

UNITED IN MARRIAGE

LEMANSKI-REILLY

Colleen Marie Reilly, Port Austin and Thomas Michael Lemanski, Harbor Beach, were united in marriage on Saturday, Aug. 26 at St. Michael's Catholic Church, Port Austin.

The Rev. Robert Shine officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Dale D. Reilly,

Port Austin and the groom is the son of Mr. and Mrs. Norman Lemanski, Harbor Beach.

Music selections included "God, A Man and a Woman," "Glory and Praise To Our God," "We Praise You," "All I Ask Of You," "The Wedding Song" and "Sing to the Mountains."

Organist was Connie Baranski of Port Austin and organist/soloist was Marilyn Klee, Minden City.

The altar was decorated with two candelabrum, each having 15 lighted candles. Given in marriage by her parents, the bride wore a floor-length gown of white satin with a high lace-trimmed neckline and short lace-edged sleeves. The entire bodice was adorned with alencon lace medallions with pearl and sequin trim. The full skirt fell from a basque waist to a lace-edged hemline that encircled the full-chapel train. Her tiered silk veil was held by a headband of silk lily-of-the-valley and pearls.

The bride carried a contemporary cascading bouquet of bridal white roses, stephanotis and richly toned greens.

Jill (Kurkowski) Johnson, Hazel Park, friend of the bride, was matron of honor, wearing a tea-length gown of violet raschel lace with short sleeves and a cummerbund at the waistline.

Bridesmaids were Denean Lemanski of Harbor Beach, sister-in-law of the groom and Tina Lemanski of Deckerville, niece of the groom. They wore identical gowns, in an orchid shade and carried arm bouquets using clusters of purple iris, white alstromeria and yellow roses. Fresh fern and ivy greenery completed the bouquet.

Allen Kozfay of Harbor Beach, friend of the groom, was best man. Groomsmen were Allen Lemanski of

Harbor Beach, brother of the groom and Matt Reilly of Port Austin, brother of the bride. Ushers were Patrick Reilly of Elkton, brother of the bride and Brian Lemanski of Harbor Beach, brother of the groom.

The mother of the bride wore a light blue tea-length dress, while the groom's mother selected a pink lace tea-length dress. Both mothers wore corsages of fragrant stephanotis surrounded by

puffs of netting and baby's breath.

The bride's grandmother, Mrs. Anne Schultz of Port Hope, wore a two-piece turquoise street-length dress and a corsage of two blue and white carnations with greens and little pearls.

After the ceremony, a reception was conducted at the Franklin Inn, Bad Axe for 145 guests. After four days in Toronto, Canada, the couple will reside near Ruth.

VILLAGE OF PIGEON TAXPAYERS

UNITED IN MARRIAGE

THOMPSON-MAYES

Grosse Ile Presbyterian Church was the setting of

the vows which were recited between Brenda L. Mayes and R. Rickerd Thompson, both of Grosse Ile, on Friday, Aug. 4 at 6:30 p.m. Rev. Steven Melde joined

in marriage the children of Raymond and Lynn Mayes of Port Austin and Joseph P. and Barbara Thompson of Grosse Pointe Farms.

Garden bouquets of delphinium, snapdragons, roses, feverfew and bachelor buttons graced the altar and the wedding couple approached. Special wedding selections included "Hymn To Joy" by Beethoven, "Grand March" by Verdi, "The Four Seasons" by Vivaldi and "Water Music" by Handel.

Escorted to the altar on the arm of her father, the bride chose a gown of antique white satin, overlaid with re-embroidered lace embellished with seed pearls and beading which extended into the drop-waist skirt, sweeping into a short train.

Her headpiece was a wreath of braided pearls which held a fingertip veil of pearl-studded illusion. She carried a bouquet of pink roses, surrounded by antique lace and tulle with long, antique white streamers.

The bride asked her sister, Mrs. Andrew (Susan) Richner of Washington D.C. to be her matron of honor, attired in a tea-length polished cotton dress with a cream background and pink cabbage roses intertwined with ivy, featuring tulip sleeves. She carried a nosegay of pink roses, ivy, delphinium, feverfew, snapdragons and

bachelor buttons with long, pink satin streamers.

Also in the wedding party was bridesmaid Michelle Toth of Trenton, friend of the bride, whose dress and flowers were identical to the honor attendant's.

