Junior High football set next year at Lakers

By AMY HEIDEN

Seventh and eighth grade students at Laker Junior High School will get the chance to play football in the coming year, after a junior high football program was approved by the Elkton - Pigeon - Bay Port School Board Monday. The Laker Board also stipulated no kick-off or punt return plays be allowed in the JH games.

The Board's Athletic Committee, comprised of Sid Smith, Jim Clabuesch and Paul Clabuesch, recommended the approval following a study completed by Board member Dr. Richard Lockard. That study from available literature showed 63% of JH football injuries occurred during kick-offs and punt returns.

"Pre-pubescent boys play differently than post-pubescent boys," Dr. Lockard told the Board Monday. "The main goal of the younger boys is simply to bring down their opponent. The goal of the older boys is to stop any forward movement and bring the player down."

"That's where you get a lot of players grabbing another by the arm and swinging a guy around," he said.

Supt. Robert Drury said he is in agreement with the Board's approval.

"I think the place to offer football is in school, where we have the facilities, the equipment and the insurance to cover injuries," the former athletic director said. "This will be a builder program to the varsity program, so the coaches will work in harmony," Drury said.

LAND VALUES UP: Drury released figures from the Huron County Equalization Dept. showing a 3.11% increase in State Equalized Valuations in the district (as reported in The Progress-Advance Feb. 22, 1989).

One of the biggest increases is shown in Caseville Township, where SEVs have risen 6.62%. Lake Township also shows an increase, up 5.87% from last year.

The value of all land in the Laker District increased by nearly \$4.6 million, from \$147 million last year to over

\$152 million with the new SEV figures. This means the District will receive more than \$133,000 additional with next year's tax collections than was expected.

ASBESTOS CLEAN-UP: The Board also agreed to seek bids on asbestos removal, to be formally approved at the June meeting. Cost of the removal is expected to exceed \$100,000, officials say. DeLisle and Associates of Lansing, the firm which has drawn up the District's removal plan, has completed bid specifications and will seek bids from its list of contractors and public firms.

The bids are broken down into three areas of asbestos removal:

- from the boiler room at Elkton Elementary;
- from the high school auditorium, and
- asbestos removal from all district buildings, excluding floor tile.

Work on the federally-mandated removal should begin in early July and will be completed before school opens in the fall.

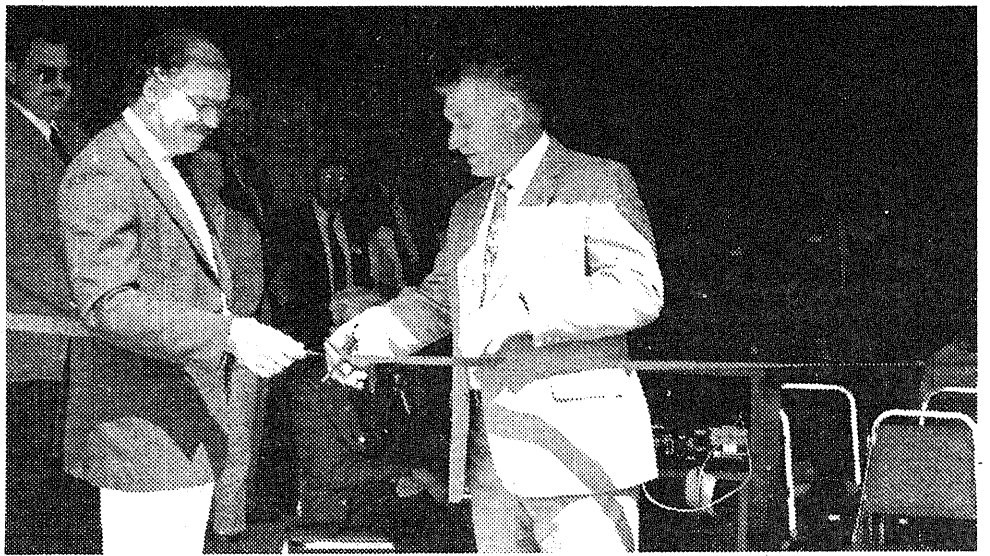

COMPUTER SMARTS: Beginning with the 1989-90's eighth grade class (Class of 1994), prospective graduates will be required to complete a course in computer literacy, which introduces them to computers, or wait until entering high school to study either computer applications or programming.

Currently, 22.5 credits are required for graduation, with 11 in required courses.

SPEAKER: Laker Secondary School Principal Craig Douglas announced that Cathy Kretzschmer Riesterer will be speaker at Commencement Exercises on Sunday, May 28. Riesterer, an Ann Arbor attorney, is a 1980 Laker graduate.

"We hope this is the beginning of a tradition here," Douglas said, "of having graduates come back to give commencement speeches."

BETTY K. RETIRING: The Board accepted the resignation of custodial matron Betty Komonowski, who has been with the district 24 years. She will retire at the end of the school year.

