The Pigeon Band Shell Entertainment Committee is pleased to present its third summer of entertainment—providing seven evenings designed to meet a variety of musical tastes.

The Pigeon Band Shell will kick off this Sunday, June 19 at 7 p.m., when Christian Comedian Stu Yoder rounds out a full evening of entertainment called "Community Spotlight." On the program will be a number of groups from area churches, plus a special appearance by the Laker Junior High Honor Choir and a string quartet performance by Sherry's Dancers. Lann Scheller will be joining the fun on his guitar and banjo, providing lively entertainment in addition to the more traditional.

The fun continues, kicking off a Patriotic Performance by comedian/musician Jonathan Stas on Thursday, June 30 at 7 p.m., just in time for your concert goers up for the July Fourth Holiday Weekend.

Families will enjoy attending the "Gemini" concert together on Saturday, July 9 at 7 p.m., as identical twin performers Sue and Sue entertain with matched voices accompanied by nearly a dozen musical instruments.

For those who enjoy "beach music" and dream about re-living 50s and 60s music, the group "Endless Summer" coming Thursday, July 14 at 7 p.m. will fit the bill.

Two of the biggest concerts of the summer are featured next.

"Harper Valley PTA's" Jeannie C. Riley hitting the Pigeon stage on Tuesday, July 19 at 7 p.m. Her Pigeon appearance is co-sponsored by WJEW-FM. A large crowd is expected so concert-goers are advised to come early.

The Tommy Dorsey Orchestra enjoyed their visit so much two years ago that they are returning for another performance on Wednesday, Aug. 17 at 7 p.m. Their 1992 concert drew almost 1,500 people — more than Pigeon's population — and was promoted by Big Band Radio Station WNKX. Again, come early for good seating, sponsors advise.

The final concert of the 1994 Summer Series just may be the most fun.

The New Reformation Dixieland Band with Dave Opperman will appear on the Band Shell stage on Saturday, Aug. 28 at 4 p.m., immediately following Pigeon's popular Corn Roast.

Admission rates vary with each concert and are payable at the gate. Visitors should bring lawn chairs and blankets for most comfortable seating.

Today is TUESDAY, JUNE 14, and we're exactly at the half-way point of the month. If I were to have a calendar for the month, I'd have to fill in the blank for last weekend. I was off for the entire week, and it's been a bit of a whirlwind. I've been working on a project for school, which has been taking up most of my time. I've also been trying to catch up on some reading and writing, but it's been a bit of a struggle. I'm trying to find a balance between my work and my hobbies, but it's been a bit of a challenge. I'm looking forward to the weekend to catch up on some sleep and relax.

I don't have a lot of time these days, so I'm trying to make the most of my free time. I've been trying to find more hobbies to fill my days, but it's been tough. I've been thinking about starting a new hobby, but I'm not sure what to start with. I've been trying to learn some new skills, but I'm not sure if I have the time or the energy to do it. I'm trying to find a way to recharge my batteries and get some energy back into my life.

I'm hoping to find some time to spend with my friends and family this weekend. I haven't seen them in a while, and I miss them. I'm looking forward to catching up and spending some quality time with them. I'm also hoping to do some outdoor activities, like hiking or going for a run, to get some fresh air and some exercise.

Overall, I'm trying to find a way to make the most of my time and stay motivated. I'm hoping that by the end of the month, I'll have found a good balance between my work and my hobbies. I'm looking forward to the end of the month and the start of the new one. I'm hoping to find some new hobbies to fill my days and stay motivated.

"The roads need to be fixed."

A lot of folks in Huron County have been telling us that lately. They want safer roads for schools bussing children. They're concerned about the hazards and delays that ambulances and other emergency vehicles must deal with because of bad roads. They want smoother roads, whether they're cruising in their pick-ups on a sunny day or trying to haul a loaded beet truck to market in the rain or snow.

On June 27, Huron County will hold a special countywide election to fix the problem. On the ballot is a 2-mill proposal to rebuild half of the county's primary roads and some local streets. The road millage will:

- Rebuild and resurface 50 percent of the county's primary road system.
- Build roads to last.
- Help the county take full advantage of state and federal matching funds for road work.
- Reduce the cost of maintaining the county's deteriorating road system.
- Make Huron County Roads as safe and smooth as they should be.

The Huron County Road Commission has prepared the following answers to questions that may help you make an informed decision June 27. If you need more information, please call us at 269-6404.

