THE SEVEN DAYS.

June, 1863. Bridge Rock The Quarter Century.

THE ARMY OF THE POTOMAC.

Squirited sailing on the Bloody River to the James River.

The Union Forces at Mechanicsville, together with General Warren's and General McClellan's forces from the James River, were advancing on the Confederate forces under General Longstreet at Mechanicsville. The Confederate forces were entrenched in a strong position, and the Union forces were forced to advance slowly and cautiously. The Union forces finally crossed the James River and began their advance towards Richmond. The Confederate forces put up a strong resistance, but the Union forces were eventually victorious. The Battle of Malvern Hill was a major victory for the Union forces, and it marked the end of the Seven Days Campaign.

THE BATTLE OF MALVERN HILL.
Pneumatic Jewel!

Light without burning gas to light the house.
NO SMOKE. NO ODOUR!

ABSOLUTELY SAFE!

Call the next time you have been lighting for ten.
Without a Particle of Soot Collecting.
