Wet, but wonderful Sugar Fest!

How do you sum up the 30th annual Michigan Sugar Festival, conducted this past weekend throughout Sebewaing?

In a word — wet.

But still, good crowds were reported in most events and features, after about three inches of rain fell all day Friday and scattered showers nearly postponed Saturday’s Grand Parade.

Friday’s sidewalk sales were pretty much drowned out by the much-needed moisture, and many Friday events were conducted at Sebewaing Middle School — including Friday’s stage show plus crowning of 1994 Queen Nicole Longhi.

But after a few more rain showers Saturday morning, skies cleared for the Grand Parade and carnival rides, plus many other events.

Sunday’s beautiful weather capped off a successful, busy weekend.

Here are some of the winners, as received thus far:

1994 SUGAR QUEEN
NICHOLE LONGHINI

Nicole Longhi of Sebewaing was crowned the 30th Michigan Sugar Queen, Friday night. First runner-up was Heidi Schram of Sebewaing. Second runner-up was Valerie Hickey of Fairgrove.

FINAL 300 CLUB WINNERS

Michele Moyer of Sebewaing is the first $100 winner, in the Sebewaing Chamber 300 Club Raffle, to benefit Sugar Festival Fireworks.

William Prince of Sebewaing won the $50 prize, and Ray Field of Sebewaing won $25 prize.

ANYTHING GOES OLYMPICS

The winning adult team in the Anything Goes Olympics, a new feature this year’s 30th Michigan Sugar Festival, was Steve and Pat Green. Junior winners in the 10-to-14 year old division were: Shawn Grass, Troy Vermaasch, Jeff Slott and Andrew Rasmussen.

Parents unhappy with Caseville School Board

State funding won’t follow eight Caseville School District students to their school next year, after the Caseville Board of Education denied a request from parents to officially release the students, during last week’s meeting.

Parents of the students, who all attended school in the Laker District, had requested the Board release their children, but after discussing the issue, the Board refused.

Under the old state funding formula, both Caseville and Laker schools were “out-of-formula” and received little state funding. But under Proposal A, both schools will receive money based on their enrollment. If all the students continue to attend Laker schools without an official release, the Caseville District will not receive state funds for those students, nor will the Laker district.

FIVE CHILDREN are affected by the decision, according to Sum Lundberg, whose son attends Laker High School. He also has two daughters attending Caseville schools.

“It’s unfortunate the way things concluded,” Lundberg said.

Thanks A Million!

DEAR MILLIE: I really enjoy your column and always look forward to it. I have a problem I need to share with you. I have two children, ages 10 and 12, and I have been trying to teach them to do the dishes. They are both very busy with school and extracurricular activities, so I have been trying to get them to do their share of the work. However, they are not very interested in helping out. How can I motivate them to do their dishes?

DEAR MILLIE: I have never been a fan of exercise, but I have been trying to get into a regular workout routine. I have been going to a gym, but I find it boring and don’t want to go. What can I do to make exercising more enjoyable?

DEAR MILLIE: I am planning a trip to Europe next year and I am trying to decide which countries to visit. I have heard that Italy, France, and Spain are all wonderful places to visit. Which one would you recommend?

DEAR MILLIE: I recently lost my job and am trying to figure out how to make ends meet. I have a small savings account, but I am not sure if that will be enough. What do you suggest I do to improve my financial situation?

DEAR MILLIE: I am trying to decide whether to buy a car or a bicycle. I live in a city with a lot of traffic, so I think a bicycle would be better. However, I also have to consider the costs of maintenance and repairs. What do you think I should do?

DEAR MILLIE: I am trying to lose weight and have been doing a lot of research on diet plans. I have heard about the ketogenic diet and the paleo diet. Which one would you recommend for weight loss?

DEAR MILLIE: I am a new mom and I am trying to figure out how to balance work and parenting. I have a lot of responsibilities at work and I am not sure how to manage my time effectively. What can I do to improve my work-life balance?

DEAR MILLIE: I am trying to decide whether to paint my living room blue or orange. I have seen some pictures online and I am not sure which color would look better. What do you think I should do?

DEAR MILLIE: I am trying to decide whether to take a gap year or to go to college right away. I am not sure if I am ready to leave home and go to college. What do you suggest I do?

DEAR MILLIE: I am trying to decide whether to buy a new car or to continue driving my old one. I have been thinking about getting a new car, but I am not sure if it is worth the investment. What do you think I should do?

DEAR MILLIE: I am trying to decide whether to renovate my kitchen or to leave it as is. I have been thinking about doing some minor changes, but I am not sure if it is worth the effort. What do you think I should do?

DEAR MILLIE: I am trying to decide whether to get a pet or to stay single. I have been thinking about getting a pet, but I am not sure if it is the right decision. What do you think I should do?

To EVERYONE in the SEBEWAING COMMUNITY and to all the SUGAR FESTIVAL STAFF...

Wet, but wonderful are the words we’ve heard people describe the 30th Annual Michigan Sugar Festival this past weekend! We are truly grateful for the rain which will greatly help our 1994 Sugar Beet Crop, and we did our best to work around the rain stamps in presenting a full weekend of enjoyment, entertainment, fun and memories for many families from the Thumb and neighboring areas.

Since we volunteered to put Sebewaing on the map with the first Sugar Festival back in 1965, our hometown event has grown. We’re getting more area and regional attention and it’s all because of the efforts put forth by our local volunteers.

This is just to thank all the people who help plan activities, work on committees and programs, sponsor events, floats or promotions. We want to say a big “THANK YOU” to everyone involved in the sugar beet industry, including beet producers and processors. Everyone who attends to share the fun is vital to our success.

We couldn’t have done it without every one of you, and we sincerely thank everyone... for everything. Don’t forget, our 31st Sugar Festival is just 51 weeks away and we’ve already put our order in for good weather!

Thank you, and God Bless You All.
