They're District B-ball champs!

By AMY HEIDEN

Midway through the season, nobody much gave the Lakers a chance at earning a fourth straight district basketball title.

Then Coach Bill McClellan started tinkering with his team, moving people around while hoping for the best.

The best did happen, as the Lakers won three through the playoffs, and added another district trophy to their already-stuffed trophy case, with a 70-59 win over Harbor Beach Friday night.

The district win means they'll move on to regional action at Sandusky Wednesday, where they'll meet Flint Hamady at 7:30 p.m.

The Cass City Red Hawks and the Brown City Green Devils match up on Tuesday night, and the winners will meet on Friday for the regional title.

The Lakers struggled a bit during the season, McClellan said, but put everything together at the right time. "Just before we started winning some ballgames, I told my wife I'd like to get it right once, and we've been getting it right ever since," he said.

"That was just before we played Cass City (and beat them) and we got it right and we've been getting it right ever since."

They started their playoff quest right, by defeating Ubly in the district opener 75-64, getting their first win of the season over the Bearcats.

Although the Bearcats are known as three-point shooting teams and made a flurry of them in the first half, the Lakers still held a 35-28 advantage going into the third quarter.

And despite a late rally by Ubly that cut the 19-point deficit to six, a sure touch at the free throw line helped the Lakers hang on for the win, as they made 15 of 23 shots from the line in the final period.

"It was one of those games where you hang on," McClellan said. "You just hope you can keep scoring enough to hang on a win."

"I think we were patient enough to get the ball to the right people."

LAKER COACH BILL McCLELLAN, right, and proud District champs get trophy.

Sebewaing 300 Club winners

This week's winners of 300 Club prizes offered by the Sebewaing Chamber of Commerce drawing are $100 to Kathy Manary, $50 to Bob Lutz and $25 to K & B Creations.

MICHIGAN "by the numbers"

TORNADO TIME: Spring may be arriving this Sunday (finally), and that's good...but spring is also tornado time in the Midwest. You'll be seeing and learning more about safety tips, but here are how many tornadoes have been reported in Thumb and Saginaw Valley counties from 1956 to 1993:

- Huron County ................... 8
- Bay County ...................... 10
- Tuscola County .................. 9
- Saginaw County ................ 10
- Sanilac County ................. 10
- Genesee County ............... 27
- Lapeer County ................ 12
- Arenac County ................ 3

Elkton oks license transfer

Diners enjoying a meal at the Hitching Post Inn will soon be able to order a mixed drink or beer with their meals.

Elkton Village Council approved a resolution last week approving the transfer of ownership of a liquor license from Alvin Will in, owner of the Hitching Post Inn, to Hitching Post owners Frank and Lottie Podczarski.

The couple has been trying to get a license for several years for their restaurant, but only two licenses were available for the village. When ownership of Ty's and the liquor license reverted back to Wilis, who now lives in Nebraska, the license became available.

Elkton's summer recreation program may be in jeopardy this summer.

Village officials have asked the Huron Youth Center to take over the six-week program, but Youth Center officials may be reluctant to do so because of the time involved. The center is staffed entirely with volunteers and those volunteers are in short supply, plus they have little experience in running a recreation program, officials say.

Discussion on the matter was tabled until the April meeting, and a decision could be made whether or not to scrap the summer rec program entirely.

Clark Street and Drettmann Drive will be getting faucets this year, after Council approved the low bid of P.T. Inc. to rebuild and pave the streets, near Active Industries.

The bid is $32,124 includes paving these two streets, and paving from York Street 400 ft. into the industrial park, as well as the parking lot around the village's storage shed on Mullen Street.

In other business, Elkton Council:

- Approved a bid of $13,276 from McCormick Motors of Fingston for a new one-ton truck for the Department of Public Works.
- Approved entering into a maintenance project with Lane Northern, Inc. for yearly maintenance of the village's four wells. One well a year will be thoroughly checked and repaired at a cost of $5,000 to $10,000 a year.

See Round-Up Continued on Page 3
The Newsweekly Forum

As these words are written, we're in that odd period when the last of the holiday shopping takes place and when everyone knows the results of the election. It's a time when people are likely to make more purchases than usual. The shopping season is one of the most important times for many merchants.

As we write this, the news is filled with stories about the election and the economic outlook. The economy is expected to grow at a slow pace, and unemployment is still relatively high. The housing market is also seeing some signs of improvement, but it remains challenging for many.

The weather is expected to be mild, with temperatures in the mid-60s to low 70s. This is a good time to enjoy outdoor activities, such as picnics and walks in the park. The fall colors are also beginning to show, and it's a great time to take in the beauty of nature.

The newsweeklies are a great source of information and entertainment. They are available at many locations, including stores, libraries, and online. They cover a wide range of topics, from politics and economics to culture and entertainment. They are a great way to keep up with what's happening in your community and around the world.

