My Canoe Trip With Lisa By Tracey

My word, I thought You said you knew how to canoe. Ha!
Close encounter everytime - real close! - too close! Always in a mess. Never just floating. Ouch, I keep getting hurt! Enough already, I've had enough!
Tip over.
Ram into trees and things.
If I'm the steerer, why do I Paddle like crazy to straighten us out?
Why can't we go straight, I asked? I don't want to argue about who knows how to canoe. Therefore I keep my mouth shut and end up Hugging trees and getting hooked.
Let's slow down and wait for the others I suggested. I want out, but you didn't stop so I had to Swear to let you know I am Angry, frustrated & concerned about kids being with us!
But You sit there laughing
Thinking I look funny Really, it would have been Accepting my appearance, if it hadn't been for Caleigh and Kyra being in between us. Enduring this canoe trip just gave us Years of laughs and talks.

Congratulations to Richard and Elizabeth Addy of Caseville who will be celebrating their **50th Wedding Anniversary** this September 16th with family and friends. God Bless you with many more years of happiness together.