Standing up for the groom were Norman A. Merollis of Grosse Pointe and Timothy Ponta of Dearborn, both friends of the groom. Helping to seat the wedding guests were ushers Alan Mayes of Jackson and Paul Mayes of Washington D.C., twin brothers of the bride.

For her daughter's wedding, Mrs. Mayes chose a two-piece tea-length dress in a soft shell pink, made of damask and linen and adorned with silver swirl thread and pink pearls on the bodice and sleeves. She wore a gardenia wrist corsage.

The mother of the groom wore a crystal-pleated sheath of periwinkle blue with exaggerated puffed sleeves, adorned by a pearl necklace and white carnation.

The reception was a dinner dance at the Detroit Athletic Club, hosted by the bride's parents. Following a wedding trip to Dublin and County Kerry, Ireland, the new Mr. and Mrs. Thompson are living on Grosse Isle. The former Miss Mayes is an alumna of Port Austin High School and Michigan State University.

ate of Eastern Michigan University, is a Chrysler dealer in Southgate.

Engaged

Gayari - Green

Mr. and Mrs. Ronald Gayari of Owendale are pleased to announce the engagement of their daughter, Jennifer Jill, to Kevin Robert, son of Mr. and Mrs. Robert Green of Livonia. The bride-elect is a 1988 graduate of Central Michigan University and is employed as an elementary teacher with the Cass City School District. Kevin is employed by the Savin Corporation as a Marketing Executive. A June 9, 1990 wedding is being planned.

The Progress-Advance's LISTENING EAR

LISTENING EAR is an information and entertainment service of The Progress-Advance. If you have comments, questions or statements about topics of general interest, call or write us at Box 460, Pigeon, MI 48755. 453-2323 24 hours a day. Deadline: 8 p.m. each Sunday.

Laker Athletic Booster Club will meet Monday, Sept. 18 at 7:30 p.m. in the High School's student center. Any interested persons are welcomed to attend.

It upsets me to see all these ladies on Social Services having all these babies. It's not fair to the children or us taxpayers.

Thank you for the chance to see where my Daddy works on the line. I liked the free cookies and pop, too.

This drug war won't work until friends stop friends from using them. I've seen cocaine used here, right here, so don't think it is just someone else's problem someplace else. It's not.

As a parent of a Junior Varsity football player, I am very upset there's absolutely nothing in the paper once again about the JV football team. How about a small write-up or a picture or something? Those kids work hard. I believe they deserve the same recognition the varsity gets.

Don't forget the Harvest Supper at Owendale RLDS Church, five miles south of Elkton, on Sept. 15. We went last year and they had great food, ham and turkey with all the trimmings, plus homemade pies.

What is a parade without a band? We were proud of the Laker Band in Frankemuth, Pigeon, Sebe-

waing and Bay Port parades. They performed so well. Why weren't they in the Elkton Parade? An explanation please.

I get so tired of listening to the Democrats always oppose the President, no matter what he says. How can anyone be against drugs? Of course, you can always count on the Republicans to back whatever he's saying, so they are no better.

Al Kaline was the greatest Tiger of them all.

I agree about all these roads. They say "Local traffic only" but don't show you any detours. This is bad for tourists, like on Caseville Road.

Ty Cobb was the greatest Tiger of the first half-century. Kirk Gibson was for the second part.

Why do you have so many pictures of rabbit winners, and not many of any others?

(From an editor's point of view, the rabbit folks were better organized and turned in more pictures and stories to us...)

No doubt, George Kell was the best Tiger, and he's still at every game!

I am calling to ask if you had any response about big band music. If you can supply me with blank tapes, I can record songs for you. I have all kinds of records of big band sounds, easy listening music, organ music and more, dating back 40 years or so. My name is

Harold D., at 856-3670. I'll make up tapes for you without any charge.

A child is more likely to see God as father if he sees God in his own father.

I took the racism test on TV. We all, black and white and Americans, must guard against this growing more.

YOU ARE PROBABLY FARSIGHTED.

Hyperopia or farsightedness is a vision condition in which closer objects appear blurred and objects further away are seen more clearly. Many people are born with a small degree of farsightedness. A greater degree of farsightedness can cause tension, fatigue, headache, poor reading ability and a lack of concentration. Farsightedness can be diagnosed through an eye examination and is effectively corrected with eyeglasses or contact lenses. Call for an appointment today.

