstym Dagg goes up for 2

By AMY CSANSI

This week I visited the Lake Auto High School in the area to see the Marlette Bobcats playing against the Vassar Vikings. The game was played in front of a packed crowd, with fans from both teams cheering and yelling for their respective teams.

The Marlette Bobcats were led by senior quarterback Kyle Blevins, who threw for 240 yards and two touchdowns. The Vassar Vikings were led by junior quarterback Mike Koonicki, who had 15 tackles, including two for losses.

The game was called off after the Marlettes scored their second touchdown, but the crowd continued to cheer and yell until the game was over.

Lakers split 2 more

By AMY HEIDEN

This week the Lake Auto High School Lakers split their home games against the Vassar Vikings. The Lakers were led by senior quarterback Kyle Blevins, who threw for 240 yards and two touchdowns. The Vikings were led by junior quarterback Mike Koonicki, who had 15 tackles, including two for losses.

The Lakers won their first game, 34-29, but lost their second, 37-19. The Lakers will play their next game against the White Lake Warriors on Friday, October 12, at 7 p.m.

Lady Lakers split 2 more

By AMY HEIDEN

The Lake Auto High School Lady Lakers split their home games against the Vassar Vikings. The Lakers were led by senior quarterback Kyle Blevins, who threw for 240 yards and two touchdowns. The Vikings were led by junior quarterback Mike Koonicki, who had 15 tackles, including two for losses.

The Lady Lakers split their two games, winning their first, 34-29, but losing their second, 37-19. The Lady Lakers will play their next game against the White Lake Warriors on Friday, October 12, at 7 p.m.

Caseville Golf UPDATE

Caseville Golf Course is now open to the public. The course is in great shape, with beautiful late summer colors. The greens are rolling well, and the fairways are in excellent condition. The course was designed by renowned golf architect Tom Doak, and has been recognized as one of the best courses in the Thumb area.

The course is open for play every day, with tee times available. The course is currently offering special rates, so be sure to check them out. The course is located at 1000 Golf Course Road, Caseville, MI 48415. For more information, call 989-532-2222.
United in marriage

Eloise H. Sturtevant of Pigeon was recently married in the Church of Christ, Pigeon, while Frank M. Foreman and Miss Elizabeth Hodge, both of Pigeon, officiated. The bride, who is a daughter of Mr. and Mrs. Frank M. Sturtevant of Pigeon, is a graduate of Pittsford High School and a sophomore at Mississippi State University.

The bride is the daughter of Mr. and Mrs. Frank M. Sturtevant of Pigeon, and the groom is the son of Mr. and Mrs. Frank M. Foreman of Pigeon.

The wedding party included the bride’s parents, the groom’s parents, and various family members and friends.

Cupola marks 40 married years

The cupola on the east side of the Pigeon Water Plant was lighted with hundreds of lights and candles, creating a festive atmosphere. The occasion was the 40th anniversary of the marriage of Mr. and Mrs. John D. and Betty J. Cupola.

The Cupolas were married on April 30, 1957, at the Presbyterian Church in Pigeon. They have four children and ten grandchildren.

The couple was joined by family and friends at the celebration, which included a cake-cutting ceremony and a toast to the happy couple.

The Cupolas have lived in Pigeon for 50 years and are active members of the community. They enjoy spending time with their family and traveling.

Something To Think About

The success of your marketing campaign is often measured by how many customers you attract and how many of them visit your business. Generally, the body of your marketing campaign is the first point of contact and it’s where the customer will receive your message. In this case, the message is communicated through direct mail. Whether it’s a postcard, letter, or email, the goal is to capture the customer’s attention and convince them to take action.

A successful campaign often requires a combination of different marketing strategies to drive results. This includes setting clear goals, understanding your target audience, and tracking your progress along the way.

The key to creating a successful campaign is to understand the customer journey. This involves identifying the different stages of the process and developing content that addresses the customer’s needs at each stage.

Here are some tips for creating an effective campaign:

1. Identify your target audience: Determine who your ideal customer is and what motivates them to take action.

2. Set clear goals: Define what you want to achieve with your campaign and track your progress towards those goals.

3. Use multiple channels: Consider using a combination of online and offline channels to reach your audience.

4. Test and refine: Continuously test and refine your campaign to improve its effectiveness.

By following these tips, you can create a successful marketing campaign that drives results and helps you achieve your business goals.

Rebuilding the wreckage left by drug addiction; Elderly couple plays for "dead dog"

DO YOU BELIEVE IN MIRACLES?

Ruth Ann Braggs Does:

In September, 1986 it was discovered that I had an aneurysm in the center of my brain. Following the surgery, it was discovered that I had a second aneurysm, but I was too weak for anyone surgery. It was discovered that December, 1986 that my husband took me to the Sebec Hospital. After a couple of months of care I started to feel much better. After echocardiography care, I was taking 13 different medications and I was unable to do any household work. Now I can do my own laundry and take care of my personal needs and I can even drive again on my own. With echocardiography care, I am taking only 3 different medications. Again, the London Bariatric Center and Dr. Joeof people and phlebitis care, the second aneurysm has disappeared. This testimonial does not mean that echocardiography care is lacking or there is no need for the body to be free of nerve interference produced by arterial thrombosis, the body does indeed have the potential to heal itself. If you're suffering with sickness and disease why not believe in miracles and be echocardiographic today.

Kilnamagh pastor delivers farewell gift

Pastor R.D. Pfaff delivered his farewell sermon at St. Paul’s Lutheran Church, Kilnamagh, on Sunday, Sept. 18.

When the sowing is in, and every man able to read it, all read.
- Thomas Jefferson

The Heavenly Father’s Protection

The God who cheers the sowing that we propose to be the sower, the earthy place of the sower. It was the earthy place of the sower, because God promises to be with us and to protect us from the evil around him. The promise then is here to give us strength.