RIBBON CUTTING: Caseville Mayor Frank Malosky, right, gets assistance from St. Roch Catholic Church's Fr. Rich Meyette in cutting the red ribbon officially opening Caseville's water treatment plant Saturday.

About 70 persons attended the brief ceremonies, and viewed the plant in operation on tours led by Caseville DPW Supt. Bob Peter.

The system intakes lake water off the Caseville County Park through a 12-inch main, cleans the water and sends it through the village's new water distribution system to every address in town.

MORE WATER INFORMATION INSIDE

Pigeon trash rates to double

Trash pick-up and disposal costs will more than double for Pigeon residents beginning June 1, as the Thumb Area's continuing problems with waste disposal hit local folks in the pocketbook.

Pigeon Village Council Monday night accepted the bid of Cove Sanitation of Bad

Axe for weekly trash disposal at a monthly charge of \$6 for June through November, and then \$6.25 monthly for the months December to June, 1990. That's up from the present \$3.05 monthly figure which has been in force the past three years, according to Village Supt. Janet Heckman.

The Cove bid was lower than that of Gateway Sanitation of Almont, at \$6.30 for the 13-month contract. No firm would give bids longer than one year, as state officials have closed several solid waste landfills in mid-Michigan during the past eight months, driving up disposal costs.

So, Pigeon residents will be billed \$18.50 (including 50-cent billing charge) quarterly, up from \$9.65 currently.

DRUG, CRIME FIGHTING: Council approved allocation of \$3,000 to join the Thumb Narcotics Unit, a regional drug-fighting agency. Winsor Township last week agreed to fund the new police unit with a similar \$3,000 grant.

Pigeon Council also voted to enter the reciprocal law enforcement aid agreement being formulated among all Huron County police agencies, as recommended by County Prosecutor Karl Kraus. Supt. Heckman says the agreement will mean

more and better cooperation among area police.

DRAIN CLEANING: Council began the procedure to clean the Jacobs Drain, located between M-142 and Sturm Road south of Pigeon, after discussing blockage problems with Vern Rounds of the Huron County Drain Commission. Property owners will be petitioned to help pay for the cleaning, as needed. Actual work isn't expected to start for at least two years, due to backup of such requests to the county, Rounds said.

OTHER BIZ: Pigeon Council also accepted the lone bid of \$7,810 from Thumb Truck Equipment of Pigeon, to place the truck box on the new 1989 Chevy truck purchased by Pigeon DPW. The cost includes removal of the old equipment. That single-axle truck, purchased by bid from McCormick Motors of Pigeon, cost \$19,362.

■ Thumb Truck also was the accepted bid to purchase two new tarps for that truck, at a cost of \$1,799.

■ Council also accepted the \$100 bid from Steve Tenant of Pigeon to purchase the old DPW pickup. Tenant also was accepted bidder of \$50 to tear down and remove the old pump building on the DPW property on N. Main Street.

DREAM DATE: Laker High student Michelle Anklam and her date, Matt Sarcheck of Walled Lake, step into the fancy interior of this limousine, donated for their prom at Laker High last Friday night. Michelle was the winner of the limo for the night, donated by Gettel Motors of Sebawaing, plus two dinners at Greenfields Restaurant, because her name was drawn in the Scheurer Hospital Auxiliary Raffle on April 21. Matt is the grandson of Bob and Frankie Armbruster of Pigeon.

Auxiliary members are stepping up their fund-raising efforts to earn more money for Hospital equipment.

Jane Bush-Clabuesch makes a case for baskets!

By AMY HEIDEN
Arts and crafts have always been a favorite hobby of Jane Bush-Clabuesch, and now she's turning that hobby into a business.

Not a profit-making business initially, she admits, but one that she really enjoys. "Pastels" is the name of Clabuesch's fledgling business, and customized gift baskets are the specialties.

LONG-TIME: Clabuesch has always loved crafts, she says. "When my children were young, I did a lot of volunteer work. When people found out I like to do arts and crafts,

"I usually was put in charge of arts and crafts activities," she laughs. Friends and relatives were recipients of her gift baskets which included several small, novel gift items cleverly arranged.

Clabuesch moved to Pigeon after her marriage to Probate Court Judge David Clabuesch, and found small town life much different than in a large city such as Lansing, where she had been living and working.

"I really love it here. I think it's one of the nicest places to bring up children," Clabuesch says.

Previously an administra-

tive assistant to the program director at Lansing Community College, she looked for jobs in the area but found she was either over or under qualified.

HER OWN BOSS! So, after talking with her mother, who owns her own business, Clabuesch decided to go into business for herself and work from her home.

"My schedule fits in well with my husband's," she says. At first, she made up Easter baskets with toys and books for children and mentioned to her friends that they were for sale.

Soon, word-of-mouth advertising brought Clabuesch

Ms. Bush-Clabuesch doing basket work she likes best

a few more orders for showers and birthdays.

"I started out with \$20, and bought what I needed for the basket. I sold that one so I could make another.