News and Information from the Elkton - Pigeon - Bay Port School District -- Volume 2, No. 1 -- SEPTEMBER, 1989

The Laker Wave

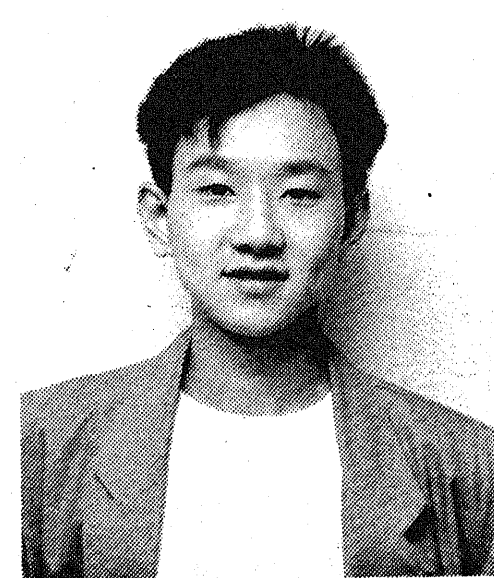

LHS hosts exchange students

Laker High School has a couple of new faces this year. That may not seem so strange since more than a dozen new students enrolled for the fall semester, but two of them stand out because they are a long way from home.

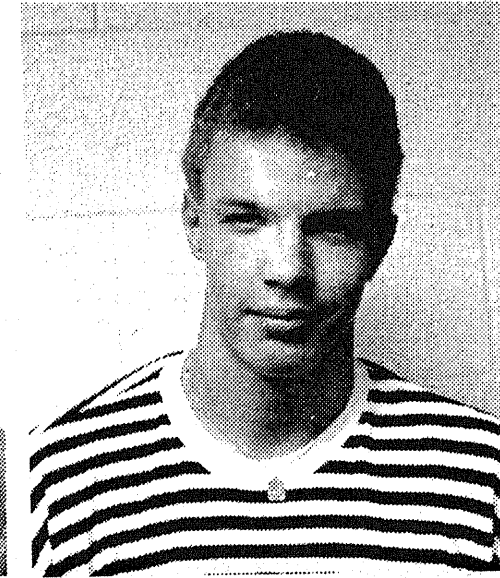

Chung Ping Lee, better known as Alex, a senior from Hong Kong, is sponsored by the International Education Forum and will enter the senior class, while **Ville Antola**, a Rotary

Exchange student from Finland, is a new member of the junior class.

Both Alex and Ville are looking forward to their American experience and both have indicated they will try to be involved in as many activities as possible. Ville is already the place kicker on the Laker football team (although his first love is volleyball) and Alex has indicated an interest in trying out for the tennis team next spring.