John T. Martin
Secretary-Manager

How much will the millage cost me? That depends on the value of your property. For most people, the answer is less than a dollar a week, or $50 per year for five years. To get an exact answer, multiply your property's State Equalized Valuation (SEV is usually half the market value of your property) by .002.

Why do we need a special millage? Our roads need fixing. We can continue patching pot holes, but what we really need is the money to rebuild—not just patch—deteriorating roads so they'll last. Revenues from the Michigan Transportation Fund has not kept up with the increasing costs of maintaining our roads. This funding gap has resulted in an aging road system that needs serious repairs.

At our current level of funding, we may not even be able to secure state and federal matching funds for future road work. That's a real shame because these funds represent tax dollars the government has already collected for such projects—money we'd lose if we can't come up with the necessary funds.

The Ballot Question

The Board Question

Will what happen if the millage doesn't pass? The county road system will continue to age and be compromised every year. It will also continue to damage the cars, trucks, buses, and emergency vehicles that travel our roads. Researchers estimate that Michigan motorists pay about $106 per year for extra car maintenance and fuel due to driving on bad roads.

Q & A
June 27
Special Millage Election for Roads

What is the ballot question? The ballot question asks voters if they want to raise the road millage from 1.0 mills to 2.0 mills. The proposed millage, if approved, will last for 5 years.

If the millage passes, when will we pay? The amount will be included on your June 27 Special Millage Election bill.

If the millage fails, what will happen? The county road system will continue to age and be compromised every year. It will also continue to damage the cars, trucks, buses, and emergency vehicles that travel our roads. Researchers estimate that Michigan motorists pay about $106 per year for extra car maintenance and fuel due to driving on bad roads.

**Talk is cheap and the pay is lousy**

DEAR MR. ROSS: I’m drowning in debt. The problem started a year ago when companies began sending me pre-approved credit card applications. I never heard much about them before. Now I’m paying 19% interest on nearly all my credit card debt. I need help! How can I get out of debt and on a more solid financial footing? The only job I’ve had since I moved to Los Angeles is as a telephone operator. It never was so bad at the beginning, but now I can’t see any way for myself. I’m now behind in rent on myself because I’m unable to live on my disability and my pay is only $17.00 a week. I owe about $100.00 on my credit card and I’m not making anything close to what I need to even cover my rent for my 1-bedroom apartment.

DEAR MR. ROSS: Two years ago my small in- terior door opened at work. I had to have one held for me. One week later the hospital charged me $2,000 for the door. I had the door and I had to pay for it. I was on a very low salary at the time. My mother had no way to pay. What really needs to be the new beginning? My mother passed away while I was in the hospital. May this year my husband was fired and my mother-in-law with my father.

DEAR MR. ROSS: I don’t know what to do. Los Angeles and go back home, but I can’t afford to live with my financial responsibilities. I need your help. My wife and I have no children. What really needs to be the new beginning - to go on our own? I can’t afford to pay rent. I’m so sorry for the inconvenience. Please don’t charge me interest. Kids’ Canine Extravaganza set for Pigeon

There has been a lot of interest in the upcoming Kids’ Canine Extravaganza event. The event is scheduled to take place on May 15, 1994, at the Pigeon Elementary School. The event will feature a variety of canine activities, including a dog show, agility trials, and a costume contest. The event is open to all ages, and there will be judges to award prizes for the best dogs and costumes. The event is sponsored by the Pigeon PTA, and all proceeds will go towards funding the PTA’s programs for the upcoming school year.
Country Bay Village finds its niche in the community

By BARRIE BROOKS,
Chronicle Correspondent

Country Bay Village is happy to be hitting the ground running and generating buzz in the community with their first annual Spring Garden Stroll. This event will be held on April 13 from 1 to 7 p.m. and is open to the public. The Village’s founders are also excited to see the positive response from the community.

Announcements

Country Bay Village will host an Open House on April 8 from 11 a.m. to 5 p.m. to give visitors an opportunity to tour the homes and become familiar with the community. The Open House will feature tours of model homes, a raffle for a chance to win a home, and refreshments.

Children who are interested in becoming part of the community can visit the Country Bay Village Sales Center at 123 Main Street on April 8 from 11 a.m. to 5 p.m. to get more information about the opportunities available.

Country Bay Village is located in beautiful Trinity County, just off of Interstate 10. Visitors are welcome to stop by the Sales Center for a tour or to learn more about the community.

For more information, please visit www.countrybayvillage.com or call 555-1234.

The Country Bay Village community is dedicated to providing residents with a high-quality lifestyle in a safe and vibrant environment. We encourage you to visit our Sales Center or contact us to learn more about our unique community and the opportunities available.
