By AMY HEIDEN

The big topic at the Lake School Board meeting Monday night was the annual school election, and Board members were pleased to learn district voters had approved a 16.27-mill renewal request by an overwhelming margin.

Supt. Robert Drury said he was very pleased with the renewal vote.

"Any time you get a victory by that margin you have to take it as a vote of confidence," Drury said.

"It’s a vote of confidence that we’re providing the kind of education that our residents expect," Drury also told the board that a group of people are seeking votes to sign recall petitions in the parking lot not invited nor encouraged by school officials. The group was request signatures on petitions calling for the recall of Cor. John Bogler.

But the petitioners complained with all state laws concerning picketing at a polling place, and they were permitted to stay, Drury said.

The Board’s audit committee also presented its final revision on the 1990-91 budget for the district, and reported Lakes would have a revenue increase of $900,000 over previous budget figures. The increase is due to an unexpected dividend from pool insurance and in increased state aid money. Revenues are expected to increase from $5.121 million to $5.211 million. Expenditures rose $18,000 over previous budget figures, the committee reported, reflecting the district with an unexpected fund balance for the fiscal year of over $111,000. Added to the district’s cumulative fund balance of $34,000, the final budget should show a fund balance of over $900,000. But the fund balance won’t stay that large next year, because the district will be running a deficit for the 1991-92 school year, according to the committee’s preliminary 1991-92 budget.

Revenues are expected to increase to more than $5,395,000, and approximately $1,579,000, while expenditures rise to $5,426,000. Please turn to Page 32

Second new doctor coming

A second physician has signed this past week to practice at the Scheurer Family Medical Center, according to Scheurer Hospital Administrator Dwight Gascho.

The signing of Dr. Gaye L. Wyse, D.D.S., who will begin her practice Sept. 7, will bring an Obstetrician-Gynecologist to Eastern Michigan. She and Dr. Neil Tawanny, who will locate here on July 1, will be working together in the western wing of the Medical Arts Building, combining their specialities of Obstetrics-Gynecology, pediatrics and geriatrics.

Gascho is especially optimistic about the opportunities for more OB deliveries in the future, as well as tapping into more gynecologic work through both Wyse and Dr. Tawanny.

Gascho is also looking forward to more pediatric work being done at the Scheurer Family Medical Center.

"We can offer more well-rounded medical services through the addition of these two physicians," explains Gascho.

"The combination of the two doctors providing certain specialties will allow us to provide a full-scale of health care services,"

Both doctors will be working for Scheurer Hospital in a hospital-owned practice.

Dr. Wyse, born in Harrisonburg, Va., was raised in Lapeer, where she graduated from Lapeer High School in Thumb Weekly

News Round-Up

DON’T SPEED, DRINK & DRIVE

CARS OR BOATS!

Two recent laws make it much more difficult for state drivers and boaters to speed and/or drink while they drive.

As of June 1, the U.S. Coast Guard has begun installing breath-alcohol sensing machines on patrol boats for drinking boaters. Since 1984, operating a vessel while intoxicated has been a federal offense, and Coast Guard officials are now using breathalyzers immediately when drinking is suspected.

Civil penalties can total up to $1,000 while criminal charges could bring up to $500 in fines and one year in jail. Two Coast Guard boats patrol Saginaw Bay from the Saginaw River Station, and officials recommend naming a "designated-skipper" who refrains from drinking while boating.

Meanwhile on land, Michigan State Police will begin using "black boxes" which will photograph speeding drivers and then mail warning notices to the car’s owner. The new devices are being used to help people slow down, police say, and will appear on state freeways as well as secondary roads as of July 1. The six-month trial program will include Oakland and Kalamazoo Counties at first.

Tickets cannot be issued by mail which requires a change in state law, but the program will become effective statewide if successful, they say. State Police also plan to use electronic signs telling drivers how fast they are going, to help reduce highway speeds.

CASS CITY PULLS METERS

Parking meters are being removed from Cass City’s downtown Area, following a request to do so from the Cass City Chamber of Commerce’s Restaurant Committee.

The meter fee are being suspended for one year as a convenience to shoppers, according to Village Manager Lou LaPonze. They were placed about 25 years ago and will lose about $2,800 in annual income. However, depreciation of $3,800 will be balanced out in cost savings from meter repairs and collection expenses.

