MEALTMANDAULITS BLESSINGS

Health will come with all its blessings to those who know the way, and it is mainly a question of right-living, with all the term implies, but the efforts which strengthen the system, the games which refresh and the foods which nourish are important, each in a way, while it is also advantageous to have knowledge of the best methods of promoting freedom from misanitary conditions. To assist nature, when nature needs assistance, it is all important that the medicinal agents used should be of the best quality and of known value, and the one remedy which acts most beneficially and pleasantly, as a laxative, is-Syrup of Figs-manufactured by

With a proper understanding of the fact that many physical ills are of a transient char acter and yield promptly to the gentle-action of Syrup of Figs, gladness and comfort come to the heart, and if one would remove the torpor and strain and congestion attendant upon a constipated condition of the system, take Syrup of Figs and enjoy freedom from the aches and pains, the colds and headaches and the depression due to inactivity of the bowels. In case of any organic trouble it is well to compute a competent physician, but when a laxative is required mber that the most permanently gratifying results will follow personal cooperation with the beneficial effects of Syrup of Figs. It is for sale by all reliable druggists. Price fifty

The excellence of Syrup of Figs comes from the beneficial effects of the plants used in the combination and also from the method of manufacture which ensures that perfect purity and uniformity of product essential in a perfect family laxative. All the members of the family from the youngest to the most advanced in years may use it whenever a laxative is needed and share alike in its beneficial effects. We do not claim that Syrup of Figs is the only known value, but it possesses this great advantage over all other laxatives that it acts gently and pleasantly without disturbing natural functions, in any way, as it is free from every objectionable quality or substance. To get its beneficial effects it is always necessary to buy the genuine and the full name of the Co.-California Fig Syrup Co.-is printed on the front of every

None But The Brave-By HAMBLEN SEARS Second Edition Ready

EVERY one who loves the scenes of galloping cavaliers, brave swordplay, desperate adventures and the flash and charm of a game of hearts, will want to read None But THE BRAVE ... Merton Balfort, the hero, and his fellow soldiers John Acton and Robert Curtis are bound up together by both choice and circumstance much as were the "three guardsmen" of Dumas, and their adventures are no less thrilling and omantic than the deeds of those classic heroes. Rarely has there appeared in fiction a maid of such versatile nov-

ers to charm and pierce the soul of a lover, as the tantalizing royalist, Deborah Philipse; for whom the hero gots into rap after trap, risking tife and honor for her sake, only to be ignored and insulted a few moments afterward, until-but that's the story; and a charming, graphic and original denouement it presents.
