VOTE NO. 1:

By MARY DRIER

Voters in the Thumb will go to the polls next Monday, March 17, to decide on village positions. EKELTON: It's an all-Republican ticket in the unopposed village elections. Incumbents seeking re-election are Barbara Thompson as president, Janet Santos as clerk, Max McKenzie as treasurer and Phyllis Tymbahn as assessor. Incumbents James Jaworski and Frank Kolar, and newcomer Lisa "Bud" Robertson are seeking the three council seats. Jim Wilson is not seeking re-election.

SEBEWAING: Candidates for the three trustee seats are incumbents Fredricka Shapreston, Donald Beers, and newcomer John Vermin. All candidates are Republicans and all seats are for two years.

UNIONVILLE: The contested race here is for trustee. Unopposed Republican incumbent Andrew Bobelzer for president, Harvey Niedrich for clerk, and assessor, and Robert Bailer for treasurer.

TASC start times to change

Class time for the Tuscola Area Skill Center will change with the beginning of the 1994-95 school year. In the fall, morning classes will begin at 8:45 a.m. instead of 9 a.m., and afternoon classes will begin at 12 noon instead of 12:15 p.m.

"Local districts requested the change as being more convenient for their programs," said TASC-Supt. John Moore. "We are serving local districts and need that our role. If we want to start earlier that is fine with us."

The Skill Center provides technical hands-on training in a specific occupation to over 400 students from the county's nine school districts.

SAVING SMOKING LIVES: No matter what your personal views are on State Proposal A, which will be decided in next Tuesday's Special Election, the American Lung Association says its passage would save 1,517 lives in Huron, Tuscola, Sanilac and Lapeer Counties. The ALA says the 56-cent tobacco tax increase will cause more people to quit smoking, resulting in these statistics, if Prop. A is approved.

New A-F Principal sought

Azrou-Fairport School District officials are seeking a new Junior/Senior High School Principal to replace Jim Ross. Ross is resigning from the school district at the end of the school year, and has been with the district about three years.

A-F needs new buildings

Azrou-Fairport School officials are considering building a new elementary building to go into effect April 1. The new school will serve 300 students in grades 1-3. The district has a feasibility study to develop a comprehensive maintenance program and rehabilitation on its facilities," said Supt. Kenneth Yaffe. "Repairs, especially, in our heating plants, are
SUNDEKO. It is a common practice for the major candidates in the election to use the Day of the Dead to promote their platforms. The candidates are expected to make speeches, hold rallies, and attend events. The Day of the Dead is a significant cultural event in Mexico, and it is important for politicians to engage with the public during this time.

Pigeon Manufacturing strike continues

BY AMY HENDERSON

A contract between management and union workers at Pigeon Manufacturing Co. is one step closer to being reached.

Pigeon Manufacturing, a company that makes plastic products, has been negotiating with the union for several months. The company has offered a new contract that includes wage raises and job security, but the union is demanding additional benefits.

The contract negotiations have been contentious, with both sides accusing each other of poor performance. The union has threatened to strike if a resolution is not reached soon.

The strike has had a significant impact on the local economy, with many workers affected. The union is seeking to negotiate a better deal for its members, and the company is trying to maintain its profitability.

20/20 vision isn't the only reason
to see your eye doctor.

If you have been wearing glasses, you may think you are okay. However, your vision problems could be due to something that only an eye doctor can examine. If you are not sure what is causing your eyesight problems, you may want to consult an eye doctor to see if there is a problem that can be corrected.

Don't face your eye sight problems alone.

The Lakers outlasted Cass City

By Amy Heiden
The Associated Press

BRENTWOOD, Calif. (AP) — The Lakers made it a long, long night for Cass City.

The Lakers outlasted the Cass City Warriors 68-60 for the North Coast Conference title. The Lakers never led by more than 10 points in the first half, and trailed for most of the game. Cass City, however, could not catch up despite hitting 11 of 22 three-pointers.

The Lakers, led by senior forward John Smith, ended Cass City’s season. Smith scored 21 points and grabbed 12 rebounds. Cass City’s best shooter, senior guard Alex Peterson, hit 11 of 22 three-pointers but scored just 29 points.

The Lakers, who are now 27-2 in the conference, will host the No. 1 seed in the first round of the tournament. Cass City, who finished the season 11-16, will play at the No. 8 seed.

Proposed Thumb central dispatch may cover 4 counties

By MARY O'RIEN

A proposal on central dispatching operations in the Thumb area is being discussed by the counties of Huron, Tuscola and Huron as a way to improve the efficiency of emergency services.

The counties have been working on a proposal for a central dispatch center that would serve the three counties.

The plan includes the establishment of a central dispatch center that would be staffed by people trained in emergency response.

The proposed center would be located in a building that is used currently by a local fire department.

The center would be staffed by people trained in emergency response.

The center would serve as a hub for receiving and dispatching emergency calls and responses.

The counties hope to have the center operational within the next year.

New Salem School paper has all the news!

By MARY O'RIEN

The New Salem School paper has all the news!

The school paper is a great way to keep students and parents informed about school events and news.

The paper is published weekly and includes articles on school events, sports news, and student achievements.

The paper also includes advertising from local businesses, providing a valuable source of revenue for the school.

The paper is available for free at the school and is also available online.

Boards of Review

The boards of review are a series of meetings held by the counties to review the qualifications of candidates for local government positions.

The boards are made up of citizens from the county and are charged with reviewing the qualifications of candidates for local government positions.

The boards are expected to make a recommendation to the county commission on the qualifications of the candidates.

In some cases, the boards may also interview the candidates.

The boards of review are an important part of the democratic process and are a valuable way for citizens to participate in local government.
