Nothing Else Will Do It.

We have volumes of evidence to prove that S. S. S. is the only permanent cure for complications.

I sold for five years with the S. S. S. time consumption without any immediate results. After trying many other patent medicines, I finally gave up and tried the S. S. S., and found it worked wonders. I then began to believe in S. S. S., and began to use it on all other cases of the same or similar diseases. I have used it successfully on cases of the same or similar diseases.

The method of using S. S. S. is simple and easy, and can be learned in a short time. The consumer will find it a great relief to have a medicine so effective and so easy to use.

Please mention this to your doctor, and he will recommend it to you.
