NEWSY GENERALITIES

ITEMS GATHERED FROM ALL DIRECTIONS.

War Cloud Darkens Because of the Differences Between France and Great Britain Over the Fashoda Matter—Both are Preparing for Trouble.

Never since Great Britain and France began to dispute over Egypt, years ago, nor during the most acute stage of the numerous Niger differences between those two countries has the situation looked so ominous as it now does over the Fashoda incident. It is a fact that the French naval and military authorities are making feverish preparations for war, and significant orders have been issued from the British admiralty, indicating the belief that Great Britain and France are at the brink of war.

The Great Western mine at Crystal Falls has been purchased by Corrigan, McKinney & Co., of Cleveland, and will be operated this winter, giving employment to 600 men. It has been closed since 1893.

Claude Courtwright, aged 13, while learning to ride a horse at Big Rapids, was thrown upon the G. R. & L. railroad tracks in front of a train and both legs were mangled below the knees, necessitating amputation.

The Michigan Library association, at the Bay City convention, elected H. M. Utley, of Detroit, president; Mrs. Archibald MacBonnell, of Bay City, secretary and Miss Genevieve M. Walton, of Ypsilanti, treasurer.

Eugene Eldredge, a laborer was found cut to pieces on the D. G. H. & M. tracks near Lowell. Five trains had passed over his body before it was discovered. He leaves a widow and five children at Saranac.

Moses Shug, an old settler of Oakland county, was instantly killed and horribly mangled by an express train passing through his birthplace, near Portland, Pa. His remains were brought to Pontiac for interment.

James Kirkendall, a farmer near Albion, jumped from a hayrack and slightly damaged himself by striking on a pickfork which stuck up in the ground. The handle penetrated his side six inches. He cannot recover.

Benj. Corbett, a well-known resident of Kent county, was run over by a passenger train near Stanton and instantly killed.

W. W. Cummer has sold 20,000 acres of hardwood timber lands adjacent to Cadillac to Delos F. Diggins. The timber will be cut this winter.

Holly Jones another gang of firebugs is at work. The destruction of Morrison Beardlee's cider mill is the second incendiary fire in a short time.

Chas. Morton, keeper of the Holland life-saving station, has been appointed superintendent of the Eleventh life saving district in which is comprised all of Lake Michigan.

The directors and stockholders of the "United Peoples' Savings Bank at Mt. Pleasant will be asked to recover an assessment on the stock of the institution to meet its debts.

TELEGRAPHIC BITS.

CRISIS IN FRANCE.

All Spanish troops have left Porto Rico. Spain estimates the cost of the evacuation of Cuba at \$10,000,000. President McKinley has returned to his duties at Washington.

Chicago's bicycle tax is declared invalid by the Illinois supreme court. Frosts throughout Mississippi have decreased the yellow fever scourge.

Col. Wm. J. Bryan, Third Nebraska, is again down with fever, at Savannah. Anarchy rules in southern Philippines, where the Spanish are cooped up in the towns.

Ex-President Cleveland participated in the celebration of 152d anniversary of Princeton university. It is reported that the Chinese empress dowager and Li Hung Chang have been married secretly.

Two cases of wife murder and suicide occurred at Jersey City within one hour. Jealousy in both cases. About \$12,000 were collected during the first week of American control of the customs at San Juan, Porto Rico.

Seven soldiers died on the steamer Rio de Janeiro, which brought 164 sick and discharged soldiers from Manila. Five men were killed in a freight wreck on the Rock Island road near Ft. Worth, Tex. Three others will die.

Five lives were lost in the burning of the Chat Roberts hotel at Clairville, Cal. Those who escaped saved nothing. The supreme judges of Nicaragua have decided that the contract of the Nicaragua Canal Co. expires Oct. 20, 1899.

Fire at pier 39, Brooklyn, did \$500,000 damage to shipping. Sailors had to jump into the water to save their lives. The Americans continue capturing the insurgent rebel vessels as they arrive at Cavite. Two were captured last week.

