Junior High football set next year at Lakers

By AMY HEDEN

Seventh and eighth grade students at Lake Junior High School will get the chance to play football this coming year, after a junior high football program was approved by the Elton - Pigeon - Bay Port School Board Monday. The program also stipulated no kick-off or punt return plays be allowed in the JV games.

The Board’s Athletic Committee, comprised of Sid Smith, Jim Clabbes and Paul Clabbes, recommended the approval following a study completed by athletic director Dr. Richard Lockhard. That study from available literature showed 63% of JV football injuries occurred during kick-offs and punt returns.

"Pre-pubescent boys play differently than post-pubescent boys," Dr. Lockhard told the Board Monday. "The fear of the younger boys is simply to bring down the ball instead of trying to do anything to stop it. The goal of the older boys is to stop any forward movement and bring the player down."

"Where you get a lot of players grabbing each other by the arm and swinging a guy around," he said.

Supt. Robert Drury said he is in agreement with the Board’s approval.

"I think the plans to offer football in our school, where we have the facilities, the equipment and the insurance to cover injuries," the former athletic director said. "This will be a builder program to the varsity program, so the coaches will work in harmony."

LAND VALUES UP: Drury released figures from the Huron County Equalization Dept. showing a 3.11% increase in State Equalized Valuations in the district (as reported in The Progress-Ad

Pigeon trash rates to double

Trash pick-up and disposal costs will more than double for Pigeon residents beginning June 1, as the Thumb Area’s continuing problems with waste disposal hit local folks in the pocketbook. Pigeon Village Council Monday night accepted the bid of Cow Barn Sanitation of Bed- more and better cooperation among area police.

DRAIN CLEANSING: Council began the procedure to clean the Jacob’s Drain, located between M-142 and Sturm Road south of Pigeon, after discussing drainage problems with Vern Rounds of the Huron County Drain Commission. Property owners will be petitioned to help pay for the drainage, as needed. Actual work isn’t expected to start for at least two years, due to backup of such requests to the county, Rounds said.

OTHER BIZ: Pigeon Council also accepted the low bid of $5,769 from Thumb Truck Equipment of Pigeon, to place the truck box on the new 1989 Chevy truck purchased by Pigeon DPW. The truck includes removal of the old equipment. That single axle truck, purchased by bid from McCormick Motors of Pigeon, cost $19,362.

Julee Leippard Recital Sunday

Julee Leippard and her Senior Piano Recital the Sunday, May 14 at 4:00 at the First United Methodist Church, Pigeon.

The program features music of Bach, Beethoven, Chopin, Debussy and Williams Steckum.

A student of piano teacher Pamela Dobos of Pigeon, Leippard also studied this year under Dr. Benjamin Yu and Chrom. She has been a student at the Tanglewood Music Center in Lenox, Mass.

She is the daughter of Chuck and Sally Leippard of Pigeon and is a senior at the Bad Axe High School.

Elkton UM Preschool takes applications

The Elkton United Methodist Preschool is accepting registrations for the 1989-1990 school year.

Four and five year olds are encouraged to apply for the program which is held two or three days weekly.

For more information, contact Barb Converse at 649-2469 or the church office at 649-2394.

Elkton Council accepts and rejects bids

By AMY NEIDEN

Long ago, computerized bidding was the way to go for all sorts of public projects. As times changed, so did the bidding process. This was the case when the Elkton Board of Education was receiving bids for the construction of the new elementary school.

The board received three bids for the school, with the lowest bid coming from Woodland Builders, Inc., of Port Huron. Woodland Builders, Inc., was the lowest bidder, with a bid of $386,000.

The board was pleased with the bid, as it was well below the board's budget. The board had set a budget of $400,000 for the school, and the bid from Woodland Builders, Inc., was well within that budget.

However, the board was not satisfied with the lowest bid. The board wanted to make sure that the school was being built with the best possible materials. For this reason, the board decided to reject the bid from Woodland Builders, Inc., and to go with a different contractor.

The board decided to go with the second lowest bid, which was from a local company. The board was pleased with the second lowest bid, as it was well within the board's budget and the contractor was a local company.

The board was pleased with the decision, as it was able to save money and still get the best possible materials for the school. The board was able to save money by not going with the lowest bid, as the contractor was able to offer a lower price for the same materials. The board was able to save money by going with a local company, as the company was able to offer a lower price for the same materials.

Basketball action coming June 23-25 at Sugar Festival

SEVENTH—To the Silver Anniversary anniversary of sugar festival, set for Friday-Saturday, June 23-25, a completely new athletic dimension—4-on-3 Basketball Tournament—will be added. The Sugar City Athletic Association has made arrangements with up to 18 teams in each division—which means as many as 90 teams participating on Saturday and Sunday, June 23-25, and Dennis Lange of Sugar Festival is in charge of the event.

This is the first time that both in basketball is planned for this kind of event, and we're very excited for the area to either create a team or to attend the competition," Lange explained.

Registration fee for the 4-on-3 team is $50, and entry is by June 1. All teams are guaranteed 3 games. Lange added, "The 4-on-3 Division is open to all area clubs, including non-sugar homes, and you can have no more than one team per city or county. A team must consist of a minimum of 10 players and a maximum of 18 players. The team can have any combination of age groups, from 12 to 18 years old. There are also awards for the Most Valuable Player, Most Improved Player, and Best Dressed Player. The winner of the tournament will receive a trophy, and the runners-up will receive certificates. The tournament will be held at various locations throughout the area, and the dates will be announced soon. The organizing committee is looking forward to a great event and hopes to see many teams participate."

Flowers and Rehearsal Dinner

Friend and family of Mr. and Mrs. Clarence Lutz of 884 West Kilproorough Road, Seffington, are invited to attend an open house on their 40th wedding anniversary on Sunday, May 14, at 3 p.m. at their home. The event will feature entertainment by the Seffington Town Band, and refreshments will be served. The family asks that you bring a photo to share with others.

Seventy years to successful investing

By PATRICK ESKRAN Everyone wants a magic formula for successful investing. But there is none. Most successful investors have found that following some basic guidelines makes sense in the proper direction.

1) SET OBJECTIVES: If you don't know where you're going, you'll never know when you get there. When you know your goals and how you want to achieve them, the chance of achieving that goal is greatly enhanced. Individual goals, such as saving for your own business, reducing your income taxes, setting up a personal retirement plan, or buying a new home, will help you achieve the overall goal.

2) MONITOR YOUR INVESTMENTS: Investments aren't stagnant entities that sit in the bank. They grow and change with time and the economy. Be flexible, but stay with what works for you. The goal is to achieve a diversified and well-balanced portfolio.

3) LEARN A KEY TRADING: Learn the key trading techniques for your investment plan, and then monitor your investments on a regular basis. Be aware of any changes in the market that could affect your investments.

4) REVIEW YOUR INVESTMENTS: Review your investments regularly to ensure that they are still meeting your needs. Adjust your investment plan as necessary to stay on track.

5) STAY INFORMED: Keep yourself informed about the economy and stock market trends. By staying informed, you can make better investment decisions and protect your investments from any possible downturns.

This is the goal of a successful investment plan, and it's one that can be achieved with a little determination and effort.
Lions help the blind

CIRCULATION
Circulation was up for the month of April, 1999, for the Lions Club. The total for the month was 872 subscriptions.

PREVENTION VIDEO
Visit the Pigeon Library, they have a video designed to help homeowners make their property safer from wildfires.
