Caseville Perch Fest plans in high gear!

"Bigger than ever!" That's how Caseville Chamber of Commerce member Pat Strozski describes this year's Caseville Perch Festival, on the calendar for April 21-28. Plans aren't finalized yet, but Strozski says that most of the popular events of previous years will be back, including the perch fishing contest, with cash prizes for the longest perch and the perch with the biggest girth. **Entries are being taken** for the big Grand Parade on April 21, at 1 p.m., Strozski said, and should be mailed to Shore Winds Gifts in Caseville. "This year we're hoping to get more floats," she noted.

Soon Caseville merchants will be selling the newly-redesigned Perch Festival

buttons, fashioned by Collete Royer. And having a button is a necessity, Strozski says, because mystery people will be at the harbor area and downtown during the festival handing out gift certificates to lucky folks—but only if they're wearing a Perch Festival button!

The '90 Perch Festival Queen will be crowned at the Queens' Dinner on Saturday, April 21 by '89 Queen Teri Cassada.

A Kiwanis breakfast is planned, and the Optimist Club will be sponsoring a concession at the breakwall during the fishing contest.

Performers can try their skills at the popular lip sync contest, and kids can test their casting skills in the kiddie casting contest.

Malosky tops Power in Caseville

Caseville Mayor Frank Malosky won another two-year term in Monday's General Election, defeating former Mayor Mike Power 246-186. A total of 434 voters -- 80% of those registered -- cast ballots in Caseville.

Incumbent Council member Lee Meredith lost her re-election bid, as incumbents Forrest Williams at 306 and Bruce "Bud" McCormick at 291 defeated Meredith's 227 votes, as did newcomer Thomas Rose with 235. Village Clerk Alice Hart was unopposed and got 376 votes.

IN ELKTON, Republican George Willoughby was elected Village President, with 141 votes to 17 for Democrat Orville Liedke. Vote totals for write-in candidate Barbara Thompson are uncertain until formally counted by Board of Canvassers later this week.

Republican Max McKenzie was elected Treasurer with 181 votes, to 70 for June Kimmel as a non-party candidate. Trustees James Jaworski with 229, Terry Heck with 214 and Barb Wills with 198 were elected unopposed.

Assessor Phyllis Tamblyn got 242 votes and Clerk Janet Santos with 234 were also unopposed. In all, 268 of Elkton's 425 voters cast ballots.

IN PIGEON, all incumbent Republicans were re-elected. Clerk Janet Heckman and Treasurer Frances Armbruster were top vote-getters with 56 each. President Dave Geiger earned 48 votes, and Assessor Roy Lawrence got 55.

Trustees Mike Gehrs and John Smith each had 51 votes and Ken Licht had 50. Robert Tate had one write-in for President. In Pigeon, 59 of 625 voters cast ballots.

CASEVILLE CANDIDATES used all kinds of signs on Monday, to tell their last-minute election stories.

Laker Board considers millage options, as values rise 5.19%

By AMY HEIDEN

School finances and State Equalized Valuations continue to be a hot topic all over the state, and the Elkton-Pigeon-Bay Port District is no exception.

Although no action will be taken until the April meeting, the Laker Board Monday night discussed the possibility of asking voters for an override of the Headlee Amendment, in addition to a renewal of 3.5 mills that expired last year.

According to Laker Supt. Bob Drury, the Headlee Amendment requires school districts to roll back their millage levies if SEVs in the district increase faster than the previous year's inflation rate. Assuming that the inflation rate for 1989 is 4.8%, Drury said, the district would

be able to levy only 28.917 mills instead of the 29.02 that is currently authorized.

VALUES UP 5%: Tentative assessment figures from the Huron County Equalization Dept. show an increase in SEVs of 5.19% in the 13 townships that collect taxes for the school district.

"These figures are certainly tentative because boards of review will be meeting, and the rate of increase will probably change," Drury said.

The Board will be considering four options to take in the annual school election on June 11, Drury noted. One option is to ask for a 3.5-mill renewal with no additional millage, and run a small deficit next year.

Elkton UM hosts Passover presentation

The Elkton United Methodist Church will be hosting Jews for Jesus, as they present "Christ in the Passover" at the Church this Thursday, March 15 at 7:30 p.m.

The purpose of the "Christ in the Passover" presentation is to enhance the Christian understanding of the New Testament by showing a Jewish background for the communion celebration, leaders say.

Ancient and modern Jewish customs are described with an emphasis on the aspect of the redemption accomplished by Christ at Calvary.

A table is set with the traditional Jewish Passover items, including symbolic foods which are explained, but not eaten. Members of the Jews for Jesus staff have given this demonstration in thousands of churches.

It was originally written in 1956 by Moishe Rosen, the founder and leader of Jews for Jesus. It was abstracted from the writings of the former rabbi, Leopold Cohn, who became a Christian in 1894 and died in 1936.

Jews for Jesus gives these presentations as an invitation for believers in Jesus to learn about the Jewish roots of their faith.

Non-Christians are invited as well, to come and observe how Jews for Jesus see Christ in the Passover, leaders say.

Take time for a moment of thought...

60 Seconds

-- WAITING . . . --

READ PSALM 27:7-14
"As for me, I watch in hope for the Lord, I wait for God my Savior; my God will hear me." Micah 7:7

In this hurry-up, bustling new decade, we feel rushed, pushed, hustled and hurried. And yet, much of our time is devoted to waiting.

We wait for word from the doctor; we stand in line to be checked out; we wait for a baby to be born; young students await their grades after tests.

So, what do we do while we wait? Growl and complain? Vent our anger? Daydream? Plan for a solution?

