WEDNESDAY AIDE SICKENED, COUNCIL AND THE OIL.

The Complete Nursing Worked Out and Published
by Miss Thomas.

"Old Fashioned" is no longer the sport of
the chambermaid. Miss Thomas, for years
the diabolic brain behind the nurses' work,
has in her latest book, "The Complete Nursing
Worked Out and Published," made the
art of nursing a science. The book, which
is a treatise on every phase of the subject,
will be of inestimable value to the
student and the practitioner.

The-Care of the Patient is thoroughly
explained, and the nurse is shown how
to care for every detail of the patient's
condition, from the first sign of illness
to the moment of death.

A New Book on Surgery

A new book on surgery, "The Complete
Surgical Manual," has been published by
Miss Thomas. The book, which is a
comprehensive treatise on the subject,
will be of inestimable value to the
student and the practitioner.