"This business is going to go on its own. I want it to eventually pay for itself instead of borrowing the money to buy a lot of inventory."

CREATIVITY: Clabuesch uses many different styles of baskets for her designs, and fills them with items she believes the intended recipient will like.

"If it's going to a golfer, for instance, I might add some golf balls, a brass tee, maybe

a sun visor. The main thing is the packaging. I like pretty things, and I like for the baskets to be pretty. I keep fussing with a basket until I think it's arranged just perfectly. David says I'm a perfectionist, and maybe I am. But I want it to be just right."

Most of the items in her baskets have been bought locally, Clabuesch says, and she'll pick up small gifts in stores that she visits, just to have them on hand.

She'll even ship a basket anywhere in the country for a customer, she says, and will deliver anywhere in the

county and as far away as Caro.

SPECIAL SERVICE: "I like to call it a personalized shopping service. I can make baskets for any holiday, showers, graduations, get well wishes, Mother's Day, Father's Day, any occasion. I just need an idea of the interests of the person it's going to," she says.

A children's clothing and toy shop in Battle Creek sells her gift baskets, she says, and she hopes to expand her business to other shops.

"I'm having so much fun doing this. I really love it. I want these to be pretty, novel, and affordable."

Julee Leipprandt Recital Sunday

Julee Leipprandt of Pigeon will perform her Senior Piano Recital this Sunday, May 14 at 4 p.m. at the First United Methodist Church, Pigeon.

The public is invited to hear her perform the music of Bach, Mozart, Schumann, Brahms, Chopin, Debussy and William Schumann.

A student of piano teacher Pamela Dubey of Pigeon, Leipprandt also studied her junior year with Dr. Benjamin Yu at Interlochen Arts Academy.

She's the daughter of Chuck and Doris Leipprandt of Pigeon and is Valedictorian of the 1989 Laker High School Graduating Class.

Elkton UM Preschool takes applications

The Elkton United Methodist Preschool is accepting registrations for the 1989-90 school year, now through August.

Four and five year olds are welcome to attend either the two or three-day weekly sessions.

For more information, contact Debi Ackerman at 375-4348 or the church ofice at 375-4113.

Bikers help St. Jude Children's Hospital

Nearly a dozen Pigeon area youngsters pedaled plenty of miles around the Laker school complex parking lot Saturday afternoon, to help raise funds for St. Jude Children's Research Hospital, as part of the annual St. Jude Bike-a-thon. It was a cold day, but the thoughts of helping others kept us all warm, according to organizer Arlene Gingrich, above right.

Several hundred dollars were raised in the effort. Don Erla Foods donated refreshments for the bikers, and Pigeon IGA Foodliner contributed a skateboard, won by Sarah Dietzel.

ALL THE NEWS THAT FITS

It's a Print EXTRA! - 30 - Truth, justice and Pica Stop the presses! Slug Notebook Now is the time for AP Style

OBSERVATIONS BY CO-PUBLISHER MARK RUMMEL AND ANYBODY ELSE HE CAN GET TO WRITE 'EM!

GREAT IDEAS START SMALL -- Longtime nice guy Wes Murdock found a 1914 issue of the old Pigeon Progress (obviously our ancestor paper, prior to the 1956 merger of The Elkton Advance and The Pigeon Progress into The Progress-Advance). Wes noticed an ad for Pigeon Lumber Company, and figured longtime nice guy (and Pigeon Lumber Manager) Don Dast would like to see it.

One thing led to another, and Don decided to update the ad to show that Pigeon Lumber is STILL around 75 years later, and wanted to show all the new things available, too.

What resulted was the nice-looking ad you'll see on Page 9 and it's a great reason for the local area's 91-year-old newspaper to salute its 75-year-old fellow "wood-user," the local lumber company!

GREAT SMELLS -- Spring time is a wonderful time for our noses. There's nothing quite as delightful as the smell of newly-mowed grass, or hamburgers (or steaks!) just ready to burn on a hot grill (although some of us like rare ones better). It's special to feel that warm sun on your face, or to take a springtime walk, and nearly all those sights/sounds are free!

FAMILY HISTORY -- A friend of ours always takes pictures of his family in front of each new (or used) car they purchase. It may sound corny, but the pictures help recall special vacations, memorable incidents -- and chart each child's growth, too.

At the Rummel Ranch, for instance, we've got three scrapbooks: one for our family, plus one each for eight-year-old Sarah and almost-five Andrew. We try to get three copies of good pictures, so each of us has one in the book we'll keep.

It reminds me somewhat of my Aunt Erma Rummel in Sebewaing. For years, she'd make tape recordings of her kids' birthdays, or bible verses they'd say at pageants or other "speeches." It's fun to listen back to "how we were."

Today, of course, many folks record family memories on video cameras. Those are great, too -- and there's no better time than now to capture how we are today...

WISH I'D SAID THAT -- "Anticipating is even more fun than recollecting!" (Malcolm Forbes, Sr.)

