Caseville Harbor opens

Caseville Harbor's newly enlarged Municipal Dock and Riverside officially opens for business today (Wednesday, as the 68-slip facility has dedication ceremonies at 1 p.m.

Caseville Harbor Commission members invite the public to attend the brief dedication, to commemorate "the outstanding dedication that it is to Huron County," according to Harbor Commission Chairman Bud Lenkey.

The $1.8 million project was funded through the Wetterway Division, Michigan Department of Natural Resources Recreation Division and Michigan Land Trust.

"This is the Thumb Area's most wind-secured facility, and offers seasonal and short-term dockage plus all the comforts of home," he adds.

The boat slips are available on a daily or seasonal basis, and dockside telephone and cable TV hookups are available.

A nine-week raffle to kick off Summer in the Thumb is being planned by the Pigeon Chamber of Commerce. Chamber President Neal Eichler says the Summer Celebration Raffle $100 weekly drawings will begin Friday, June 2 with Grand Prize of two $500 winners, and a $100 winner drawn before the Grand Parade on Saturday, July 28 during the Farmer's Festival.

WHERE TO GET EM: Tickets will be available for sale this week at these mem-bers businesses:

"This is a fund-raiser for the Chamber," explains Eichler. "So many of the promotions we have in town benefit the business community and we need to have money to help promote Pigeon as a progressive place to do business."

He adds that weekly raffle drawings are also positive events for Pigeon.

EASY RULES: Winners need not be present at each drawing, and each week's drawing will be conducted at 1 p.m. Fridays at the Pigeon Village Hall.

Winning stubs will be re-entered in future drawings, and names will be published each week in The Progress Advance. Ticket holders must be 18 years of age or older.

Attend The Church Of Your Choice This Sunday

COMMENCEMENT IS NOT AN ENDING BUT A NEW BEGINNING

The chances are that you, someone in your family or some friend of yours will be graduating from high school or college this year. Therefore, you will either participate in or attend what they call the "commencement" exercises. This implies that graduation is the act of leaving school, not an end but a beginning. Whether you are a teenager or an adult anymore, you know that all of life is a learning experience, and that walking out of those halls of ivy for the last time merely means a transition from one school to another. Your House of Worship is a school, where you learn about life itself and the Creator who gave it to you and taught you how to live in the right way, and that its importance is not in length, but the quality and purpose that you give it.

The best educated human being is the one who understands most about the life he has placed.