Laker Concert Band earns 'I' rating in District competition

By AMY HEIDEN

It's that time of year again: the 1994 edition of the Laker Concert Band was to perform at the 9th annual District Band Competition. The District Band Competition, held on March 13, was the Laker Band's annual "A" rating audition. The competition was held at the University of Illinois at Urbana-Champaign, and was judged by a panel of music educators from across the state. The Laker Band, under the direction of Mr. Paul S. Huizenga, received a "B" rating in the competition, which is slightly lower than the "A" rating they have received in the past. The Laker Band's performance was praised for its technical precision and musicality, but was criticized for some minor mistakes. The Laker Band's next performance is scheduled for March 26, at the University of Illinois at Urbana-Champaign, where they will perform a program of music that includes works by Tchaikovsky, Beethoven, and Mussorgsky. The Laker Band is looking forward to this performance and hopes to receive a "A" rating in the competition.

Patching memories

which makes repairing large
needle wounds a simple
task. They work well for
wounds that are not too
large while fishing in Alaska. I
was using them to repair
the big hole in my pants
which was the result of
being hit by a rock.

The stretch was too much
and something had to give

don't work, which during
fishing a platform
quickly fixed their way to
my opinions beforehand.
They were big, black, ugly,
and would make me look
at the hole like it was
the only thing that could
be done.

So I tried a fishing
patch over the hole
and that's when the
wonderful stuff started
to work. I dried the
wound with a handkerchief
that I had with me.

Then I stuck the patch
on and the fishing
wound started to heal
quickly. I was amazed
at how well it worked.

I was fishing for
salmon and using
the patch as a
weight to keep the
hook in the
water. It was
working well.

LAKERS VS. HAMADY

The Newsweekly's Winter Sports Round-Up
Lakers face Hamady Wednesday

Continued from Front Page
The Lakers were led by Kevin Janzli with 13 points, while Seth Mauel followed with 7 points and 13 rebounds in领先laner added 15.
The USA PATRIOTS were on the offensive for the full game, taking the first half by 15 points. The Lakers then played a solid second half, matching points with the Patriots and closing the gap to 43-41.
"We had a good third quarter just like we've had almost all year," said Coach John Janzli.
"I'm happy with the Lakers coming out strong in the third. It's a shame we were outplayed defensively in the first half and then got beat from behind in the second half."
"It's not so much bettering down to how Lakers stepped up and got depressed."
"They got frustrated and they're on fire, but for the most part our fans were good enough to wear them down."
"We're going to try to play ball,

The Lakers started off with back-to-back buckets by Joe Briand before the Lakers came back with buckets by Mauel and Andy Mintz, 20-12, the end of the first quarter. The Lakers, however, started struggling in the second half, before the Lakers came back into the game and ended with a 39-38 lead to start the second half.

"All of us made a lot of a it a really good three-point game. Kristin Enrich nailed two straight three-pointers.

"I didn't even expect the Tonton to come out and shoot the three points. I thought we'd end up in the second half, going on a 13-1 run right off the bat in the third period. They hold the Pelicans to only three points, according to the USA"

Bill Smith has a job to do his way through a crowd of 1500 defenders to get to the basket. The Lakeview Lakers face off against the Lakeview Lakers at the opening of the district playoffs.

Bill Smith is a key player for the Lakers, who has seen very little of the Lakers' defense this season. He's been playing a lot of defense on the court, trying to get into the game and getting those easy two-pointers. This could be his chance to shine in front of all the other players.

Bill Smith has a job to do his way through a crowd of 1500 defenders to get to the basket. The Lakeview Lakers face off against the Lakeview Lakers at the opening of the district playoffs.

The Eagles fall in District play

The Osceola Eagles fall in the first round for the second consecutive year, losing to the Suring Northmen 52-45 last week.

"They put a great pressure on us and we had to make 10 points to beat them," Coach Mike Rusch said.
"We had a good second half that many times," Rusch added.

"The Eagles exploded on the last three points in the second half, closing the game in 26 points.

"We're back to back tomorrow for the first time in 10 years and we're back in the district playoffs."

Bill Smith is a key player for the Lakers, who has seen very little of the Lakers' defense this season. He's been playing a lot of defense on the court, trying to get into the game and getting those easy two-pointers. This could be his chance to shine in front of all the other players.

New groundwater protection act signed into law

The Michigan Groundwater and Freshwater Protection Council was established in 1974. The council operates under the aegis of the Michigan Department of Environmental Quality, and is charged with developing and implementing policies and programs to protect the state's groundwater and surface water resources. The council is composed of representatives from various state agencies and local governments, as well as members appointed by the governor. The council's activities include conducting studies, developing regulations, and providing technical assistance to local governments and other stakeholders. The council's goals are to protect the state's water resources and ensure their availability for future generations.

TEC meets Mar. 24

The 31st annual Thumb Eggplant Frolic and Carry-all Antiques Show will be held in Port Huron this Saturday. The show will feature over 60 vendors, offering a wide variety of antiques, collectibles, and home decor items. The event will be held from 9 am to 5 pm at the Port Huron Civic Center. Entry fees are $6 for adults, $5 for seniors, and free for children under 12. This is a great opportunity to browse and shop for unique and affordable antiques and collectibles.

