Admiral Dewey recently appeared before the house pensions committee and eloquently advocated the passage of several bills granting pensions to the widows of officers who served with him in the battle of Manila Bay. The measure now pending provides for pensions for the widow of Captain Charles V. Gridley of the Olympia at the rate of \$200 a month; the widow of Commander E. B. Wood of the Petrel, at \$100 a month; the mother of Lieutenant, Thomas M. Brumley, the Admiral's Flag Lieutenant, at \$50 a month, and the widow of Captain tienry E. Nichols of the Monadnock at \$100 a month.
