BEET MEETING ELECTION

Three members were to be elected to the Board of Directors of the Sebewaing Beet Growers Association, Inc., at the annual meeting planned Tuesday at the Colony House, near Bay City. Three incumbents and two newcomers were seeking the seats, to fill the expired terms for representatives of Section 1 (Akron, Columbia, Elmwood, Wiener and Fairgrove), Section 2 (Sebewaing, Brookfield, Shiridian and Grant) and Section 3 (Parm Haven, Winner, McKinley, Oliver, Chandler, Caseville, Lake and Collax).

The three incumbents and challengers, if any, are: Section 1 incumbent Lavern Engelsdorp and challenger Kari Ewald; Section 2 incumbent Stanley Gettel, and Section 3 newcomers Dale Henne and Dennis Fritz. They are seeking the seats now held by Richard Sireni, who is not seeking re-election.

JOHN DEERE DAY ON THURSDAY

Gettel & Company’s “John Deere Day 1989” takes on a new twist this Thursday, as the event will be conducted beginning at 10 a.m., at the Colony House, near Case City.

Gettel locations in Sebewaing, Sebewaing and Bad Axe are combining for one major show of new John Deere farm equipment — rather than separate programs in each town. Indoor and outdoor exhibits open at 10 a.m., and the film program starts at 1 p.m. Refreshments will be served and door prizes given away, sponsors say.
After slow start, Lakers are District champs!

August Schipul purchased a second-hand watchmaking machine for $90.00. A watchmaker is now behind the counter of the Walker & Son. One of the new machines which will be installed is a precision watch engine. The machine is equipped with various attachments which will enable the watchmaker to repair watches and clocks. A second-hand machine has been acquired to increase the facilities of the business. The machine is located in the back of the store.

Lady Lakers double up on championships

By AMY HEIDEN

Not to be outdone by the Duke Blue Devils basketball team, on Saturday, the Lady Lakers went all the way to the state basketball tournament in Richmond. The team peaked at just the right time and beat the Gladiators of Highland High School with a 42-20 record. The win came with less than 30 seconds on the clock. The Lakers followed up their win with another win over the Lakeview Spartans, 51-31, and the Lakers faced the King Kongs of King Middle School and the Fighting Irish of the Penguins. The Lakers defeated Mansfield and Hurley Beach.

The Lady Lakers put the first six points on the board for the Lakers in the first quarter. Tommy Smith, a guard/forward player, shot the ball with authority and made it, and the Lakers put one more on the scoreboard and then put one on and then made the game with the last two points.

Beginning the game, the Lakers scored in an early lead in the second quarter, but Tommy Smith kept the Lakers in the game. With eight straight points, the Lady Lakers led by four points in the third quarter and then got the ball to the basket for the win.

Tommy Smith had twenty points and six assists in the victory, while Roselle had eight. Cousin Callie led the way with 12 points, and Laura had four.

Laker Coach Bob Frier, in his first year as leader of the team, said that making the team will work hard. They will work hard to make the team. They will work together and give it their all.

The Lakers had given up a victory to USA earlier in the season, but this time the Lakers had the edge. "The first time we played them, we played awesome ball," Frier said. "This time, what we did to them really didn't make sense to them."

The Lakers played well and shot the ball well. They made their shots and continued to make their shots. The Lady Lakers went on to win the game, 51-31, and will play against the Gladiators of Highland High School.

The Lakers are slowly making their way to the top of the state, and every game they play is going to be a challenge. "We have a lot of work to do," Frier said. "But I love these kids, I love being a Laker."
