Special Olympics 'Water Warriors' arrive in Caseville Aug. 3

When the Michigan Special Olympics, Water Warriors arrive on Caseville Municipal Beach on Wednesday, Aug. 3, you can bet that Caseville resident Paul O'Connell will be there to greet them. It is one of two grandchildren participating in this fund-raising event, which is expected to net over $2,300 for Michigan Special Olympics.

Caseville resident Paul O'Connell has volunteered to lead his two grandsons in the event, which starts at 10 a.m. at the beach. The boys, brothers, and 12-year-olds, are scheduled to paddle their way from the start line to a "paddle" at Theis during their five-day fund-raising event at the beach. "Water Warriors" sponsor is a branch of Michigan Special Olympics, a nonprofit organization whose goal is to provide a special Olympics program for the mentally disabled.

The annual water war takes place the first week in August and attracts children from all walks of life. They come together to paddle their way to the finish line, despite the weather conditions.

USING THE NEW FOOD LABEL

- Amount of Cholesterol Listed on the Food Label

The amount of cholesterol in a serving of food is listed in milligrams (mg) on the Nutrition Facts panel and is expressed as a percentage of the Daily Value. The Daily Value for cholesterol gives a general idea of how much cholesterol can contribute to the total daily diet.

- Why Worry About Cholesterol?

Eating a diet higher than recommended in cholesterol and saturated fat may increase blood cholesterol levels in some adults. A high blood cholesterol level puts adults at risk for heart disease and stroke, and may put children and teens at risk of developing heart disease years later.

Jahrs lead St. Swithin’s Day observance

By WALT FARMER

Thomas and Loraine Jahrs, along with their son, St. Swithin’s Day gathering at their home on the banks of the Sycamore River Friday afternoon, a day of remem-berance, was transformed into a joyous festival. The event, called St. Swithin’s Day, is a traditional celebration held in June in many British communities to commemorate the life of St. Swithin, the patron saint of weather. The weather was quite sunny and pleasant for the occasion.

The event began with a parade of decorated vehicles, followed by a picnic in the park and a live performance by a local band. The atmosphere was filled with music and laughter, and the weather was perfect for outdoor activities.

The Jahrs’ house was decorated with flags and streamers, and the yard was filled with friends and family. The event was a huge success, and the Jahrs were delighted with the turnout.

Gardeners wanted in the Thumb

The Master Gardener program is designed to provide volunteers with training in mul-tilocal, multi-disciplinary topics such as plant identification, pests, disease, and soil management. The program aims to educate the public on sustainable gardening practices.

The event is open to anyone interested in learning more about gardening and improving their skills. For more information, visit the Master Gardener website or contact the local agricultural extension office.

For the contributions made by area farmers and their families, I extend to you on behalf of the entire 34th District. Together we can work towards maintaining and growing our strong agricultural foundation.

I extend to all of you my best wishes as you celebrate the role of the American farmer in your 1994 Farmer’s Festival, July 26-31 in Pigeon. Have a wonderful time experiencing “Downhome Fun In The Country”!

These horseshors seem lucky!

By ANGELA WEIDMAN

Wrens’ Thumb horseriders are very excited for the town’s newest annual event, the Gladstone Horse Tournament. According to long-time rider, Magdelen Heflin, the two events were added to accommodate more people, and the town is even host to a horse Tournament, there by adding to the excitement.

Tell me why...

Mary and John Sullivan, a couple from Gladstone, have been attending the tournament for years. They say they enjoy the chance to see horses in action, and it’s a great way to spend a Saturday afternoon.

Bean Queen Tanya

BY ANGELA WEIDMAN

Wrens’ Thumb horseriders are very excited for the town’s newest annual event, the Gladstone Horse Tournament. According to long-time rider, Magdelen Heflin, the two events were added to accommodate more people, and the town is even host to a horse Tournament, there by adding to the excitement.

Tell me why...

Mary and John Sullivan, a couple from Gladstone, have been attending the tournament for years. They say they enjoy the chance to see horses in action, and it’s a great way to spend a Saturday afternoon.