Elkton Council accepts and rejects bids

By AMY HEIDEN

Long journeys are made of many small steps, and a small step toward the establishment of a county Youth Center was taken by the Elkton Village Council.

Council last Tuesday approved a bid of \$6,843 from H & H Roofing of Elkton for a rubber membrane roof for the old Credit Union building on Main Street.

YOUTH PROGRESS: Previously, village officials had offered the use of the building to the Huron Youth Advisory Board rent-free for two years, along with \$17,000 in funds for repairs.

Councilman George Willoughby, who is also Chairman of the Youth Board, said that the board had accepted the village's offer of the building, and the next step would be to work out a lease agreement.

BID REJECTED: The council rejected a bid from Woodside Motors in Long Island City, New York for the village's old police car. Officials say the bid was too low, and they will advertise the vehicle again before deciding its fate.

No bids were received for the village's 1974 sewer truck, but officials said that most villages who might be interested in the truck would need at least a month to take the purchase up with their councils.

MORE BIDS: Bids are being sought to replace four new fire hydrants and install one new one in the village. Curb and gutter work in Ackerman Park will also be bid out.

President Elmer Ropp read a letter of resignation from Department of Public Works employee Glen Iddings, announcing his intention to retire July 21. No decision on a replacement for Iddings has been made.

Summer recreation in the village will run from June 19 through August 4, officials said. Two applications for summer recreation director were received, but they were referred to the Parks and Recreation committee for interviews.

SUGAR BEET CROP NEEDS RAIN
The 1989 sugar beet crop is 100% planted and about 10% of the young plants are up, according to Richard Jacoby, agriculture manager for the Sebewaing Plant of the Michigan Sugar Company.

Planted are 28,000 acres, Jacoby said, a 600-acre increase over the 1988 planting of 27,400 acres.

"Now if we had a nice couple of inches of rain we'd really be happy," Jacoby stated.

Then he added, "Even one inch would be appreciated greatly."

COURT PROCEEDINGS

In 73rd District Court, First Division (Huron County), Judge John Schubel last week heard the pleas of or passed judgment on:

■ Kenneth M. Sattler, 35 of Unionville, pled guilty to drunken driving, second offense; ordered to serve five days in the Huron County Jail, pay \$650 fines and costs and loses driver's license for 90 days;

■ Jerry L. King, 40 of Ferndale, pled guilty to impaired driving, following an April 15 incident in Caseville; \$450 fines and costs and loss of driver's license for 90 days;

■ David E. Wilson, 21 of Cass City, pled guilty to impaired driving, following an April 23 incident in Winsor Township; \$450 fines and costs and loss of driver's license for 90 days;

■ Troy R. Senter, 25 of Caseville, pled guilty to arson, \$50 damage or less, following a March 30 incident involving a building on N. Main Street, Elkton, investigated by Elkton Police; \$200 fines and costs and ordered to pay restitution of \$25;

■ Larry L. Rayl, 29 of Sebewaing, pled guilty to retail fraud, \$100 or less, following a March 27 incident at a Sebewaing store investigated by Sebewaing Police; \$100 fines and costs and ordered to make restitution of \$12.49;

■ Thomas B. Delater, 27 of Oxford, pled guilty to driving with license suspended, following a June, 1988 incident in Lake Township investigated by Michigan State Police; \$100 fines and costs;

■ Donald L. Plonta, 32 of Elkton, guilty of being a disorderly person, trespassing, and disorderly while intoxicated, following several recent incidents; sentenced to one term of 30 days in jail and two terms of 90 days each, to be served concurrently;

■ Robert J. Bieri, 65 of Pigeon, pled guilty to impaired driving; \$450 fines and costs and loss of driver's license for 90 days;

■ Daniel L. Hills, 32 of Fairgrove, pled guilty to impaired driving; \$450 fines and costs and loss of driver's license for 90 days;

■ Scott Benda, 20 of Caseville, guilty of driving with suspended license; \$150 fines and costs;

■ Jeffrey W. Muether, 18 of Bay Port, guilty of driving with suspended license; \$150 fines and costs, and

■ Christine Ondrajka, 25 of Sebewaing, guilty of issuing non-sufficient funds check; \$50 fine and ordered to make restitution of \$60.

In 52nd Circuit Court (Huron County), Judge M. Richard Knoblock recently heard the pleas of or passed sentence on:
■ John M. Hill, 21 of Sebewaing, was sentenced to 120 days in jail and given three years' probation, following his conviction of larceny in a building, following a November, 1986 incident in Sebewaing Township investigated by Huron County Sheriff's Deputies. Hill was also ordered to pay \$200 fines and costs and to make restitution for damages;

■ James F. Miller II, 22 of Bay Port, was sentenced to 60 days in jail on a single charge of probation violation, following a 1985 conviction of issuing non-sufficient fund checks. He had been placed on probation four years ago for issuing \$2143 in bad checks, but had only paid about \$60 of that amount of restitution. Also, the court reported, Miller had been arrested on a drunk driving charge in April, and

■ Gary M. Rathje, 21 of Elkton, was sentenced to 260 days in jail for probation violation, following a July, 1986 conviction for receiving more than \$100 under false pretenses. At the time, he was ordered to make \$1,200 in restitution, but has paid less than \$100 in that time, court records show. He has also been arrested on various other charges, they indicate.

