He thinks he lives, but he's a dead one. No person is really alive whose liver is dead. During the winter most people spend nearly all their time in warm, stuffy houses or offices or workshops. Many don't get as much exercise as they ought, and everybody knows that people gain weight in winter. As a rule it is not sound weight, but means a lot of flabby fat and useless, rotting matter staying in the body when it ought to have been driven out. But the liver was overburdened. deadened-stopped work. There you are, with a cead liver, and spring is the time for resurrection. Wake up the dead!

> Things That You Must Have. Necessaries are what most people are interested in

Knowing this we have taken special pains to get together

the grandest assortment of such articles as is possible to When you ask us for a Bed Spring or a Mattress, you find the prices about the same as are asked elsewherebut notice the articles, see in the spring the extra weave, notice the solid ends and side rail we furnish, notice in the article we show a SPRING, not some wire stretched on a frame to sag down and be useless. Notice our Mattresses, they are filled full, they are plump and firm. After using a week they do not look like a pancake. Notice the ticking, a quality that you do not get elsewhere. We manufacture every Mattress that we sell, we guarantee them to be clean and sweet. WE GIVE VALUES IN NECESSARIES THAT YOU CANNOT GET ELSEWHERE.
