It's time again for Unionville tourney!

By MARY DRIER

Better up! It's time again for the 19th annual Unionville Ball Leagu e Tournament this Friday, Saturday and Sunday at the Unionville Ball Field. Action begins 5 p.m. Friday and continues again at 6 a.m. on Saturday and Sunday with over 18 teams competing. Last games on Sunday are 1:30 p.m. and 3 p.m. All-Star games are Saturday for Pony League players ages nine and under, while All-Star games for Little Leagues 10 to 12 are Sunday. The league has been associated with the Little League Baseball of Williamsport, Pa., since 1992. The 11- and 12-year-old players' All-Star teams annually compete in the Little League World Series Tournament. "All proceeds for this weekend tournament and associated activities go directly to the improvement of our equipment and facilities," said organizer Scott Bitter. "In the past, the tournament has helped us purchase balls, bats, uniforms and new catchers' equipment, as well as installing fencing for our diamond - improving one diamond last year and hopefully improving the other one this year."

Also, Bitter says organizers hope to purchase a pitching machine this year. Besides lots of hard-hitting baseball, the Ball Tourney features a beer tent each with the band "Young Country," a chicken barbecue at noon Sunday and several concession stands. The Unionville Ball League is a non-profit organization dedicated to teaching children ages three to 15 years of age the joys of baseball.

USA votes again Aug. 15

Voters in the USA School District will go to the polls again Monday, Aug. 15, to decide on a request for enhancement millage. The district is again requesting passage of 2 additional mills for three years to eliminate a projected shortfall of up to $150,000. A similar request was defeated 379 to 344 during the annual school elections June 6. According to new regulations under Proposal A, school districts can levy a maximum of 3 additional enhancement mills for up to three years with voter approval on homestead property.

If approved, the millage would generate about $260,700 in the first year, and cost a property owner of a $50,000 home $60 a year. — By MARY DRIER

Ambulance at full staff

Sebewaing Township Ambulance is again at full complement, with the return of eight members who took a 30-day voluntary leave of absence 6 months ago, according to Township Clerk Sheila Fuchs.

When the leave began, Township officials brought in newly-qualified members and the department qualified members — and they notified residents that full service was available at all times during the 30-day period.

In the meantime, The Township Board, with the assistance of an ambulance department committee, developed a written "protocol" and listing of job descriptions. The Township Board, as the elected governing body of the township, prepared and studied the protocol, then approved it at a special meeting Wednesday night. — By WALT RUMMEL

4-county transit plan gets final approval; starts Oct. 1

By BRIAN MILLER

The first step needed to create the four-county transit system is in place.

During a special meeting Thursday night, Tuscola County Commissioners approved a plan in principle to create a new bus service to serve the community. The plan is similar to Tuscola County's existing service, which is known as Tuscola Transit.

The Tuscola County plan calls for a new service that would run from Benton Harbor to St. Joseph and back, via a stop in Michigan City. Tuscola County service would begin in September and end in May.

In addition to Tuscola County, other local governments in the service area are considering similar plans.

Tuscola County officials have been working on the plan for several months, and they believe it will provide a much-needed service for residents in the area.

The new service will operate on a daily basis, with buses running between Benton Harbor and St. Joseph throughout the day.

The Tuscola County service will be funded by a combination of local and federal grants, as well as contributions from local businesses and organizations.

The service will be offered to residents of all ages, and it is expected to be a popular addition to the community.

Breakfast set Aug. 6 at Ed's

The "Annual" Rheemga will be held Aug. 6 at Ed's Restaurant in Benton Harbor. The event is sponsored by the Benton Harbor Chamber of Commerce.

Serving is 7 am to noon, and the menu includes breakfast items such as eggs, pancakes, potatoes, toast, juice and coffee.

Barbra Coe, a former minister at the church, will be the new pastor. 

The church has a long history of serving the community, with members dating back to the 1940s. 

Barbra Coe has been involved in the church for many years, serving as a deacon and a member of the Sunday school. 

She has been working on the church's new pastor search committee since the previous pastor, Bill Black, left in 2016.

"We want a pastor who is enthusiastic and who will work with the congregation to reach out to others in the community," Coe said. 

Coe said the church is planning to hold a series of events to introduce the new pastor to the congregation and the community. 

"We want to make sure everyone has a chance to meet the new pastor and learn about their vision for the church," Coe said.
