Thumb Cellular donates to "Toys for Tots" drive

Thumb Cellular, which has donated $50 worth of toys to the "Toys for Tots" program on behalf of customers, is appreciative of the support we have received from the community, according to General Manager Paul Flicks. "It's a way for Thumb Cellular to show our customers we appreciate their business. We've always been a part of the community," Flicks said.

"Toys for Tots" is a nationwide charity that helps provide toys for children in need. The toys are donated by individuals and businesses, and are distributed by local organizations.

Area school lunch menus

HINTERLAND

Breakfast: Cereal, milk, orange juice. Lunch: Turkey and brea

Radio HECK has been hunting since he was just a little boy, but his name has become synonymous with "Toys for Tots." For the past two years, he has held a toy drive, and this year he plans to continue the tradition.

"I've been able to help out in the past, and it's something that I enjoy doing," Heck said. "I want to continue this tradition of giving back to the community."
USA Schools officially settle with teachers

By Dan Seyer

After two months of wrangling, leaders of some of the most powerful teachers’ unions in the United States and Canada have agreed to a settlement that will end the strike that has lasted for nearly two years. The $5 billion agreement covers all 600,000 teachers in the United States and Canada, and is expected to cost the U.S. government $25 billion over the next 10 years. The agreement will provide $1.5 billion in compensation to teachers who have been on strike for more than two years, and $2.5 billion in additional funding for schools in low-income areas.

The settlement is the result of months of negotiations between the National Education Association (NEA) and the American Federation of Teachers (AFT), which represent the majority of teachers in the United States and Canada. The two unions had been negotiating since last fall, and had been deadlocked on key issues such as teacher pay and school funding.

The settlement includes a $1.5 billion annual payment to teachers who have been on strike for more than two years, and a $2.5 billion annual payment to schools in low-income areas. The settlement also includes provisions for teacher pay raises and increased funding for schools in low-income areas.

The settlement is expected to be signed by the NEA and AFT next week, and will be ratified by members of the two unions in the coming months.
Woods & Waters

Quills and cows' knees

The trees of a lake drain down to the meadows and pastures.

When the winter morning was snow, the weeds were filled with a black powder, and sometimes the winds were so close to the ground that the snow would rise up into the air.

The woods were dark when the sun was rising, and the shadows were cast in long lines. The trees were leafless, and the ground was brown.

The woods were dark when the snow was falling, and the wind was cold. The trees were bare, and the snow was falling in large flakes.

The woods were dark when the sun was setting, and the shadows were cast in long lines. The trees were leafless, and the ground was brown again.

The woods were dark when the snow was falling, and the wind was cold. The trees were bare, and the snow was falling in large flakes.

ELKTON SENIOR CITIZENS
Thirty-three members and guests gathered at the Elkton Senior Citizens Center on Tuesday afternoon for the monthly meeting. Alaska Dufly was guest speaker and spoke on her recent trip to Alaska. Following her talk, refreshments were served. 

PIGIONE ROTH
The week’s program was managed by exchange student from Austria, Ashlie Beagles. Austria, viewing pictures from her home and family, shared her experiences. The group’s secretary, Peter Birkby, reviewed minutes and discussed the next meeting, which will be at the William Bellows home.

ANNA MARY GUTH
The next program will be held on Oct. 17, at the home of Elvira Miranda, who will speak on her trip to Greece.

ELKTON WOMAN’S CIVIC CLUB
The theme of the club’s next meeting will be “The Generation of Future Clubs.”

RUSH LAKE FARM BUREAU
A 3 p.m. dinner was served for the December meeting of the Rush Lake Farm Bureaus.
