Principal Joles to head north for Superintendent post

After 17 years with the Lake School District, Fred Joles will be leaving in October to become Superintendent of the Forest Area Schools on Oct. 4. The Forest Area School District is a consolidated district, Joles said, encompassing the towns of File Lake and South Boardman about 20 miles southeast of Traverse City. The district has about 700 students, about half the size of the Lake district.

Joles has been with the district since 1972, and is currently the Principal of Pigeon and Bay Port Elementary Schools, the Director of Transportation and the Federal Grant Administrator. He has held various positions during his tenure in the district, starting as a teacher and teacher negotiator.

During his years here, he has been the assistant athletic director, junior high principal and director of elementary education.

Joles graduated from Wolverine, MI High School in 1962, then attended Central Michigan University where he received a Bachelor’s and Master’s degree in Education. He also finished his education specialist degree at CMU in 1987.

One of Joles’ first duties at Forest Area Schools will be to work for the successful passage of a 3.5-mill additional request and to negotiate a contract with support staff of aides, cooks, secretaries, bus drivers and custodians. He will also be responsible for transportation and Federal contacts.

“We leave. I regret that I won’t be with the people that I worked with for 17 years, but I’m also looking forward to new responsibilities in my new position,” Joles said.

Interdenominational Retreat set for Oct. 14 at Laker High

The Covenant Women Interdenominational Retreat is planned for Saturday, Oct. 14 at the Laker High School Auditorium. The day-long retreat will feature the ministry of speakers Sharry and Jake Roberts and the music group “Living Truth,” according to sponsors.

An evening concert at 7 p.m. is open to the public.

Sharry and Jake Roberts left careers in teaching music and real estate, respectively, to be village missionaries with Stonecroft Missions of Christian Women, Inc. Their teaching combines personal anecdotes with practical application of Biblical principles, organizers say.

“Living Truth” includes Dale and Debi Ackerman, Russ and Dee Dee Tibbits and Tammi Barbaret.

For registration information before the Oct. 4 deadline, contact Mrs. Shirley Webman at 373-4245. No registration is needed for the evening concert.

'Sugar beet hauling season starts Monday

When Autumn comes, can sugar beet harvesting be far behind?

Autumn will arrive at 12:00 p.m. this Friday, Sept. 22, and best receiving at the Sebewaing Plant of Michigan Sugar Company will start at 7 a.m. Monday, Sept. 25.

That’s the word from Dick Jacoby, agriculture manager, who said that limited delivery will be the early pattern, depending on weather conditions. Early deliveries are usually limited until weather allows permanent storage, which is generally after Oct. 16, Jacoby added.

“We expect a big crop this year,” he says, “and need to start slicing as early as possible. The crop looks excellent, with sugar content and yields expected to be high.”

Four truck scales will be in operation, the manager said. Deliveries from Canboro Road will go to the north-side scales, he adds.

Scheuer Brunch draws hungry crowd of 300

Over 300 Scheuer Hospital supporters enjoyed a benefit brunch on Sunday in the hospital dining room. According to diners, they enjoyed more than just good food prepared by the hospital kitchen staff—they left with a positive feeling knowing they helped contribute to the Scheuer Hospital Auxiliary Fund for designated projects. The Brunch Committee expresses its appreciation to those who helped with the project, as well as those who attended the brunch.

THUMB WEEKLY
News Round-Up

TEC SURCHARGE OKAYED

Customers of Thumb Electric Cooperative will pay $204,223 in monthly surcharges to recoup under-collections by the cooperative, in 1988. The Michigan Public Service Commission says the settlement reflects the difference between revenues collected and actual costs last year.

The surcharge will show up on an average $1.04 monthly charge beginning on October’s billings, through September, 1989. Commercial and industrial customers will also see an increased, all based on usage.

VANDERBILT FUNDS SOUGHT

Tuscola County’s Board of Commissioners is seeking a $100,000 state recreation grant to improve Vanderbilt Park, on M-25 at Quanicassee, as part of its tourism expansion efforts. Work at Tuscola’s only country park would include new restrooms, plus improved camping areas for tents and trailers. Also, more parking areas are planned.

Tuscola officials would pay about $30,000 for its portion of the project, and development of a beach is planned in the future.

Also, county planners would like to create a second park in the southern half of Tuscola County, likely south of M-41.

Tuscola, with 55,000 residents, has one county park, while adjacent Huron County, with 36,300 residents, has eight county parks.

NEW TUSCOLA APPRAISER

Clifford E. Stockmeier of Reese has been named the appraiser for the Tuscola County Equalization Department. Stockmeier, 55, assumes the position formerly held by Edwin Farr, who was named Equalization Director following Donald Gell’s retirement.

