"One of the things I have found out to my entire satisfaction is the proper remedy for ailments that are due directly to the effects of the climate.

"During my long life I have known a great many remedies for coughs, colds, catarrh and diarrhea, but I always supposed these ailments to be different diseases, but in reading Dr. Hartman's books I have found out that these ailments are the same and that they are properly called catarrh.

"I had several long sleees with the grip. At first I did not know that Peruna was a remedy for this disease. When I heard that it gripped epidemic catarrh, I tried Peruna for it and found it to be just the thing.

"As for Dr. Hartman's remedy, Peruna, I have found it to be the best. It not only, reliable remedy for all the ailments. It has been my steady for fifty years. I attribute my good health and extreme old age to this remedy.

Very truly yours,

SPEND TEN MINUTES ON THIS.

Back in the 1800's there came among the people of Manchester, a famous name-Gallup & Lewis by name-and opened a rest furniture store.

They put in great quantities of beautiful goods and marked them very low so that their patrons might get value as cheap as in large cities.

The people were delighted and bought freely, but the business was not long in falling into the hands of unscrupulous competitors, saying, "Let's give this place our trade!"

But the store prospered not. What did it show? Simply this: That our NARROW GAUGE PROBIT PLAN the business could not live in a small town. So rather than let the store go to ruin, we have moved our store on to the BIG JACKSON STORE.

New we propose to put you right over to us. Here you will find LOTS OF GOODS, BOOKS, CASES, FURNITURE, TABLES, DISHES, KNIVES, BAY RACKS, WALL POCKETES, etc. in endless variety. Dishes, Blouses, Corsets, etc. will you call? Then there's the CLOSET, CLOSET, CLOSET and many more.

If you're too busy to come yourself, write us for anything. We'll send you a price catalogue to you. And remember, your money goes far with us.
