We are in just the same boat with our Refrigerators and Ice Cream Freezers. Someone that needs such things should have them in use this minute. That dry old store of ours never puts to use anything that it has. It depends on handing the article out for other people to use.

Before long many of you will have men in the hav field and the harvest hands and threshers, you will have to set table for a lot of them. Do you need a good big Table? Do you know that owing to the scarcity of lumber that in two or three months you will have to pay most double for Tables, Furni ture, etc. This is the gospel truth and even though you read it in a furniture man's advertisement, believe it and get a hustle on if you desire to save hig percentage with your money. We have mentioned only a few things. We have hundreds of other articles that are just as desirable and to buy them right you must act promptly.
