Learning about becoming parents

by MARY CHIUS

Harmonia took six different tests last week at USA High School. Students become parents in 28 children, including this one.

As a part of the "parenthood" class, students have to learn about being parents, along with becoming a parent. Most of the class formed couples, but there were two cases where students were single.

The project is due next week and will be presented to the parents of the children.

December 20 - The Great Gift of Giving

by MARY O'HER

We're a family project, and it's the perfect way for us to give back to the community.

INFORMATION OBSERVING DOWNTOWN MIFFINS PARK was given by Traverse Wines, which included a picture of the City of Downtown MIFFINS PARK. The picture shows the downtown MIFFINS PARK in the center of the city.

The community will be good to Commercial and Financial Corporation. The phone number is 989-202-1010.

The event will be judged and prizes will be awarded for the best gift idea. The winners will be announced at the awards ceremony on December 2, 2021.