LIFE SENTENCE FOR OSTERHOUT
Stephen A. Osterhout, 17 of Sebewaing, was sentenced last week to life in prison with no chance for parole, in solitary confinement and at hard labor, following his first-degree murder conviction in the April, 1988 shooting death of Dean E. Lyons of Cheboygan.

46th Circuit Judge Alton Davis of Gaylord called the murder a senseless act, saying the only thing the court could do is impose the mandatory sentence.

Lyons' body was found April 12, 1988 along I-75 in Otsego County. He had been shot in the head and his car and wallet were missing. Osterhout, who had run away from his Sebewaing home earlier, was apprehended in Clare County, at his grandparents' home.

Continued from Page 3

FIRST NATIONAL RE-ELECTS

When First of Huron Corporation, parent company of First National Bank of Bad Axe, held its annual meeting last Monday, Chief Executive Officer Thomas G. Ouellette told shareholders the corporation saw a 63.1% increase in earnings and a 10.4% increase in total assets over 1987.

In reviewing the bank's financial statement, Ouellette said that a 1% return on average assets was accomplished in 1988. He also discussed the success of community banks, stating that although experts predicted their demise, events enabled community banks not only to survive, but also to prosper. He listed such events as consolidation of thrifts, write-offs of huge Third World debts and the mini-crash of 1987.

LEADERS NAMED: Shareholders reelected 9 members to the corporation board—Donald A. Bollstetter, Richard L. Gremel, Thomas P. Collon, Warren S. Eilber, Samuel J. Murray, Phillip J. Neeb, Ouellette, Ernest E. Paulick and Charles H. Todd. Board members were introduced by Board Chairman Neeb.

Officers reappointed were Neeb chairman, Ouellette chief executive officer, Paulick executive vice-president and John R. Booms, first vice-president, controller and cashier.

25¢ DIVIDEND PAID: A cash dividend of 25c per share will be paid on May 15 to all First National shareholders of record on April 28, according to an announcement by CEO Ouellette.

First of Huron Corporation is a one-bank holding company and its subsidiary, First National Bank of Bad Axe, have \$79 million in assets. There offices are in Bad Axe, Sebawaing and Harbor Beach.

S.H.A.R.P. TO CUT ACCIDENTS

Police agencies along the M-53 corridor are working together this summer to reduce traffic accidents by increasing patrols along the busy highway, in the S.H.A.R.P. effort—Sanilac - Huron Accident Reduction Program.

Huron County Sheriff Mike Gage says additional patrols will be placed along M-53 starting this Friday through September, from Port Austin to Lapeer County during peak traffic hours. His department gets about \$10,000 in additional state funds to add 200 patrol hours, while Bad Axe Post Commander Lt. Lee McDowell of the Michigan State Police says his post's \$2000 grant will provide nearly 70 additional patrol hours, when matched with local funds.

Motorists will be cited for excess speed, unsafe passing and other violations, the officials say.

UNION FOR ROAD COMMISSION

By a 27-22 margin, Huron County Road Commission workers approved representation by the American Federation of State, County and Municipal Employees.

The unionization effort, to be certified in coming weeks by the state Labor Relations Board, marks the first time the 50-member work force has been represented by a national union. The current three-year contract with the workers expires June 30.

GRANT TO VOTE JULY 11

A special election for voters in Grant Township will be conducted Tuesday, July 11, to decide two proposals, according to Huron County Clerk Helen Lemanski.

The first proposal sees renewal of two mills for three years for road maintenance and dust control. A separate new request is for one mill for three years for roads and dust control.

FREE BOAT CHECK-UPS SATURDAY

Free Boat Safety Inspections will be conducted from 1-4:30 Saturday, May 13, in Caseville, by U.S. Coast Guard Auxiliary, Flotilla 15-7, according to Glenn J. Faist, Elkton, captain of Division XV. In case of rain on May 13, the rain date will be Sunday, May 14, same time, same place.

Safety examinations will be conducted in the parking lot of First of America Bank parking lot in Caseville.

"Start your boating season knowing that you are equipped properly," Captain Faist urges.

There is no cost for the inspection, as it is a service by the Auxiliary, which is a civilian component of the U.S. Coast Guard.

What REALLY is cholesterol?

Cholesterol is a fatty substance found in animal tissue. Primary sources of cholesterol in the American diet are fatty meats, egg yolks, and whole milk dairy products. Cholesterol is essential for certain body processes, but the amount the body manufactures is sufficient for these needs. The bloodstream are associated with a higher risk of heart disease and stroke. This risk can be reduced by adopting an eating pattern moderate in cholesterol-containing foods and saturated (animal) fats that can increase the cholesterol level in the blood. Contact your local American Heart Association for more information.