Ap. 22 Earth Day

Earth Day will be celebrated on April 22nd. The Michigan Department of Environmental Quality (DEQ) will host events throughout the state to raise awareness about environmental issues and promote sustainable practices. The events will include tree plantings, educational workshops, and community cleanups. The DEQ encourages everyone to get involved and make a difference in their communities. Here are some events that you can participate in:

- **DEQ’s Tree Planting Event**: The DEQ will be planting trees at several locations throughout the state. You can participate by volunteering to plant trees.
- **Educational Workshops**: The DEQ will be hosting educational workshops on a variety of topics, including recycling, composting, and energy conservation.
- **Community Cleanups**: The DEQ will be organizing community cleanups in various locations throughout the state. You can participate by cleaning up local parks and beaches.

These events will be held at various locations throughout the state, so please check the DEQ’s website for more information on how you can participate in Earth Day events near you.

College Week help offered

You have until March 15 to apply for a scholarship to attend College Week this June. College Week is sponsored by the Michigan State University Student Government and is held at Michigan State University in East Lansing. To be eligible for the scholarship, you must be a Michigan resident and a full-time student at Michigan State University. To apply, you must submit an application form, a copy of your college transcript, and a letter of recommendation from a teacher or advisor. The application deadline is March 15, and the scholarship amount is $2,000. For more information, please visit the College Week website or contact the Michigan State University Student Government.

Agricultural education is critical to the future of our state's economy. By providing students with opportunities to learn about agriculture, we can ensure that they are prepared to enter the workforce and contribute to the state's economic growth. The Michigan State University Student Government is proud to offer this scholarship to Michigan residents who are interested in pursuing a degree in agriculture. We encourage all eligible students to apply and take advantage of this opportunity.

Michigan is truly leader in national ag production

By WALT RUMMEL, Michigan Ag News

MICHIGAN is a leader in the national ag production sector. The state produces a wide range of crops and livestock, contributing to the state's economy and providing a variety of food products.

Michigan ranks No. 1 in U.S. ag production and No. 2 in the nation in terms of farm income. The state is a major producer of corn, soybeans, and tobacco, among other crops.

Michigan's ag production is supported by a strong infrastructure, including a network of research stations, extension offices, and agricultural colleges.

Michigan Ag News is a publication of the Michigan Department of Agriculture and Rural Development, providing up-to-date information on the state's ag industry.
The Newsweekly's Thumb Area Calendar

ANNUAL TAX SALE
IN THE COURT OF COMMON PLEAS OF HURON COUNTY, OHIO.

The undersigned, pursuant to the provisions of the Code of Civil Procedure, and the laws of Ohio, do hereby give Notice to the Tax Collector of the County of Huron, that the annual tax sale will be held on the first Monday in May, 1994, at 10:00 A.M., in the Court Room of the Huron County Courthouse, at 525 Main Street, Norwalk, Ohio 44857. All persons who have any liens or taxes on any real property within the county are hereby notified that they must pay their taxes to the County Treasurer or file their objections with the Bureau of Taxes and Assessments before the first Monday in May, 1994.

The undersigned, also pursuant to the Code of Civil Procedure, do hereby give Notice to all persons who have any liens or taxes on any real property within the county, that the annual tax sale will be held on the first Monday in May, 1994, at 10:00 A.M., in the Court Room of the Huron County Courthouse, at 525 Main Street, Norwalk, Ohio 44857.

The undersigned, also pursuant to the Code of Civil Procedure, do hereby give Notice to all persons who have any liens or taxes on any real property within the county, that the annual tax sale will be held on the first Monday in May, 1994, at 10:00 A.M., in the Court Room of the Huron County Courthouse, at 525 Main Street, Norwalk, Ohio 44857.

The undersigned, also pursuant to the Code of Civil Procedure, do hereby give Notice to all persons who have any liens or taxes on any real property within the county, that the annual tax sale will be held on the first Monday in May, 1994, at 10:00 A.M., in the Court Room of the Huron County Courthouse, at 525 Main Street, Norwalk, Ohio 44857.

The undersigned, also pursuant to the Code of Civil Procedure, do hereby give Notice to all persons who have any liens or taxes on any real property within the county, that the annual tax sale will be held on the first Monday in May, 1994, at 10:00 A.M., in the Court Room of the Huron County Courthouse, at 525 Main Street, Norwalk, Ohio 44857.

The undersigned, also pursuant to the Code of Civil Procedure, do hereby give Notice to all persons who have any liens or taxes on any real property within the county, that the annual tax sale will be held on the first Monday in May, 1994, at 10:00 A.M., in the Court Room of the Huron County Courthouse, at 525 Main Street, Norwalk, Ohio 44857.

The undersigned, also pursuant to the Code of Civil Procedure, do hereby give Notice to all persons who have any liens or taxes on any real property within the county, that the annual tax sale will be held on the first Monday in May, 1994, at 10:00 A.M., in the Court Room of the Huron County Courthouse, at 525 Main Street, Norwalk, Ohio 44857.

The undersigned, also pursuant to the Code of Civil Procedure, do hereby give Notice to all persons who have any liens or taxes on any real property within the county, that the annual tax sale will be held on the first Monday in May, 1994, at 10:00 A.M., in the Court Room of the Huron County Courthouse, at 525 Main Street, Norwalk, Ohio 44857.
