

Jan Kubicki's raven had been... a splendid representation to his village.

Gen. Weyler wants the Spanish army reduced probably to half its present...

German-built boats may be used for trade on the river...

An emergency appropriation to supply our steamer with sparring lessons is earnestly suggested.

Prof. Herron has been in Europe long enough to learn a few lessons that will be of use to him.

The microbes that cause gray hair have been discovered, but no infirmities has been served on him as yet.

The early spring talk about the destruction of the peach crop seems to have been spoken in the bud.

To the average worker increased wages are better than new regulations for the beginning of a fresh year.

The Pan-American congress is already ready to start for Washington...

It will now be in order to watch the Macedonian committee and see if they begin spending money with great confidence.

These are such surprising days that we have had time to call attention to an Ohio justice trial of a case by telephone.

Montana could not get so good a third money in Detroit.

There is a 16-year-old boy in Tennessee who has killed three men.

A Kentucky farmer is dead from a calf bite. No Kentucky ever was so afraid of a snake bite.

Kansas wants to know if a man can be a Christian on \$3 a week.

Wilhelmina Prince Henry seems to be really trying now to be a blameless life.

According to a dispatch, British newspapers are to be printed on steel sheet...

No one has succeeded in improving upon Edward's estimate of the value of the great good men and best of great men.

According to the census bureau the value of domestic animals and products of the stock raising industry...

The king of Siam has changed his plans and will visit the United States...

Against those who depict athletics as demoralizing may be fitted the words of the philosopher...

For every excess inch of liberty that the "foreign devil" may be taking...

Philanthropist Keesse doesn't believe much in organized charity...

That Detroit Napoleon of finance had a motto which was, "No man should work after he is forty."

"Why is it perched on the summit?" asked, incredulously in his own mind.

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

JACK AND HILL

By EDGAR WELTON COOLEY

Copyright, 1902, by Daily News Publishing Company.

"And you see the spring on top of this hill?" he asked, incredulously in his own mind.

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

"I do not believe I love you," "I do not believe you love me."

THE ART OF ORATORY

Success Depends Chiefly on Constant and Determined Practice.

The mere effort to express one's self in lucid and convincing language before an audience...

The function of the orator has been described by the great thinkers of the past...

Dr. Edmund King, the venerated and justly beloved of Lincoln, in England...

is touched for by a Canon of Ely, so it must be true.

When the stranger arrives at Seville and Toledo and the guides conduct him to the cathedral...

There are two systems for carrying the village as a whole...

There are two systems for carrying the village as a whole...

There are two systems for carrying the village as a whole...

There are two systems for carrying the village as a whole...

There Was a Distinction.

Both Soldiers of High Rank, but in Different Armies.