It was true in 1914 and... ...it's still true now, in 1989!

ALL ROADS Lead to our Lumber Yard

Some roads are better than others but there is **No Better Lumber** than ours; that's why they come from all directions, travel all roads to get here. We are looking for you.

Something To Think About

JOHN A. CHAMPAGNE
— DIRECTOR —

REMOVAL

While it is always best to plan ahead, this is not always the case. Death frequently occurs at a point when the survivors have no idea what course to follow.

The first decision that must be made, and in many ways the most important one, concerns whom to call when death occurs. If the remains or certain organs have been willed or donated to a medical school, organ bank, or similar facility, the organization involved should be contacted immediately upon death. Timely removal of donated organs is crucial if they are to be useful to others.

If donation is not the disposition of choice, you may need some time to make the basic decisions about arrangements. The best route to follow would be to call the funeral home of your choice back home. They will be able to handle most if not all of the necessary details for you. Whether you are 50 miles or 500 miles from home your local funeral director will be there to help.

Scenic notes

Tuesday's cool weather on May 2 didn't deter too many

golfers as the Ladies Division started their season at Scenic Golf and Country Club.

"Bingo, Bango" was the Play for the Day and the winners were: Jeanette Rowe, championship flight; Joann Christner, first flight; Eunice Binder, second flight and a tie between Helen Trailer and Gail Ellis, third flight.

The first birdie of the season was registered by Helen Trailer on hole #8.

Several tables of cards were at play in the afternoon.

An organizational meeting for the Wednesday a.m. Swingers Ladies League will be held Wednesday, May 17 at 9 a.m. at the clubhouse. Participants are asked to please attend.

Golden Anniversaries

Mr. and Mrs. Clarence Lutz

Friends and family of Mr. and Mrs. Clarence Lutz of 9660 West Kilmanagh Road, Sebawaing, are invited to attend an open house in their honor from 2-5 p.m., Sunday, May 14, in St. John's Lutheran Church basement, Kilmanagh, on the occasion of their 50th Wedding Anniversary. No gifts, please.

Hosting the event will be the couple's son and daughter-in-law, Ronald and Arloia Lutz of Sebawaing, and their daughter and son-in-law, Marilyn and Bruce Baur of Bay Port. The Lutzes have 6 grandchildren who will join their parents as hosts.

Clarence Lutz and the former Luella Nitz were married by Rev. Arthur A. Hahn on May 14, 1939, in the parsonage of St. Peter Lutheran Church, Bach. Attendants for the bridal couple were Edna (Nitz) Irer and Edna (Schilling) Lutz, Raymond Hofmeister (dec) and Arnold Lutz (dec.)

Mr. and Mrs. Walton Brown

Walton and Marion Brown of Sebawaing recently celebrated their 40th wedding anniversary with a reception hosted by their children at Greenfields Restaurant and Pub, Pigeon.

Walton Brown and the former Marion Schweitzer were married on April 30, 1949, at St. Paul Lutheran Church, Linkville.

The couple has 3 children: Kim of Columbiaville, Lee of Prescott and Beth of Temple, TX. Their family also includes 5 grandchildren.

Former residents help entertain

Dick and Bob Watterworth, sons of Fred and Marion Watterworth of Caseville, will be among the performers who sing with the Detroit Edison Glee Club, when they sing on Saturday, May 20 at 7:30 p.m. at St. Roch Catholic Church, Caseville. Sponsors of the program will be the Caseville Area Enrichment Group.

Seven keys to successful investing

By **PATRICK ESSIAN**

Everyone wants a magic formula to get rich. Although there is none, most successful investors find that following some basic guidelines generally aim them in the proper direction.

1) SET OBJECTIVES: If you don't know where you're going, you may not get there. When you know your goal and how long you have to get there, the chance of achieving that goal is greatly enhanced. Individual goals,

such as owning your own business, educating your children or retiring at age 50, are very personal. Objectives change with time and lifestyles. Be flexible, but always have a financial objective in mind.

2) KEEP LEARNING: Investments are always changing. Legislative changes make some investments obsolete, while competition for your money introduces some exciting new opportunities. There's a wealth of investment information available through newspapers, financial publications, books, TV and more. Learning is a lifetime project, and you must keep learning to keep current.

3) TAKE CHARGE: Seek out and select one or more trusted advisers. Your attorney, accountant or broker is a source of valuable information and advice, but the ultimate decision and responsibility is yours. Don't act blindly. Listen and compare the advice you receive with what you've learned. Then make your own decisions.

4) BE PATIENT: One situation many people try to create is urgency — do it now or you could miss this opportunity. Don't be pressured. Good investments are usually long-term. They require patience. Seldom is an opportunity so rare that there will never be another like it.

