The Right Sort of Man. -

MANCHESTER, MICH., THURSDAY, APRIL 26, 1883.

You, will find, as a rule, that the men who are favorites with men are the best and truest in their relations to women. Yes, the men who like sometimes to turn their backs on all women, and "go off with the other fellows," and have a good boyish time on the water, or the mountain, or in some other man's "den." Women need never be afraid to trust their happiness to those whom other good men esteem good fellows: but if a man is avoided by men, shur dear little housekeeper," went on Archur; "but my aunt reminds me that we ought not to confine our sympathics within the marrow range of our own daily existence."

I don't understand," said Amy, daily existence.

"I don't understand," said Amy, faintly.

"Aunt Millicent will explain." said
"Aunt Millicent will explain." said
are the best lovers, the best husbands, are the best lovers, the best husbands, and the best lovers are always. Mr. Pemberton, "There are always clubs to join, mutual improvement so-cieties to organize, charitable associations to form. And when you have once

### EVERYBODY'S CRAZY. The Whims of the Insane and the Insanity of Persons thought to Be Sane.

Dr. Ball, in a recent lecture before the Paris Faculty of Medicine, argued that Hester Stuart in Springfield Republican.

A Lock of Hair From a Bald Head.
That genial fellow, John L. Thomas, of Baltimore, tells this good story about the Great Commoner of Pennsylvania:
When I was in congress I used to be a demn as mad, or more or less "touched;"
yet at no time of their life would it be permissible to put them under restraint.

obliged to give up reading altogether, because each time he turns over a page he imagines he has skipped a leaf. Back he is obliged to go again, and again the fancy returns and so he never makes progress: In Cabada had accompany less found himself unable, though free from the slightest physical weakness, to perform some of the simplest acts of daily life. He could not cross the threshold of his door without being trom his chair without calling for help. In the street his progress was liable to be stopped at any moment by some imaginary obstacle, which no effect of the will would enable him to cross. Every one numbers among his acquaintances some one who never tires of talking of the imaginary aliments from which he is suffering. Many a medical student has been driven half crazy from fancying that he had himself the symptoms of the different discounts. has occur drived that classy action and inguitation ing that he had himself the symptoms of the different diseases which his books described. Perfectly sane people suffer from hallucinations of one sort or other.
Lelorgue de Savigny was afflicted with
risual hallucination, which was of so painful a character that he at last shut himself in a perfectly dark room and

The Paris Academy of Medicine offers a reward of \$5,000 for a real cure for diphtheria.

It is predicted that the emigration from Great Britain to the United States will be greater this year than ever best the state shearing held at Lansing at which some of our best breeders took choice. It is predicted that the emigration from Great Britain to the United States will be greater this year than ever betates. It is a mean boy who will catch lot of sparrows, paint them blue, and then set them free in order to fool people into thinking that Spring has come.

L. W. Pond used to be worth \$1,000, 500 and own car-shops at Worcester.

What an innocent, unsophisticated inexperienced lot were those forty odd young Argonauts who sat in those pews. Not one of them then could bake his bread, turn a flapjack, resent his trou-sers or wash his shirt. Not one of them had dug even a post hole. All had a vague sort of impression that California vague sort of impression that California was a nutshell of a country, and that they could see each other there frequently and eventually all return home at or about the same time. How little did they realize that one was to go to the Northern and one to the South and one to remain in San Francisco, and the three never to meet again! What glittering gold mines existed in their brains, even during the preaching of that sermon. Holes where the was thrown out by the shovelful.

was thrown out by the shoveth. It is which an occasional bowlder or pebble was picked out and flung away.

The young Argonaut—church being dismissed—took his little stiff, shiny plug and went home to the last Sunday's lea. And that Sunday night, on seeing the stiff of the stiff of the stiff. hea. And that Sunday night, on seeing her home from church, for the last time, he was allowed to set up with her as long as he pleased. The light glim-mond long from the old homestead Lorr, Sharon. 2 yearling rams and 4 yearling even of his own breeding.

## Blumenlese:

A Companion to the Autograph Album. Containing a Very Choice Selection of Verses and Sentences, Long and Short, and appropriate to all Situations The Companion contains the above fine selection in both the German and English languages. It is printed entirely in English type, which makes it

much more intelligible to the younger German population of this country and to the American student of the German language. It is also adapted to the current of this country and cannot have to give satisfaction to all classes which American as well as German students of the German language frequently wish b write German verses in their fellow-students' albums. For those this elegant work is a neces ity that has long been felt. Here they will always find then sentiments, friendly or scutimental, elegantly expressed in both languages. This ablication is not intended for the German student alone, but is a treasure that none should be without, as the English verses by themselves are a collection that
