Oscar Talcott, an insurance organ zer of Ionia, was walking through a dense wood near Rondo when he was the neck that brought him to his knees. The blow was accompanied by a terrible scream, and, as he rose he ound himself attacked by a ferocious agle. Sailing aloft the eagle returned e attack again and again, while with blood streaming down his face Mr. Talcott seized a club, and after lozen rounds, succeeded in beating of he savage bird. Two years ago, in the same vicinity, a child was carried away, and after a chase of three mile the eagle was shot by the father of the child and the babe recovered. THE TWO PENINSULAS. Lee Swain was killed in a runaway Unondaga. Grasshoppers are ravaging some San lac county farms. Cut worms are destroying the corn rop in Newaygo county. Benton Harbor shipped 30,000 crate of strawherries in one day. The hnekleberry crop is very pron ising in Montmorency county. The Saginaw council has dismis ight patrolmen for economy's sake --D. Young, a carpenter, fell from : touse at Hastings and was fatally hurt Reports from about Kiles say that the grape prospects were never better. The Huron house at Sebewaing wned by Thomas Casey, was gutte by fire.

A strange disease is carrying off ho by the wholesale. near Michie, Bay ounty.

hrown into the water, 25 feet below cated and arrests will follow. found to be badly damaged.

inrning short and falling off his wheel.

Samuel Dickie, chairman of the national Prohibition committee, has is sued an address to Michigan Prohibi tionists, in which he speaks of the split in the national convention at Pittsburg and warns the Prohibitionists of the state against being lead away. He says the organization and work in the state will be pushed and prophesies a

big increase in the party vote in Nov ember. Wm. H. Reidy, a young athlete and society man of Detroit, was drowned at the head of the Detroit river. He was on board the yacht City of the Straits, with Fred Williams, a member of the Journal editorial staff, when

William's hat was blown overboard, and in an endeavor to recover it, Reidy lost his balance and fell into the

d cank before assistance con reach him.

Lansing has an epidemic of insanity. Geo. Wilcox, for 20 years nightwatch man at the state capitol, was suddenly seized with an insane attack. probably resulting from an injury received dur-ing the war. Miss Ida Tobias, aged 28. a rather handsome woman, became quite violent. August Huffman, tailor ddenly developed a dangerous mania

All three were locked up in the city jail on the same day. The union miners of the upper penin-

sular declare the letting out of 1,400 men on the Gogebic range recently was simply a scheme to crush the union. All but 500 men will be taken back, and in

the re-hiring the union leaders and other persons not liked by the managers. will be dropped. Of the 800 men discharged at Ishpeming a month ago, all but a few have been taken

back, and these few are all prominent in the union. The managers, however declare there is no blacklist.

According to the weekly bulletin of the Michigan weather bureau, the rainfall has been decidedly above the nor mat. The cool, wet weather has done much to improve the condition o wheat and hay. Wheat is now heading out, the head being quiet large and well filled. Rust is disappearing in many cases and there is a noticeable

bridge over Huron river he turned falling off of complaint of injury from the Hessian fly.

Game Wardens Ashley and Avery seized six fish nets in Lake St. Clair His wheel was smashed and Avers was near New Baltimore. The nets are will carefully study the situation in When fished out his right leg was valued at \$200, and have been confis-

refreshments were sent to the Hodynsky plain during the week and all was in readiness for the gigantic meal. By dawn the mass of peasants was really enormous and they were all desperately hungry, some of them having fasted, from choice or necessity, for 24 hours. The police did everything possible to keep back the crowd, but uddenly the masses, controlled by some inexplicable impulse or impatient to get at the food, pressed forward, swept everything before them and overturned tables and benches as if

made of grass, trampling hundreds under foot and crushing the life out of a great number of people, at least 2,000. The majority of the killed were peas-ants, though the clothing of some indicated that they were persons of wealth and distinction.

61 Lives Lost in a Bridge Accident. Sixty-one bodies lying in the morgue, several badly injured people at the hospitals and a number still missing is the record of an awful street car fatal-ity at Victoria, B. C. A sham fight nd review was to take place at Macaulay's Point, near Esquimault, and rowds were making their way there. All the tram cars were packed. Two

ars left Government street with upwards of 100 people. The first got over Point Ellis bridge, which crosses at Victoria Arm, safely, but when the other was about half way over the middle span of the bridge, about 150

feet in length, gave way and the car plunged into the water, 100 feet below. The car was completely submerged, and all on board were drowned, with the exception of some of those on the

platforms, who managed to save them-Whe clves by swimming ashore. the bridge broke there were several carriges on it, and these also were pre-

cipitated into the water

Edward T. Yerkes, son of Charles T. Yerkes, the Chicago street railway magnate, was arrested at New York at the instance of his father-inlaw, James Morgan, for raising a disturbance at his home. Mrs. Yerkes has been divorced.

Gen. Fitzhugh Lee, the new U.S. consul-general of Cuba, accompanied by his son Fitzhugh Lee, Jr., and

Thomas Alexander, of Lexington, Va., has gone to Havena. Gen. Lee says he Cubs, and does not intend to be hoodwinked regarding the battles.

of the United States for any-purpose whatever without further authority of congress is hereby prohibited." One in opposition was of the best speeches by Mr. Burrows, of Michigon. House. The house devoted itself to passing the river and harbor bill over the President's veto by a vote of 22 to 60. The naval appropriation bill was reported from conference with an agreement on all items but the number of battleships

and further conference was ordered. A special from Washington says: Senator Quay concedes the nomination of McKinley on the first ballot at the Clondburst Kills 28. Two cloudbusts occurred in Newton
