**LOCAL NEWS**  
The Manchester community is deeply interested in the progress of the local schools, and the recent report of the school board is a source of much satisfaction. The board has decided to increase the number of teachers and to improve the curriculum, so that the children of Manchester may receive the best possible education. The board also plans to build a new school building, which will be completed next year. This new building will be a model of modern school architecture, and will provide ample room for the growing number of students. The board also plans to purchase new books and supplies, so that the students will have the latest and best materials for their studies. The board's plans are a testament to its commitment to the education of the children of Manchester, and to the improvement of the community as a whole.

**HOME DEPARTMENT**  
The Manchester Home Department is a valuable institution for the community, and its recent report shows that it has been very successful in its work.
