NEW WE WILL SHOW YOU
The Cheap Side of Clothing.

We don't believe in teaching people to buy the poorest clothes they can. Plenty of stores advise people to save that way. Everything gives way to how little it can be sold for. The whole dressness in the price. It would be those who sell worse clothing to the best to get reliable clothing. It pays proprietors as well to pay the price. It has double the wear in it. 'Tis they need not, pay double. The Daylight Cloths is a famine-food for good clothing. Very good, the best ready-made clothing in the land. Our stock of Hats and Caps is unsurpassed, and Furminating Goods to surprise you all.