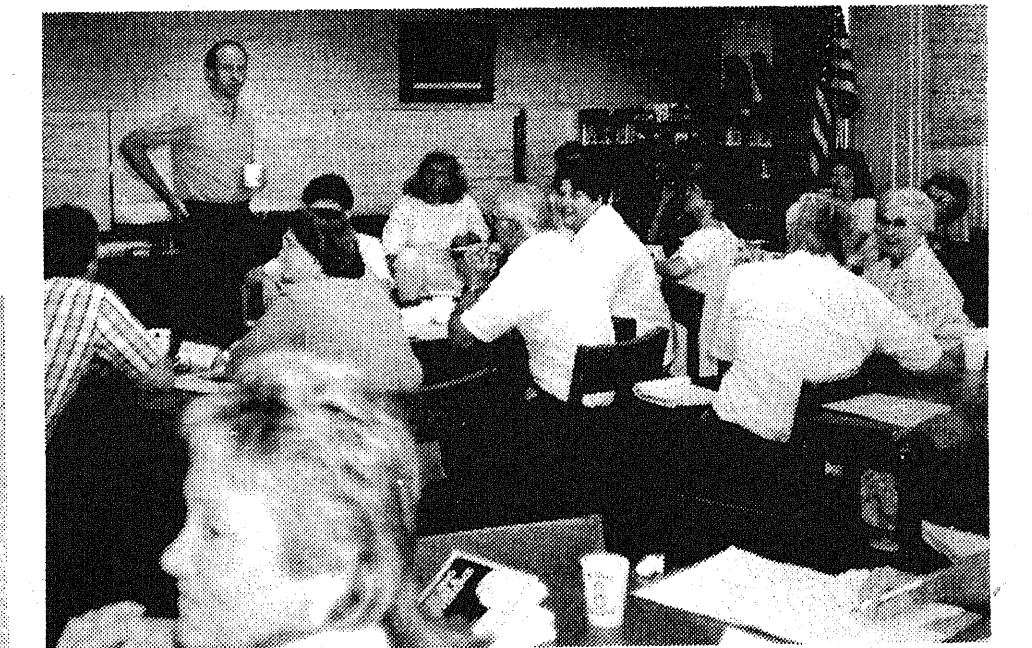

Chung Ping Lee

Ville Antola

Staff attends summer classes

When school ends each June, many people believe that administrators, teachers and support staff have three months with little or nothing to do. However, they are unaware of the many college classes, workshops and training sessions that are necessary to keep credentials updated and in order.

Secondary Principal Craig Douglas is currently working on his Doctorate and spent several weeks on the MSU campus this summer. Rhonda Moore, Dave Wojcicki, Terri Jimkoski, Todd Bigger and Lisa DiCamillo all

attended the summer school session at Central Michigan University.

Mr. Bigger also completed a Quest Training Seminar at Traverse City. Sue Sturm and Eileen Gayari were involved in an Appleworks workshop.

Mr. Douglas also taught a session of ITIP Training to 23 Thumb Area teachers, which included John Blair, Dennis Gaskill, Jeannine Ehrlich, Sandy Gage, Ellen Roth, Dave Wojcicki, Lisa DiCamillo and EPBP Board Member Virginia Leipprandt.

EPBP to administer MEAP tests beginning Oct. 9

The Michigan Education Assessment Program (MEAP) has been testing students in reading and math for the past 20 years. But now your youngster — and other students in grades four, seven and 10 — will soon be facing a new challenge. The Elkton-Pigeon-Bay Port School District will ask these students to take the new MEAP Essential Skills Reading Test.

In the '80s, reading skills in the workplace demand that workers be able to UNDERSTAND AND APPLY what they read. This new test will set a high standard that tells us how well

students understand the meaning of what they read, and are able to apply what they have learned.

When students take this new reading test, they will read two long-reading selections — a story and an informational passage like those found in their social studies and science textbooks. The new test will measure not only whether they understand, but also whether they can apply what they have learned by reading those passages. This application step is what makes the new test more difficult.

Open houses...

During the month of September, all of the centers in the school district will host open houses for parents and other interested observers.

While each center will be unique in its manner of presentation, all will allow time for talking with individual teachers, seeing your child's classroom, following a mini-schedule and sharing in some refreshments.

A capsule schedule is as follows:
SEPT. 14: Bay Port Elementary
SEPT. 18: Elkton and Pigeon Elementary
SEPT. 19: Laker Jr. and Sr. High School

Administrators from all three centers issue a warm welcome to parents for this first open house of the year. Make plans to keep your calendar clear for the appropriate dates.

Parents, take note

When a test is to be given, you can help by making sure your child...

- gets plenty of sleep the night before the test;
- has breakfast on the morning of the test;
- goes to school on the day of the test; and
- knows you think he/she will do well on the test.

Other things you can do to help your child

- Be interested. Ask about school.
- Ask to see your child's papers.
- Talk with and listen to your child.
- Visit stores, museums, and festivals together.
- Go to parent-teacher conferences.
- Let your child know that learning is important.
- Get to know your child's teacher(s).
- Make sure homework gets done.
- If your child never brings work home, find out why.
- Take your child to the public library.
- Ask your child to read aloud to you.
- Know what your child watches on TV and how long she/he watches TV.

Students, take note

Getting ready... physically and mentally

- Get plenty of sleep the night before the test.
- Don't take a test hungry.
- Dress comfortably.
- If you wear glasses, be sure you wear them!
- "Cramming" won't help. Concentrate and do your best.

Making fewer mistakes

- Read all directions.
- Ask the person giving the test for help if you don't understand the directions.
- Read questions carefully and ALL of the answer choices.

Being test wise...

- Answer the easy questions first.
- If you're stumped by a question, mark it, go on with the test and come back to it later.
- If you finish early, check over your answers.

Guessing ???

- You should guess if you don't know the answer, but don't guess wildly.
- Try to eliminate some of the answer choices as wrong; this increases your chances of guessing the correct answer.