John Anderson, colored, charged with the murder of Charles Holmes, a well-known white farmer, was lynched at Lafayette, Ala. A French missionary and several Chinese Catholics have been massacred and burned in a chapel at Paklung by a riotous Chinese mob.

Three Negroes shot and killed Julius Regd, a 16-year-old white boy near the Texas cotton mills at Dallas, Tex., and a triple lynching followed. Spanish authorities at Havana are selling and removing war trophies, supplies, etc. in spite of protests of the American commissioners.

Spanish reports of a naval battle between Admiral Dewey's fleet and Philippine insurgent vessels are denied at Washington as absolutely untrue. Three young men of Easton, Ill., went back hunting on Lake Michigan in a small skiff. When about five miles out the boat capsized and all were drowned.

The premature explosion of a cannon being fired in honor of the visit of President McKinley at Kokomo, Ind., killed James Jones and perhaps fatally injured another man. The natives of Formosa, armed and aided by Chinese, have attacked several Japanese military stations and two desperate battles have occurred in which over 200 were killed.

Turkish troops are now out of Crete. The powers will increase their forces to 14,000 and it is probable that Prince George of Greece will be selected as governor-general of the island. Chaplain McIntyre, of the battleship Oregon, has been dismissed from the navy by the President, because of his attacks upon Admiral Sampson, Capt. Evans and other navy officials.

The U. S. cruiser Boston and the collier Nero, ordered to Hong Kong because of the disturbances at Pekin, have arrived at Amoy, the former off of coast and the latter with her cargo ashore. The meeting of the Cuban assembly set for Oct. 30 at Santa Cruz, cannot occur until later because of delay in the arrival of delegates occasioned by bad roads. It is believed Gen. Gomez will be elected president of the Cuban republic.

Serpt. Clarence Allen, Co. I, 8th U. S. Cavalry, colored, insurance, stood on three policemen who were attempting to arrest a colored soldier who was drunk at Chattanooga, killing Chas. Beagles. A battle with revolvers followed in which several were wounded.

The attitude of insurgent troops about Manila has become very menacing. Their supplies are scarce, they have not been paid in months and they are becoming desperate. The American authorities, naval and military, are taking precautionary measures, although no immediate trouble is anticipated.

An uprising of Comanche, Kiowa and Apache Indians is feared in Oklahoma. For 30 years the government has fed these Indians in accordance with a treaty which expired July 1. Left to care for themselves they are on the verge of starvation and are killing cattle belonging to Texas cattlemen. The latter threaten to retaliate by making a few "good Indians" and serious bloodshed is sure to follow.

The cigarmakers of Florida and many manufacturers of tobacco in many large cities are urging the abolition of all duty on Cuban cigars and tobaccos. The Cuban planters claim that it would practically kill the tobacco industry in Cuba. They say that the moment-in-Cuba cigarmakers are abolished, tons of inferior tobacco would be sent in Cuba, manufactured into cigars and shipped from the island as Havana cigars.

Premier Hardy, of the province of Ontario, refuses the application of U. S. lumbermen for the suspension of the act requiring that logs cut in crown lands shall be sawn in Canada.

Floods in Shantung province, China, drowned 3,000 natives and rendered 100,000 homeless. U. S. troops sailed from Santiago to occupy the towns of Gibara and Holguin, Cuba.

THE NEWS CONDENSED.

Dreyfus is said to be confined in Paris now.

It is reported that Russia has advised France to make a peaceful settlement of the Fashoda matter. The U. S. department of justice declares that the restrictions on Chinese immigration in the U. S. hold good in Hawaii.

The body of Maj. Beebe, of the American evacuation commission, who died of yellow fever in Havana, has been sent home. Gen. Jose Martel, of the Cuban army, has issued a free proclamation urging all Cubans to resist the landing of American troops.

Small pox is epidemic at Gibara and Holguin, Cuba, and the people are thoroughly panic-stricken that many bodies lay unburied for two days. The cruiser Buffalo has sailed from New York for Manila, via the Suez canal, and will reach Dewey before the battleships Oregon and Iowa, which sailed some days previously.
