Shredded Silage.-Experiments made in shredding silage seem to show that silage so made is at least equal to that made in the usual way. Some claim they can get one-fourth more silage into the sile by shredding it, as the Leghorns, Minorcas, Spanish, Anda-fusians and Hamburgs are the lewis with the big egg producing records, but they are not the best table fowin

tell you that, in many cases, the number of red corpuscies in the blood is doubled after a course of treatment with Dr. Williams' Pink Pilis for Pale People. That this means good blood may not be entirely clear from the doctor's statement but any girl who has tried the pills can tell you that it means red lips bright eyes, good appetite absence of headache, and that it transforms the pale and sallow gir into a maiden who glows with the beauty which perfect health
