Cured of Catarrh of the Stomach by Pe-ru-na. people who are suffering from catarrh of the stomach who are wasting precious time, and enduring needless suffering. The remedies they try only temporarily patitate the distress, but never effect a cure. Remedies for dyspepsia have multiplied so rapidly that they are becoming as numerous as the leaves of the forest, and yet dyspepsia continues to flourish in spite of them all. This is due to the fact that the cause of dyspepsia is not-recognized as catarrh.
