Bills in Traisit, 1821.5 The advertisement may be a single announcement, or a series of announcements not exceeding six in number. The space d must not exceed that occupied by this advertisement—eight inches deep, six and one-quarter inches wide. For the general guidance of all who enter the competition, the following ten points are briefly stated as being those which THE DAILY News will require to be most prominently brought out. The advertisement must emphasize: E-That TAR Dathy Name it first, but and all the time, a warm-paper.

Decause that should be the first and controlling consideration in the production of an American Daily paper,—and it isn't always so. It costs money, enterprise and hard work in unstinted measure to make a genuine seem-paper. ness, but it has a very positive conviction that it is entirely practica-ble, and altogether desirable, to legislate sainon-keepers into their proper place, as being engaged in a traffic which here, as everywhere else in the civilized world, is only tolerated as, apparently, a neces-sary evil. [There must be no uncertain sound on this point.] make a genoise serms-paper.

2—That The Dally News is a daily paper for busy people. Because this is a country of busy people, and the North-west is the busiest part of it. Most people haven't the time or parientee to read a "blanket elect,"—they absolutely haven't any use for it. Newspaper reading, after all, is but an incident of life, not its chief business. Therefore The Dally News is a short and-to-the-pain-paper.

3—That The Dally News is an independent, truth-telling newspaper. Because the American people are intelligent enough to prefer lonest, immartial internalism to the misleading truth distinct. created quite a sensation He had two weather is about as good as they make it. If the grass is light, plow, harrow well, tertilize, put on attacked and befuly treated. Get your guns out and loaded and don't let any property of the contraction. hat THE DAILY NEWS now costs the reader only One Cent a Day.

Because this is the most wonderful thing in modern fournalism, and

too much of this point.]

There is little danger of making nat The Dairy News is a family page. Because this is the age of the newspaper,—a time when everybody reads it, and it is all-important that the newspaper should be made in direct reference to the sever page should be made in direct reference to the sever occupied so large a share of the would also upto a tortice a sever occupied so large a share of the would also upto a tortice a sever occupied so large a share of the would also upto a tortice a sever occupied so large a share of the would also upto a tortice a sever occurately watched, for children read it. The Dairy News is for the home, and therefore it follows

At The Dairy News is a grainer the several control of the several That THE DAILY NEWS is now literally everybody's paper. Because bereiofore metropolitan daily pepers have been too expensive both in price and in time required to need sent to expensive both the farmer or the mechanic to take them. Now this is changed The farmer particularly should take a daily paper now that it costs have been too afford the time to read it. He'll save its yearly cost over a size of the time to read it. He'll save its yearly cost over a over again by knowing the market prices every day, instead of weel as heretofore. city hall, on Monday forenoon. The cuttire building was shaken to it-foundation a large section of a wall-was blown out, the office was completely wrecked, windows shattered, and valuable files and the ox-eye daisy and like misances.

Hungarian and sow to wheat in the fall, with generous manuring. Sorrel can't stand cultivating and manuring. Much the same practice should be applied to the ox-eye daisy and like misances.

During the year entry the ox-eye daisy and like misances. 5—That The Dally News is against the saloon. Because "the liquor interest" arrogantly assumes to dominate in American polytes, and The Dally News believes that it is not for the country is good that any one interest should thus over-ride all others, such here one which the saloon of the polytes of the tendency of the polytes of the tendency as the representative of all that is most un-American among us. OW THE STATE REDEEUS ITS LOST CHILDREN. he Reform School and Its Ab'e Management Thorough Intellectual and Manual Discipline - The Boys are Contented

and Happy. HAT THE STATE IS DOING FOR THE INCORRIGIBLE YOUTHS.

The State Republican at Lansing has ipon several occasions entertained its to God in the mount; for the second time eaders with a brief description of the bad he spent forty days and nights there, work that is being accomplished at the and did neither cat bread nor drink water, and when he came down from the mount the skin of his face shone, but he wist it not state retorm school. There we present able management there is no question but that the institution ranks among the first of its character in the country. New and commendatory methods of discipline are

constantly being imaggrated, and that they are wise provisions is fully attested by the general excellency of the school. The institution is conducted with the present the school of the school. The institution is conducted with the present in the school of the school rme institution is conducted with the pre-ise regularity of a piece of intricate ma-dimery. While the discipline is not trictly rigid, each of the 440 boys knows New Advertisement ull well what is expected of him, and willing hearted people and t the methods employed in impressing this brought the Lord's offering." They did not

the methods employed in impressing this knowledge upon the minds of the pupils are of such a nature that their good will secured and retained. Superintendent Gower and his worthy assistants are doing a noble work or the state of Michigan (8, 5, 21, 22, 29, because their hearts were a noble work for the state of Michigan and humanity at large.

In the equipment of this institution a control of the work, and too much, so that there was soon sufficient for all the work, and too much, so that the equipment of the work and they brought in the work, and they brought in the control of the work, and they brought in the control of the work, and they brought in the work, and they brought in the work and they b thoughtful mind provided for a general the people had to be restrained from bringrary, and in the basement of the chapel in the best literary productions of the age | Comment or pair or pared concert by which the best literary productions of the age to raise the money or bring in the material find prominent places upon the shelves. That the boys are not strangers to the 22 "And the, came, both men and women, same is evidenced by their well-wern and pearance. Newspapers from every county | who are found with hearts stirred up of 25, 25, 25, who are found everywhere min

have free access to the library at stated and in district visiting, in prayer meetings and as Bible renders, but as actual missionate for the condition of the Business is very dull at the lake resorts.

Village Clerk Nestell has a new desk subdivided into two sets of 25 each, and these are into families of 50 each, and these are subdivided into two sets of 25 each, one in his office.
