21 days to 21st Farmers' Festival

By AMY HEIDEN

"DOLLS, BEARS AND CRITTERS" will be on display and on sale on Friday, July 29 during the 21st annual Farmers' Festival in Pigeon. Finely crafted porcelain dolls and custom-dressed bears will be displayed along with John Deere tractors on Friday, July 29 from 10 a.m. to 6 p.m. at the Pigeon Elementary School gym, according to organizer Donna Orr, shown above on right.

"The display and sale will feature bears dressed as Victorian ladies, wizards and fair maidens; clowns, chefs and musicians," she says. Helping show their lovely wares are, from left, Sherry Harrington and Donna Ziel.

USA School vote is Aug. 15

USA School District voters will go to the polls again Monday, Aug. 15 to decide on a request for enhancement millage. The district is again requesting passage of two additional mills for three years, to bring off a projected budget shortfall of up to $150,000. A similar request was defeated 379 to 344 during the annual school elections June 8.

According to new regulations under State Proposal A, school districts can levy a maximum of these additional enhancement mills for up to a maximum of three years with voter approval. If approved, the millage would generate about $226,700 the first year, and cost a property owner of a $60,000 home $60 a year.

MICHIGAN 'by the numbers'

TIMES HAVE CHANGED: Michigan's original Constitution of 1835 banned state lotteries, even though they were common elsewhere at the time. It also limited the compensation of legislators to $3 a day, a provision which wasn't abolished until 1994, according to the book "Michigan: A History of the Wolverine State."

Paul's Service/Unionville bowlers are best in state!

Five women have put the town of Unionville on Michigan's map — and they did it by winning the Michigan State Women's Bowling Tournament last week at Bay City.

The Paul's Service/Unionville Team won the top handicap team championship of the state by turning in the top performances of their bowling lives.

Connie Stry, Shelly Saksen, Diane Goslin, Carol Kata and Linda Goss won 10 of 15 games, and 15 of 25 strikes, in the 15-game series, including a 575 pin handicap...and all five bowlers get the average. They posted a score 16 pins better than the runner-up team.

The team posted their top score back in March at Monitor Lanes in Bay City, but they do most of their bowling at American Legion Bowling Lanes in Unionville. They started out with a 721 game, over their average, then bowled an 814. Next game saw them get a score of 929 — 'way above their average, considering most carry averages in the 140s.

The title of state champions is worth about $4,000 to the ladies, who plans a big celebration on July 24, just after the state bowling awards are handed out in Bay City. 'They plan a barbecue and picnic at the ball field to celebrate their new found bowling "frame fame."

New USA starting times

It will be early to bed and early to rise this fall when school resumes in the USA School District following the approval of time changes for starting and ending the school day.

Board of Education members approved starting classes 20 minutes earlier and ending the school day 10 minutes earlier during the 1994-95 school year. Classes will begin at 6:40 a.m. and end at 3 p.m. — compared with former start times of 8:30 a.m. and 3:10 p.m.

The change is necessary for high school students who attend the Tuscola Area Skill Center, to implement a breakfast program now mandated by the state and for the proposed earlier starting times for sports practices and events.

In March, the Tuscola Intermediate School District ap...
**Coverage promised, as Ambulance workers take sick leaves**

By WALTY REMM

It is still a side issue of Sebewaing Township, as eight members of the Township Ambulance Service notified them Wednesday that they would be taking sick leaves.

It is acknowledged in this edition of The Newswriter that the Township is making a move to provide more capability for the Township Ambulance Service. They have already made a move to hire another paramedic and that move is set to happen anytime now. It makes sense to provide more capability beyond what the township possesses now.

Township Clerk Sheldi Fidig

Said that two new qualified

members are now in the

township, and that he is hopeful that the township will not have this issue with the loss of so many employees.

Another employee mentioned that he made sure that his employees got paid by any means necessary.

**Sling Reunion coming July 17**

The Sling Reunion will be coming on July 17, and the event will be held at the home of Mr. and Mrs. Pearl Pizzuti, 207 Thorne

Road, Sebewaing Township. The day will begin at 9 a.m. with a noon potluck, followed by the actual potluck, and selection of officers. Adults who plan to attend must provide a ticket, which can be purchased at the door for $40 per person. There will be a $10 fee for children ages 10 and under.

All members of the Sling Reunion are invited to attend. For more information, please contact Mr. and Mrs. Pizzuti at 989-295-3164.

**Huron road miles pass**

The first Huron County road miles were passed by a slim 15-15 margin last week. Voters approved the 1.2 mile of the proposed 4.5 mile of road improvement.

The townships will have about 30 miles of primary roads in the county, and TSD will have about 40 miles of secondary roads. The board has been working hard to get these roads approved.

**Court proceedings**

The trial of Richard D. Howard, 37, of Huron County, is scheduled for March 13-14. Howard is accused of first-degree murder in the death of his mother, Emma Howard, 60, of Huron County. According to the victim's family, Howard killed his mother in their home on March 13, 2022. Howard is accused of stabbing his mother to death with a kitchen knife. Howard is in custody at the Huron County Jail.

