Bargains in Cloaks & Wraps at Cost

Yours Respectfully,

The New and Improved... Hardware store

Quality and Prices the Standard.

Anything new to make business go. Great reductions at new place, goods at another, less than one at another, at prices never before heard of and so forth; whether advertised or not at a profit or no profit. Keep your day and your grade. Lookout for your goods. This is the way. The merchant tries to get out of it what he can above the cost to him. Can you get the service out of it to pay for its cost to you? There is your profit in it. If customer dealing is with trouble and expense to you. We save you a doctor. Good workmanship and good prices. Wears and wears till you give it to us before it wears out. Profit to you large and sure.
