matter of the choicest and most select character, which cannot fail to prove entertaining to the old and young of both sexes. John Clark, who shot officer John Trevor, was hanged in the jail-yard at Rochester, N. 7. November 19. He slept very little the previous night, ate a hearty breakfast, conversed with apparent unconcern, and walked to the standing a little all scaffold smaking a cigar. He seated him self on the drop, and throwing away the cligar, listened to the reading of the death warrant and the prayer of the clergyman. When directed to stand, he did so, erect, and the desired change was quickly efficied. It was a single rose with a modifier, and the desired change was quickly efficied. It was a single rose with a felicate spray attached to it. "How much shall I pay?" she asked the modifier, and in answer to the question, if he had, anything to say, replied, Nothing, except that he hadn't had a fair trial.

A Fashionable Bonnet.

IProvidence Berald.]

Not long since a lady entered a fashionable millinery establishment in Bose ton, for the purpose of having a little all teration made in the face trimming of her bonnet. She selected a flower suit. She was consumed in the warrant and the prayer of the clergyman. When directed to stand, he did so, erceive, for fifty cents per annum, a journal published in the World.
