THEY CONTROL THE COUNTRY. low the Railroad Kings Have the Land

Parceled Out Among Them.

ANOTHER GRAND REPORT.

From His Majesty's Dockyard,

Portsmouth, England,

The year. (North-white is not to the control of the principles of

THIS: MAN IS FROM CHICAGO. le's froing to Introduce Monkeys a

Farm Hands in the South. Parorled Out Among Them.

Percentage of 16,000 Mon Are Paul Kuntz, a Chicago man, who has provided by the south; is a vast continent belted Constants Employed.

Here, then, is a vast continent belted and banded and criss-crossed with 200-200 miles of railroads. Many of the roads are great independent lines, and some are systems controlled by groups of men outside the five large syndheates. But practically half the stupendous network, affecting in one country, is in possession of five little bodies of men with headquarters in New York.

A strip of land hundreds of miles wide, beginning at the Wasfington ports in the northwest and sweeping east of the lakes, is practically an industrial field of Mr. Hill and Mr. Morgan. In Mr. Harriman's hands, in some measure is the prosperity of California and the southwestern states, as well as of a broad strip up the Mississision valley a fertile hand through the

San Francisco. Portland, Seattle, Tacoma, Vancouver, Victoria and a large number of other points. Tourist final ceremony. At the altar the Sleeping Cars, daily to the Pacific coast. For maps and particulars apply to nearest ticket agent or address. W. B. Kniskern, 22 Fifth avenue, Chicago, Ill.

Let us be of good cheer, remember ing that the misfortunes hardest to be a ufe these which never come.

Many School Children Are Sickty.

Tanks to Mary Patay. Then the young her soldiers to do, all young men were required to perfect themselves in arch. Formaps and particulars apply to the altar the altar the soserious a rival did the game become that it was for a time suppressed and may still be found on the statute book. There seems to be no record, however, the had drunk not wisely but too well, and was incapable of anything.

Many School Children Are Sickty.

Tanks to Mary Patay. Then the young her soldiers to do, all young men were required to perfect themselves in arch. They preferred to play golf, and that it was for a time suppressed and may still be found on the statute book. There seems to be no record, however, be and drunk not wisely but too well, and was incapable of anything.

"St. Nicholas for Young Folks "Is the medium
a magazine absolutely unequalled in the literaa magazine absolutely unequalled in the of Washtenaw.

WILLIS L WATKINS.

Judge of Probate some new reatures are to be introduced into this famous periodical—one is the printing of long stories complete in a single number.—no serials A splendid group of stories by the best living File No. 9050 12-445.

A aplendid group of atories by the best living writers for young folks has been gathered for this purpose.

"Nature Study" -- "Nature Stud is now a great feature of St. Nicholas. The young readers ask questions and they are answered in a department called "Nature and Science." Frivate schools take the magazine for this alone. The "St. Nicholas League." is an organization of St. Nicholas League." is an organization of St. Nicholas League. "Is a Blanchard, the executor in said will named prizes are offered for the best pictures, stories" pointed. Takle, was heard to offer this prayer: | ficers arrived, and he felt nimself in | I'HE SUNDAY SCHOOL.

of hygiene that will keep a lazy man will be easily distinguished from that well. There is no such thing as good physical concrtion without positive work of some kind, although you should sleep on down of swan or ride in carriage of softest upholstery or have on your table all the luxuries that were poured from the wine vats of tepshan and Shiraz.

Oh, how important in this day, when so much is said about anatomy and physiology and therapeutics and some new style of medicine is ever and anon springing upon the world, that you should understand that the highest of the fight of the conformable subsistence all the start, a comfortable subsistence at the subsistence and the subsistence and thus the mich that the highest of this day will be easily distinguished from that will be perfected for the start, a comfortable subsistence all the start, a comfortable subsistence all the subsistence and the start, a comfortable subsistence all the subsistence and the subsistence to the c should understand that the highest start, a comfortable subsistence all the and thus the pehistoric hunter ar-
