VOL. 11.--NO. 41.

PORTY, LESS ONE

BY JAMESTER HARDWIN

Over by the tangled thicket.
Where the level meets the aill,
Where the mealy aider tushes
(Towd around the ruined mill.)
Where the thrushes whistle early.
Where the index love to play,
Where the netties, tall and stings
(round the vine-obstracted way,
Where the tired brooklet lingers
in a quiet little pool.

Mistress Salmo Fontinalis Keeps a very private school. Forty little speckled beauties

Come to learn of her, each day, How to climb the foaming rapids, Where the flashing sunbeams play, How to navigate the eddies, How to navigate the eddies,
How to sink and how to rise,
How to sink and how to rise,
How to leap for passing perils,
How to leap for passing flies,
When to play upon the surface,
When beneath the stones to hide.
All the secrets of the water,
All brook learning, true and tried.

"That's a good-for-nothing skipper;"
"That's a harmless yellow-bird,"
"That's the flicker of the sunshine,
When the alder large area. "That's the flicker of the sunshine,
When the aider leaves are stirred."
That's the shadow of a cloudler."
"That's a squirred come to drink."
"That - look out for him, my darlings!
He's a fierce and hungry mink."
"That's the ripple on the water.
When the winds the wavelets stir."
"That's hap outek, my flittle hearties!
That's a luscious grasshopper."

So the clever Mistress Salmo
(ives her counsel, day by day,
Teaching aff the troutly virtues,
All life's lessons, grave' and gay.
Well she knows the flashing terror
Of King Fisher's sudden fall!
Well she knows the lurking danger
Of the barb'd hook, keen and small
Well she tries to warn her pupils
48 oll avise low and high!

What was that which passed so quickly,
With a slender shade behind?
What is that which stirs the aider,
When no ripple tells of wind?
What seads Mistrees Salmo darting
Underneath the stones in fear?
Crying, "Hide yourselves, my darlings,
Our worst enemy is near!"
I am band to winder

Our worst enemy is near."

'I am bound to understand it,"
Says one self-proud speckle-side;
When I see the danger's real,
Then, if need be, I can hide." So he waits alone and watches,
Sees the shadow pass again,
Sees a fly drop on the water,
Dashes at it, night and main.

Missed it: Well." he says, "I never!
That's the worst jump made to-day!
Here another comes—now for it!"
Splash! He's in the air—to stay!
When the alders cease to tremble,
Silence-comes and sun-glints shine,
Mistress Salmo Fontinalis

Calls the roll—just thirty-nine!
—St. Nicholius for July.

CAMILLA. Paul Smith was a poor old man. He had a back room in the top of a noisy lodging house, where he slept nights and munched his meals of bread and cheese (or bologna sausage, when he could af-

music settler somewhere in Soho. There he tinkered all day on broken with you.

violins and other instruments, never abviolins and other instruments, never absenting himself for a moment, save on staturday afternoons, when he went to little Camilla, and she shall never leave by the hands and drew her out into the house of a small tradesman, to teach you, but shall prove a blessing to you in light.

The house of a small tradesman, to teach your old age."

Saturday afternoons, when he went to you, but shall prove a blessing to you in light.

who acted as a sort of escape valve for the ill-temper of half the men and number of pupils provided through the muring.

gutter, and literally carried him home to Norah and the children. As for honesty, as a neighbor re-marked, "If he found five shillings in the streets, he'd wear out ten shillings worth of strength and shoe leather to find the owner. One cold, dark night, Paul was re-

turning from his work, with a loaf of brend under one arm and a violin under the other, and nearly fell over a small object crouched on the step.
"Bless us! what's this?" cried Paul, striving to regain his equilibrium.

"Only me, sir!" and the small ebject stood up, and became a very pale, thin

and ragged child. "Are you hurt, little girl?" What are you doing here in the Nothing.

"Why don't you go home?" "I aih't got any."
"Dear me! Where's your mother?"
"In heaven!" seeing that great tears were stealing down the child's wan face, he thrust the violin under the arm which had held the bread, and, putting the other around the tiny figure, he said, "Oh, I've got a

home, a real jolly place! Come up and

And this is the way old Paul came to haves a neat little housekeeper, and to be buying calico gowns and shoes out of his poor salary.

People wondered at the sight of this bent old man, hitherto alone and uncared for, now walking daily to his work with his hand upon the shoulder of the with his hand upon the shoulder of the odd yet pretty-faced girl, looking at her with honest pride brightening his eyes, and laughing as loud as she whenever the joke came in. But old Paul looked

unconcerned, evaded the questions of the curious, and learned to love nothing in this world better than the little waif Camilla. There were many, many days when rheumatism drew Paul up by the fire in the old back attic, and drew the very last penny out of the dilapidated purse; but brave little Camilla, never for-getting how near death she had been on that bitter night of their meeting, always found a word to ward off hunger and courage to keep them both bright

until help came. The winter of 186- came in like a lion, as many a poor wretch well remembers, and with the blast came Paul's enemy. He turned, one night, a sad face from his warm corner in shop smong the violins, and hobbled up

voice seem to him the sweetest and purest he had ever heard. At the end of another stanza he took breath, and

SUN-SONG. BY E. B. MORINSON. What makes the birds so merry What makes so ripe the cherry It is the sun that comes along To mellow fruit and mellow son This makes the birds so merry, This makes so ripe the cherry. What warms the blood that r To bring the tint that blushes? At is the sun imi-arting heat.
To rosy lips to make them sweet.
This warms the blood that rushes.
To bring the tint that blushes. Why are the flowers growing, With odors overflowing? Secause the sun each blossom loves More than the honey-hee that roxes. For this the flowers are growing.

With odors overflowing.