Questions about Sugar Fest parade judging

BY MYRTLE JACOBSON, Sabine

We want to know what our community was aware of when the Sugar Fest Parade was first announced in the city of Sabine. This parade has become a social event in the religious category. We have been made aware of the parade through the Sabine newspaper. We are also aware of the parade through the Social Services Bureau of the Salvation Army. The first parade took place on May 25. It was organized by the Sabine High School Band. A parade of floats and bands was held in the city of Sabine. The parade was called the "Sabine High School Band Parade."

I also wish to know, if we have not seen or heard anything about this parade, what is the origin of the parade? Are there any records of the parade in the Sabine High School Band? Are there any video recordings of the parade? I also wish to know if there are any plans to organize a parade in the future.

A proverbial "window of opportunity"

DEAR MR. ROSE:

I hope you are well and warm and all is well with you. I trust you are taking advantage of the warm weather by spending your time out and enjoying the sun. The weather this week has been quite pleasant, and I hope you are enjoying it as well.

Mr. Rose, I attended the Symphonic Performance last night, and it was a wonderful experience. The orchestra played beautifully, and the soloist’s voice was absolutely breathtaking. I am very grateful for the opportunity to attend such a high-quality event.

I also wanted to express my gratitude for the support of the local arts community. The剧院 has been a staple of our culture for many years, and I am proud to support it in any way I can.

Thank you, Mr. Rose, for all that you do for the community. You truly make a difference.

Sincerely,

As Rev. Neil Bekelaars himself it, his mission in his new position is simple: "After Christ."

What he will work towards is action for the two new congregations, not to be worked out, he says, whatever it will be outreach programs or simply taking church members to church. Bekelaars is a Lutheran and he is "New Among" the Lutheran church in Hayes and Midland. He says his mission is to make the church a better place for everyone.

Sebewaing corn crop doing well for turkey habitat

By Walt Hummel

A Saturday is early July when a pile of feed for Great Lakes Turkey Producers was dumped into the wild on Fish Island. This is not uncommon, as the corn crop is doing well and more and more reports are coming in that mature turkey hens, some with flocks of poults, are being sighted. Wild turkeys have been seen on Fish Island and other parts of Washtenaw and Lenawee County, now located in the county. This is why the Sebewaing chapter of the National Wild Turkey Federation has been organized, to promote that trend.

About 40 years ago the Great Lakes Turkey Producers started the Turkey Festival, which still runs today, and continues to be a popular event. The festival has been held annually on Fish Island, a 2200-acre island in Lake St. Claire, for over 50 years. The festival features turkey hunting, fishing, and other activities. The island is owned by the Fish Island Wild Turkey Foundation, which manages the land for the benefit of wildlife.

Larry Lenz took the turkey feed field, providing food for the new birds.

New Laker gym floor being installed

By AMY HEIDEN

For 14 years, the floor in the Laker High gym has held the memories of hundreds of students and fans of the Laker basketball program.

When the memory lane of the old floor was lifted away last week, the first step toward a new floor was taken.

In an effort to improve the facilities at Laker High, school administrators have requested bids from local companies to provide a new gym floor for use in the school's gym.

The new floor will be constructed by a local contractor and is expected to be completed within the next few weeks.

The decision to replace the old floor was made after a thorough evaluation of the condition of the existing floor, which had been in use for over a decade.

The new floor will provide a safer and more comfortable environment for students and fans alike, and will help to ensure the continued success of the Laker basketball program for years to come.

SEBEWAING TOWNSHIP BOARD
Notice of Public Hearing on Increasing Property Taxes

The Sebewaing Township Board of the Township of Sebewaing will hold a public hearing on a proposed increase of 0.0496 mills in the operating tax millage rate to be levied in 1994.

The hearing will be held on Monday, 7-11-94 at 8:00 P.M. at the Sebewaing Township Hall, Sebewaing, MI.

The date and location of the meeting to take action on the proposed additional millage will be announced at this public meeting.

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 1-1/424% over such revenues generated by levies permitted without holding a hearing. If the proposed additional millage rate is not approved the operating revenue will increase by 2.25% over the preceding year's operating revenue.

The taxation until publishing this notice, and identified below, has cause to establish the amount of mills to be levied from within its authorized millage rate.

FRED DUGGAN
District 4 County Commissioner
Mishaw, Oliver, Chandler & Colfax Townships

Sebewaing, Michigan, a "C" Class Township under the provisions of the Township Law of the State of Michigan effective October 1, 1993.

The hearing will be held on Monday, 7-11-94 at 8:00 P.M. at the Sebewaing Township Hall, Sebewaing, MI.

The date and location of the meeting to take action on the proposed additional millage will be announced at this public meeting.

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 1-1/424% over such revenues generated by levies permitted without holding a hearing. If the proposed additional millage rate is not approved the operating revenue will increase by 2.25% over the preceding year's operating revenue.

The taxation until publishing this notice, and identified below, has cause to establish the amount of mills to be levied from within its authorized millage rate.
