1		AN A HAMMACHERIAN MAITHRE PROPERTURE !	

The state of the control of the cont

lasses that one of Adelina l'atti's maintained by the various churches rities is that in private life she New York City. Mrs. Siddons is said to have considered "all the world's a stage" so literally that she "ordered a beefsteak with the air of a tragedy queen," but the great songstress avails berself of even more trivial and prosaic incidents to test her ideas of artistic effect.

The other evening a hall boy rushed breathless into the office of the Palace Hotel, and informed Gount Smith that there was a crazy woman in No. 999, on the second floor. The Count hastily repaired to the room indicated, and which proved to be one of the rooms of the rooms

SCHOOL AND CHURCH.

the second floor. The Count hastily repaired to the room indicated, and which proved to be one of the rooms of the Patti suite. Getting no response to his knock, he opened the door and was astonished to behold the diva, pale and disheveled, clutching a chair for support and gazing at him with a look of frozen horror. In a tone that thrilled the hotel official's heart, she warbled "It is he; quick conceal yourself" in this cabinet!"

and with a terrified movement she amazed bill stretcher, entering toom.

Tripping gaily toward him, the prima dona smilled fondly, let out a couple of high C's at the chandelier, and murnurd con expressione:

"Be seated, dear father. You must Indeed be fattigued by your long walk From Rouen."

"Whenaste" stammered the bewildered recorder of mythical "extras..."

The singer instantly changed her demeanor to that of a proud woman struggling with rage, and jealousy. After a couple of indignant cadenzas she trilled a recitative:

"I have sent for you, Marquis to Denounce a thief. I have been robbed Of a case of jewels, and that woman is the criminal!"

And with glaring eyes and outstretched effinger she pointed to a dress lying used in the conversions during the year, according to Mr. Jacob's report to the conversions during the year, according to Mr. Jacob's report to the conversions during the year, according to Mr. Jacob's report to the conversions during the year, according to Mr. Jacob's report to the conversions during the year, according to Mr. Jacob's report to the conversions during the year, according to Mr. Jacob's report to the conversions during the year, according to Mr. Jacob's report to the conversions are spring to many person to teach in the public schools of the State of New York is that "No certificate shall be granted to any person to teach in the public schools of the State of New York is that "No certificate shall be granted to any person to teach in the public schools of the State of New York is that "No certificate shall be granted to any person to teach in the

GERMAN BOOKS

Well, I agreed. It is seldom that by to beat a railroad, but one must do combthing for his follow-man now and combthing for his follow-man is follow-man now and combthing for his follow-man now an

Prof. Heinrich Nielson, Battle Oreck College, says: "Stome's Stories are received, and are now in use in my class. It succeeds, so tar better than any similar book I have used."

"This method-of learning the German language has been for some time the popular one in Germany. Instructors have come to learn that it is essential to study something else than mere grammatical rules and vocabularies, in older to learn a foreign language. This method speaks for itself, and all who are interested in the German, which is fast becoming a "universal language," will do well to send for a copy of this work."—Northern Indiana School Journal, page 461.

Which leaves your loft clear. From Prof. A. Lodeman, of the State Normal School, at Ypsilanti: I have found Storme's "Select German Stories" one of the best reading books for beginness. The pupils find It easy and entertaining, and learn from it a large number of words and phrases. I shall continue to use it in my and are loud in their praise of the same, and with

Classes

Minoresym, Feb. 19th, 1883.

Enterphise I'uniterised are invited to combine the best book I know of for beginners in German and I shall always use it for that purpose; because it combines the casivat, most natural and interesting way to acquire a facility in speaking, as well as in reading German.