5) START AN INVESTING HABIT: The best way to accumulate wealth is to establish a regular investing program. Bonanzas are hard to hit and impossible to plan. Monthly deposits dedicated to selected investments not only offer the benefits of dollar-cost averaging but also accumulate money in small

amounts that might otherwise be lost to needless spending.

6) MONITOR YOUR INVESTMENTS: Investments aren't stagnant deposits made in hope that one day they'll answer all your problems. At least twice each year you should review your progress. Are your goals the same? Are you on schedule

to meet those goals? Are your investments progressing as planned? Does your insurance meet your current and future needs? A successful investment plan demands attention.

7) ENJOY YOUR INVESTMENTS: Some individuals spend their entire lives accumulating wealth only to die without enjoying any of

it. Once you reach your goal, enjoy it, set another goal and begin again. Money itself is worthless. Its value is in the goods and services for which it can be exchanged.

PATRICK ESSIAN is a financial advisor with the New York Stock Exchange-member firm of Edward D. Jones & Co. He is based at the firm's Bad Axe office, 840 S. Van Dyke, phone 269-9786.

Basketball action coming June 23-25 at Sugar Festival

SEBEWAING—In this Silver Anniversary Michigan Sugar Festival, set for Friday-Sunday, June 23-25, a completely new athletic dimension—a 3-on-3 Basketball Tournament—will be offered.

There will be 6 divisions, with up to 16 teams in each division—which means as many as 96 teams participating—on Saturday and Sunday, June 24-25, said Duane Lange of Sebawaing, who is chairman of the event.

"This is the first time that 3-on-3 Basketball is planned for this kind of event, and we're inviting everyone in the area to either register a team or to attend the competitions", Lange said.

In registering, each team must have 4 players and they'll receive trophies or medals, and every contestant will receive a T-shirt, Lange explained.

Registration fee for the 4-man team is \$40, and must be in by June 1. All teams are guaranteed 3 games, Lange added.

The 6 Divisions are listed as follows: Junior Division for 6th Graders and under; Senior Division for 7th-8th Graders; Amateur Division for 9th-12th Graders; Semi-Pro, 19-29 years and 6-feet tall or under; Semi-Pro, 19-29 years in open class, and Pro for 30 years and over.

"We'll welcome teams from all parts of the Thumb", said Festival Co-Chairman Joyce Jahr, "because this is a sport that's really been attracting lots of players and viewers. We invite teams from all of our neighboring communities, to play in the 3-on-3 Saturday and Sunday, and to enjoy this our 25th anniversary Sugar Festival."

Anyone desiring entry forms or needing more information is asked to contact Duane Lange, 252 East Street, Sebawaing, 48759, or by calling him at 883-2087.

The Silver Anniversary Festival will include the traditional highlights of past years, including the Friday night crowning of the Michigan Sugar Queen, the "sweetest girl in the world", the Saturday afternoon parade, and the return of the popular Saturday night fireworks display.

There is no admission charge to the Park or downtown activities, Mrs. Jahr said, and we're looking for the 1989 Festival to be the biggest event in our 25-year history.

This week's PIGEON DISTRICT LIBRARY CORNER

BETA TAPES FOR SALE!

The Pigeon District Library plans to expand its VHS videotape offerings by selling the contents of the BETA tape collection at a special sale set for Thursday, May 18 at 7 p.m. sharp at the library.

Tapes will be sold for \$5.00 per tape or set. Each patron will draw a number for the starting line and stay in this proper order, taking a choice of one videotape at a time.

There will be no limit on tapes purchases. Tapes will be sold "as is," so persons who are interested in a particular tape may want to check it out in advance to be sure of its condition. Anyone with questions may contact librarian Naomi Jantzi at 453-2341.

PRESCHOOL STORY HOUR

"Space" stories will be the theme of the May 16 Preschool Story Hour, featuring the stories "Meteor," "The Moon Came Too" and "Maggie's Moon."

Exercises, a fingerplay and games will be part of the activities the children participate in.

Children from age three to five are invited to attend either the 9 or 10:30 a.m. sessions. A registration fee

is required per family, per year.

CIRCULATION

Circulation was up for the month of April, 1989, the total was 4,254 with 1,483 adult books, 672 junior adult, 1,295 children's, 77 toys, four 16mm films, 12 pieces of audiovisual equipment and 711 videocassettes.

The copier brought in \$264.30 and overdue fines charged for the month was \$151.12.

Four Preschool Story Hour sessions were conducted with 321 children in attendance. Eight children celebrate their birthday with a song and a crown: Christina Shaw, Kapil Kella, David Kuch, Amy Jarvis, Keith Scheles, David Reibling, Curt Walz and Meggan Danks.

Sixty-three new registrations for the month were: 10 from Caseville, eight from Chandler, four from Lake, 22 from Oliver, seven from Winsor, two each from Brookfield, Colfax and Dwight, one each from Fair Haven, Grant, McKinley, Meade, Sebawaing and outside the area townships.

WILDFIRE PREVENTION VIDEO

The Pigeon District Library has a video designed to help

homeowners make their property safer from wildfires.

