TUESDAY, MARCH 18, '86

The devoted adressee, Mr. S. W. Bailey, was called away from home last week, to determine the final arrangements for the opening of his new store, in the building that has been vacant for some time. Mr. Bailey is a well-known businessman, and his store will doubtless be a center of commerce in the town.

The Lakeview Woodard Hardware Co., gen. store, is growing in prosperity, and is now in a position to offer a large variety of goods at the lowest prices. They are located on the corner of Main and Market streets, and are open from 9 to 5 daily.

To the memory of the late Dr. Frank Smith, who passed away last week, we extend our sincere sympathy. Dr. Smith was a kindly and respected citizen, and his death is a loss to the community.

WHATEVER INFLUENCE OVER MAN.

What is man? (The Farrar of Proportion.)

When we all reside in Washington, D.C., we are of necessity in the capital of the world. In a word, we are the center of the world.

The sun is a star, and the earth is a planet.

In all parts of the world, the sun shines, and the earth revolves around it.

The sun is the source of light and heat.

The earth is the home of man.
