"Gift-making is one of the most gracious features of Christmas, and one that I pray may survive the coming of the new year," writes Florence H. Winter, in the Woman's Home Companion. "The custom of sympathy are close counselors there is little fear that we shall make the mistake of being too generous in our giving. It is not the quantity of the gift that counts, but the thought that goes into it. Let us strive to be as thoughtful as we can, and let our gifts be as useful as possible. Headache  
Sick headaches! Always trace them to a lazy liver or a sick stomach. Poisonous matter, instead of being thrown out, is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, awful, throbbing, sickening pain. CASCARETS remove the cause by stimulating the liver, making the poison move on and out, and purifying the blood. The effect is almost instantaneous. Ladies, whose sensitive organisms are especially prone to sick headaches, do not suffer, but find relief in CASCARETS Candy Cathartic.