ASSAULT TRIAL DELAYED

The trial changing two Elkton people with first-degree criminal sexual conduct scheduled to start last week has been postponed to Sept. 10. Patricia L. Bland, 45, will

28. 8 THE PROGRESS-ADVANCE - Wednesday, June 12 to Tuesday, June 18, 1961

THE PAST IN PRINT - From the Archives of The Pigeon Progress and The Elkin Advance

50 YEARS AGO JUNE 20, 1961

Mrs. William Koons, 43, died of injuries in Caerrera, Sunday, after being struck by a car. She had been involved in an accident on Main Street in Caswell County the previous day. She leave behind a husband, two children and one sister. She was a member of the Caswell County Democratic Committee and was a member of the Elkin Advance staff. The funeral was held on Tuesday, June 21st.

50 YEARS AGO JUNE 24, 1961

Mr. and Mrs. Elmer Hoffman, of Elkin, were married in Elkin on Saturday, June 24th. The couple met while working at the Elkin Advance and have been married for 50 years. They have two children and five grandchildren.

80 YEARS AGO JUNE 30, 1911

James Mellick, who had charge of the Standard Textbook house in Pigeon for several years, has sold the business to Mr. and Mrs. Edwin V. and Mrs. Robert W. Mellick. They will move to the Warner family in Elkin.

70 YEARS AGO JULY 1, 1941

Mrs. Louis V. Garrett, 50, died at her home in Caswell County, Sunday, after a brief illness. She was a member of the Caswell County Democratic Committee and was a member of the Elkin Advance staff. The funeral was held on Tuesday, July 4th.

70 YEARS AGO JULY 1, 1941

Mrs. Charles S. Daniels, 50, died at her home in Caswell County, Sunday, after a brief illness. She was a member of the Caswell County Democratic Committee and was a member of the Elkin Advance staff. The funeral was held on Tuesday, July 4th.

50 YEARS AGO JULY 24, 1961

Two women and a young boy, William and John Smith, were killed in a car accident on Saturday night in Caswell County. The father, Mr. Smith, was driving a car and the mother and son were in the back seat. The car collided with a tractor-trailer and all three were killed instantly.

AHS hosts golf meet on June 23

The American Cancer Society held its 23rd annual golf tournament on June 23rd at the Elkin Country Club. The tournament raised over $10,000 for the American Cancer Society.

50 YEARS AGO JULY 24, 1961

The Pigeon High School of 1961 held their graduation exercises at Cascade Valley Park. The school was founded in 1927 and has a enrollment of 100 students.

50 YEARS AGO JULY 24, 1961

Rudolph Geiress, 12, of Elkin, was in the hospital after being hit by a automobile on his way to school. He was taken to the hospital and is expected to recover.

40 YEARS AGO JULY 1, 1981

40 years ago, the Elkin Advance was printed in black and white, with a 10-line headline and 2 columns of text. The paper was 4 pages long and the front page featured a large headline: "Elkin Advance."

LAKER JUNIOR 'TOPS THE CHARTS' ON TESTS

T.J. Rabin, daughter of Pat and Roger Rabin of Port Austin, has recently received word that she is one of 50,000 nationwide that will be recognized for the scores she achieved on the PSAT. The NMSQT (National Merit Scholarship Qualifying Test) is the first step in determining which students should become semifinalists. Only the highest-scoring students from across the country will be invited to become semifinalists in the next stage of the process.

The PSAT is a practice test for the SAT, and by achieving a high score, T.J. has demonstrated her potential to succeed in high school and beyond. She is one of the top 500 nationwide for her score on the PSAT.

LAKER VILLAGE, MI - The Laker Junior High School is proud to announce that T.J. Rabin, a ninth-grade student, has scored in the 27th percentile on the PSAT. This means that the student has achieved a higher score than 73% of her peers.

The PSAT is a national test that helps students prepare for the SAT and ACT. It is an important tool for evaluating students' readiness for college and is used by many colleges and universities to help make admissions decisions.

T.J. Rabin's success on the PSAT is a testament to her hard work and dedication to her education. The Laker Junior High School is proud to have such a talented student among its ranks.