The program discusses safe practices outside the home and offers tips on preventing damage as well as wildfires. There is also a checklist inside the cassette box to be used during an inspection.

This video was produced by the Michigan Interagency Wildfire Prevention group to help the wildfire/urban fire problems.

SUMMER READING REGISTRATION

A star-studded summer is planned for kindergartners through eighth graders at the Pigeon District Library.

"Reach for the Stars" is this year's state-wide theme for the Summer Reading Program. A sparkling array of six weekly programs and activities will be the highlight.

Registration will begin Saturday, May 27 through June 10. For more information, phone 453-2341.

BORROW TOYS

The toys available for lending at the library have been carefully selected to fit a child's interests and abilities. Some selections are available for every age up to five years.

They will help children try, experiment and learn by involving them in activities with a wider variety of toys than an individual home can provide.

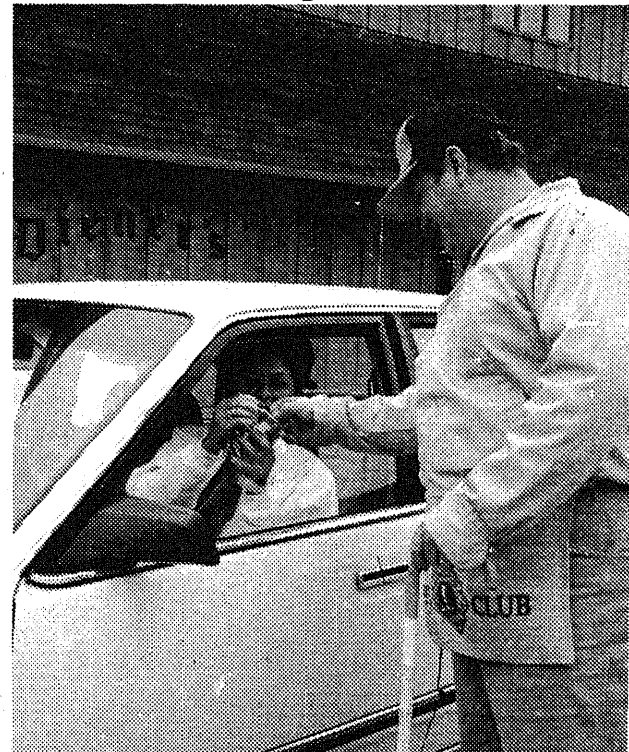

The experience of learning to enjoy borrowed materials and returning them to share with others will provide an excellent introduction to the library and encourage each child to use the library as a resource this his/her school hears and the rest of his/her life. A two-week check-out is available for these toys.

ADK honors teacher, student

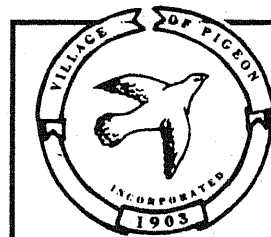

Twenty members and three guests of Alpha Delta Kappa Sorority for Women Educators, Beta Chi chapter, met April 23 at the Franklin Inn, Bad Axe for a dinner meeting to honor sorority sister Sue Herford, Huron County Teacher of the Year and Laker senior Chad Daniels, recipient of the chapter's scholarship for 1989.

Following dinner, the members conducted a sing-along for residents of the Huron Medical Care Facility, led by Barbara Adams, who accompanied the singers on the piano. Punch and cookies were served to all by Medical Care Facility staffer Rhonda Quinn.

Lions help the blind

COLLECTING FOR BLIND: "Welcome Home for the Blind," Leader Eye Dog Program and other Eye-Saving projects will receive funds from the White Cane Sale conducted last week by the Pigeon Lions Club members. HERE, Don Roesel gets a donation from a passerby. While final receipts are still being tallied, Lions members say about \$1,500 was donated during the event. Each person who made a cash donation received a "White Cane Card" showing they helped the cause.

WALK-INS WELCOME

— THANK YOU —
We wish to thank our families, neighbors and friends for the gifts, cards and for coming to our open house April 30, 1989 on our 50th wedding anniversary. The memory of this joyous time will always stay with us. Thanks also to Pastor Paul D. Schleis for his prayers on our 50th Anniversary.

*I Have Said It Before ...
"My Friends Are The Greatest"*
Also my daughter & son-in-law Peg & Jim Hartman. I reiterate; Unless one has gone through a hospital experience, one cannot appreciate the comfort and love that is shown with the beautiful cards, floral arrangements, visits, phone calls and later on at home, more of the same accompanied by scrumptuous foods. Also thanks to the hospital personnel of Huron Memorial including the therapy department for their very good care. Many thanks to all

IN HONOR OF MOTHER'S DAY
"She stretched out her hand to the poor, yeah, she reacheth forth her hands to the needy... she looketh, well to the ways of her household and eateth not the bread of idleness. Her children arise up, and call her blessed, her husband also, and he praiseth her."
(Proverbs 31)
Mrs. Mae Coote - Elkton
