As we see it

We owe more than they collect

As if we don’t have enough to worry about already, there’s a new one just for us. You know how we have to take our waste to the garbage service to make sure our waste is handled properly? Well, there’s a service now that does it for us. Just let them know what you have and they’ll take care of it. You won’t have to worry about it anymore.

Prospective attendees Radiation Therapy Services will need to register in advance by filling out a form on the website. The deadline for this is Friday, October 2, and once you register, you will receive a confirmation email with all the details. So make sure to sign up as soon as possible.

In the meantime, we’ve been working hard on setting up the venue and preparing for the event. We can’t wait to see everyone there and share some fun memories.

As long as we can manage to survive these times, we’ll keep on working hard to make sure that this event is a success. Thank you for your support and we look forward to seeing you soon!

Sincerely,
John and Mary

1990 Pigeon Farmers Festival

...What a Week It Was!

Happy 75th, Anniversary Cup! Congratulations Pigeon! What a week!

Starting with the Lions' Fair that was sold out to the last seat, right down to the Red Hat Businners, it has been an outstanding week for Pigeon.

To you Pigeon, the thousands of people who visited our community enjoyed themselves and saw what a fine place it is. Pigeon is a world of its own, and it shows. Pigeon's community spirit is well known and appreciated.

There were thousands of people who came to the festival, and they were all welcomed. The festival was a success, and the community spirit was palpable. Those who were involved in staging the festival worked hard to make it happen.

Pigeon Lions Club - You went as far and beyond the call of duty. From the parade you see around the town on the 4th of July to the 75th Anniversary Cup on Friday 7th. All the help you gave at the 4th of July was appreciated.

What a Youth for Christ - The fair was a great success and started the festival on a very positive note.

Mike Leppa and Golf Tournament Committee - 236 golfers if Mike says it's one of your largest and it is. It always lays down fine! What organization! Redbud Glade and the Red Racket Tapes - 120 teams played, almost a sellout. They were a hit.

You could not count the number of people who visited the Pig Farm. Many people left the festival and said that they enjoyed it.

We appreciate all the people who came to the fairground and enjoyed themselves.

The Pigeon Lions Club is planning to hold a 4th of July parade in the future.

It's a Jingle Out There

Every day, in every city, a thousand Lemon County residents are listening to music and not in the least disturbed by the thought of what is going on around them. Many of them are the only way they know how to spend their time, and they're comfortable with it. They're content with their own little world, and they want nothing to disturb them except their own thoughts. They are not interested in what is happening in the outside world, or even in their own lives. They are living in their own little bubble, and they are satisfied with it. They are not interested in anything else, and they are content with their own little world. They are not interested in what is going on around them, or in their own lives. MEMORIAL VS. TRADITIONAL SERVICE

Although the memorial service is gaining in popularity, the traditional funeral remains strong in many places. The core difference is in the emotional context. The memorial service is often chosen because it is seen as a more personal and intimate setting. The traditional funeral, on the other hand, is often chosen because it is seen as a more formal and public setting. It is important to remember that there is no right or wrong way to honor a loved one. The most important thing is to do what feels right for you and your family.