Stockmeier is Gilford Township Supervisor and has worked parttime in the Drain Commission office. He is a farmer.

SCHERER HOSPITAL ADMINISTRATOR George Desmaraies wore a different hat for carving duties on Sunday morning—that of a chef.

A CROWD OF 300 filled the Scheuer Hospital dining room in support of this first-time Auxiliary project.
UNITED IN MARRIAGE

KILLINGER - HOFWICK

Laura Jean Holfick, Harbor Beach and Lydi Wilson Hofsiek, both Killinger, Figures, were united in marriage and rings at St. Matthew's Catholic Church, Helen. Father Alen Pilliott officiant at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. John Holfick of Harbor Beach and the late Mrs. (Jean) Hofsiek.

The groom was Stanley A. Hofsiek of Coleman, Michigan, son of Mr. and Mrs. (Anna) Hofsiek of Coleman and the late Mr. (Harold) Hofsiek.

The wedding was attended by the bride's sisters, Mrs. Marjorie Tapanila and Mrs. Dorothy Tapanila, both of Port Huron, and the groom's sisters, Mrs. Ellen Hofsiek and Mrs. Ida Hofsiek, both of Coleman.

A reception was held at the Diamond Inn in Coleman. The couple will reside in Coleman, Michigan.

Engaged

Beadle-Peckette

Mr. and Mrs. Francis Beadle of Hillman, Mich., wish to announce the engagement of their daughter, Mrs. Geneva Beadle, to Mr. John Peckette, also of Hillman.

The couple will be married at a later date.

The Peckettes reside in the area.

BOWLING

NAME THAT FARM...WIN A PRIZE...

Tell us whose farm this is...and we'll send you a year's subscription to the Progress-Advance to, or to the person of your choice.

AND...just to make the contest a little more competitive...be advised that this shows the farm AS IT WAS around the Middle 1950's! So, you can name the owner of that period, or today, or even if you just locate the farm...it will count toward your prize.

Remembering When...

This series of aerial photos is about 30 years old, but the pictures have never been seen by anyone except staff of the newspaper.

You'll be amazed how these farms have changed in 3 decades. Some old homes have been taken down and new ones built. Many farm houses now own, or perhaps their children, or even grandchildren are living there now. Almost all of them have far fewer buildings today then they had in the 50's. In some cases you'll notice that fields are larger today than earlier. Roads are better today. Some trees have been cut down, all of them have grown. On some farms, herds of cows are seen in the barnyard or in a adjoining pastures or orchards.

These oldtime pictures will prove a genuine history book of changes in farming during the past decades.

The Progress-Advance is no more acquainted with the names of the farms than the readers, as they were "shied" by Bill Hurdlebrink and his pilot flying from town to town, and farm to farm. So put your thinking cap on, then call 453-2331 or deliver or mail your answer to our office. Winning entry will be drawn at the close of business Friday from all correct entries received. Decision of judges is final.

This Series Comes To You Through Sponsorship Of These Businesses

**Pigeon news briefs**

By DOROTHY DIETER

The Ithaca League of Women Voters will hold a fall event on Saturday, Sept. 10 at 10 a.m. at the Ithaca Adult Education Center. The event will feature a presentation on the history of women's suffrage and the role of women in the modern movement for women's rights. The event is free and open to the public.

**Thermoses**

By PATRICK J. RODA

Dr. Gundersen shares his cold. My earliest recollection of being asked to bring something to Thermoses. I was about 10. I can still remember those days. I was a third-grader, and Thermoses was my cup of tea. Thermoses was in my hand, and I was happy. I knew I was doing something right.

I still use Thermoses, and I love it. It's like an old friend. I can't imagine my life without it. It's always there for me, and I know I can count on it.

**Wall-to-Wall SAVINGS**

By LINDA C. KELLY

The Chamber of Commerce is hosting a fall festival on Saturday, Sept. 10 from 10 a.m. to 2 p.m. in downtown Ithaca. The festival will feature live music, food, and a variety of crafts and vendors. Admission is free.

**State Receives $11 Million in Federal Program Funds**

By KATHY MAGEE

The state has received $11 million in federal program funds for various projects. The funds will support initiatives in education, health care, and transportation. The state plans to use the funds to improve infrastructure, expand access to health care, and support education initiatives.

**Hunters: Make Safety Your Main Concern**

By DEBORAH SMITH

The Department of Environmental Conservation is reminding hunters to make safety a priority. Hunters should always follow safety guidelines, such as wearing proper clothing, using proper equipment, and being aware of their surroundings.

**Log Cabin Grocery Store**

By JAMES E. DOUGHERTY

The Log Cabin Grocery Store is celebrating its 50th anniversary this year. The store has been a fixture in the community for decades and is known for its fresh produce and homemade baked goods.
