Our Young Readers.

The story of the little girl who, after being lost in a snowstorm, was found by a kind-hearted farmer and given a warm bed and the best food, is a beautiful illustration of the goodness of heart that is often found in the most ordinary people. It was told to me by a dear friend, who said that the farmer, although he was not rich himself, did not hesitate to give the little girl what he had, and that she has always been a grateful and有用的人.

Inspirational Letter Card.

It is a wonderful thing to see how people can rise above their circumstances and make something of themselves. The little girl who was lost in the snowstorm was not only found, but was also given a new home and a new chance in life. This is a good lesson for all of us, to remember that we are not alone in our struggles, and that there are people who will help us through them.

School and Church.

The little girl who was lost in the snowstorm is now living with the farmer and his family, and is doing well. She has learned to read and write, and is now attending school. The farmer has also taken her under his wing, and has given her a warm home and a loving family.