The prophet Micah had the best answer. "Wait for the Lord," he wrote, "wait for God". That would include thinking of others, praying for them or for ourselves, giving thanks for past blessings, practicing calmness in the midst of an onrushing world.

And waiting will have its reward. Isaiah wrote that those who wait . . . shall mount up with wings as eagles; they shall run, and not be weary; they shall walk and not faint."

AS YOU WAIT, WATCH FOR THE LORD. AMEN.

Missionary Church seeks gym/fellowship support

Dr. Al Butler of Saginaw Valley State University and former President of Bethel College will be the keynote speaker for the Elkton Missionary Church's gym/fellowship hall project's kick-off event this Sunday.

A dinner is planned for members and friends at Elkton Missionary Church this Sunday, March 18 at 12:30 p.m. This begins a survey to discover financial support for phase I of this project.

Reservations are needed for the dinner and each family is asked to help with salads and desserts.

Also, an early morning worship service will now be available at 8:45 a.m. Call 375-2597 for details and reservations.

Owendale news

The March meeting of the Owendale Women's Club was a mystery trip with Jeanette McDonald in charge. The destination was Nel's Diner in Gagetown. After a traditional homemade Mexican meal, Nel gave an informative talk on the origin of the foods she had prepared. During the business meeting final plans were made for the March 26 blood drive. Posters and post cards will be distributed. The bloodmobile is scheduled for the Owendale High School Cafeteria from 2 to 6:45 p.m. Members are urging everyone to attend so Owendale can reach its quota.

Several club members received prizes of Mexican cakes made by Mrs. McDonald when their post cards with spanish words were drawn. Barbara McCallum received the door prize.

Do You Speak The Same Language As Your Lender?

Enterprise analysis, liability ratio, capitol position . . . it may sound like a foreign language to you, but to your lender, this is critical information.

On today's farm, accounting and financial decisions are more important than ever.

That's why Farm Credit Services offers the AgBase Financial System. It not only helps you keep good records, it means you can make business decisions more confidently.

It's Like Having Your Personal Farm Accountant.

AgBase is a simple and easy-to-use method to keep farm records and produce the financial reports your lender requires. And, just as you'd expect from Farm Credit, it has been designed by people who know agriculture and farm finance. So it's a "purebred" farm accounting system, not an accounting system that was adapted for farming.

Laker Athletic Booster Club will meet Monday, March 19 at 7:30 p.m. at Laker High School. Any interested persons are invited to attend.

After many years of being a dog owner, I would really like to make it legal by getting him a license. Can someone please tell me specifically where and how I can obtain a dog license.

I haven't felt so embarrassed in a long time as I did last Monday night (Feb. 26) at the Laker Drama Club

presentation of their state award-winning act. I felt embarrassed for all the people who DIDN'T come to see an effort comparable to the thrilling, spine-tingling basketball game Lakers and Harbor Beach played last year in the Districts. I'm telling you Laker people, this was it.

You missed your chance to see something terrific from Laker students other than sports for a change. I felt honored just to be given a chance to see how the kids won such an honor. And then, to see SUCH a performance attended by the

few was embarrassing. This play would have been appreciated even by the casual enthusiast of drama. Even the uninterested would have been moved by the talent and efforts of our Laker kids. They were that GOOD.

You couldn't help getting caught up in the emotion of events — the deepest feelings, the highest emotions, the lowest depression.

I went expecting to see a state winning demonstration. I saw the fullest effort. So shame on all you Laker people who didn't show your pride and see something you would be proud of happening at Lakers. I'm embarrassed for you.

We appreciate "good radio" and therefore you will find our radio tuned to FM 89.1, the PBS station in the Tri-Cities. Give it a try! Good music, and plenty more.

Subject: enough. Great system for aiding law officials. We must stop the loss of humans through drug abuse.

The law has failed to control drug use and usually destroys the American system. I question, will the law and order be America's response to our information or will they continue to say we are too busy or short-handed?

Yes, we will help where law and order have in fact failed. Keep up the good work. In Russia, humans

are safer from other humans. In America, we cannot shop without a party of two or more.

Drugs have destroyed America. Can we stop this crime without loss of more human minds?

You retirees who moved here for peace and quiet outnumber the rest of us three to one. It's only because of you that we have to have these improvements, yet you expect to have them provided at no cost to you.

Stop complaining if you don't like it. Leave and we won't need the improvements.

Yes, the address for people who want to tell the TV networks about the Farmers' Festival is Joan Lunden, "Good Morning America," care of ABC News Dept., 1330 Avenue of the Americas, New York, N.Y. 10019.

I oppose these 50-cent millionaires who want to turn Caseville into a super resort area and to heck with us. They want to dress up the main street and have us pay for it with our taxes. Only the businesses would profit and most of the business owners live out of the village. Think about it!

Thank you for the wonderful support which our community gave to our blood

drive. We can do it and we must continue this support for Elkton. Thanks for your newspaper's support and prodding.

There are three winners in projects like the ones planned for Caseville, the land developer, the real estate brokers and the taxpayer. There's one loser: you, the little guy, the taxpayer!

Wasn't Pinnebog Road south of Pinnebog just resurfaced last year?? I believe it is rougher than before. Is our road commission aware of this. I hope they didn't pay the contractor!

I can't believe how smoky the Harron Cable office is in Caseville! I'm sure more than 20 people I've talked to have the same complaint. You go in to drop off your payment or to get informa-

tion, and just in that short entry—you smell like YOU just smoked a pack yourself! Isn't there a law about smoking in public places? YUK! Something must be done... It's bad enough the rates went up!

Congratulations to Annie Eichler and the Junior High Band on the 1 rating at the festival. I hope the administration and board members also noticed this.
